THE PEERLESS FAMILY.

Stories of Noted Blood Twin Sensations, Spain and Germany.

From the United States agricultural department's report on the sheep industry we copy illustrations illustrative of Merino sheep in three countries. It will be observed that the wrinkles from Spain, Germany and Vermont differ quite. All the Merino family are descended from the Spanish the noted sheep. The same rule the breeds were made. The age may seem, but the change is not, every breeder knows he may live to accomplish. Now to Saxony and the

SAXONY MERINO RAM.

Below: The Merino blood was crossed with a German breed of sheep and produced the ram shown below. It is a Saxony and has
