Looking After the Interests of Oregon.

WASHINGTON, 2—Senator Mitchell has remained here since the adjournment of Congress looking after the interests of Oregon, and he will leave for that State on the 8th inst. At his request, instructions from the War Department will be forwarded immediately with reference to the commencement of work on the canal and locks at the cascades at Columbia River.

Who Should Manage the Indians.

The following dispatch has been received by General Sherman from General Sheridan in Chicago:

"Col. Carlin telegraphed that he was obliged to suspend agent Burke, at Standing Rock, who, it is believed, had a secret interview with Kill Eagle, one of the hostile chiefs, and who subsequently issued 250 head of cattle, most of which is believed to have gone to the hostile camps. We do not want to do anything which would be unpleasant in any way to the Secretary of the Interior or the Commissioner of Indian affairs, but I really think it would be best for all concerned that army officers should perform the duties of the agencies until this trouble is over. Col. Carlin put Capt. R. E. Johnston in charge of the agency at Standing Rock until the new one arrives."

Gen. Sherman sent the following to Gen. Sheridan:

"The Secretary of War is back, and I have also seen Chandler, the Secretary of the Interior, who says another agent has been appointed for the Standing Rock agency, who will soon be there, but in the meantime you may instruct Col. Carlin that he must control all issues from the agency to the Indians and permit no issues of any kind he does not approve, especially to Indians not actually present and known to be friendly and faithful. The most friendly feeling and hearty co-operation exists between the war and interior departments upon these points, and whatever measures may be thought best will be carried out jointly by both departments. Edwin Mallett was appointed yesterday agent at Standing Rock, but as some difficulty has arisen in relation to his bond, another person will be appointed as soon as selected by the board of Indian Commissioners."

Coinage of Various Mints.

The following is the total coinage of the mints at Philadelphia Carson and San Francisco for August: Double eagles 211,562; trade dollars 557,200; half dollars 2,792,000, quarter dollars 3,168,200, twenty cent pieces 200; dimes 15,802,000; five cent nickels 310,000; one cent bronze 220,000.

Drowned.

BOSTON, 2—Henry Howe was drowned to-day in attempting to rescue two young ladies, one of whom, Etta L. Bickford, was drowned.

Heavy Failure.

NEW YORK, 2—John S. Waring & Co., of Yonkers, the heaviest hat manufacturing firm in the United States, failed; liabilities about $400,000, of which $195,000 is due the banks here. They employed seven hundred operatives. Their assets are said to be greatly in excess of their liabilities.

Resigned.

NEW ORLEANS, 2—U. S. Marshal Packard, in view of his candidacy for governor, to-day, wrote to the President resigning his office. He took occasion to express his gratification at the confidence and support extended to him by the President.

$40,000 Fire.

PHILADELPHIA, PA., 2.—Mund & Albrict's establishment, at the Falls of Schuylkill, was burned; loss $40,000.

The Cobbite Excitement.

ST. LOUIS, 2.—Later advices from Arkansas say the coroner's inquest held on the body of Humphreys, returned a verdict that L. B. and J. M. Dover, Thomas Gainly, John and Elizabeth Nelson were principals, and John Clemenside and Lee Dover accessories. L. B. Dover and Thomas Gainly were killed by the posse in making the arrest. Old Cobb escaped to the woods, and at last accounts had not been captured. It appears that Cobb came from Michigan, where he taught atrocious doctrines until driven out. He first settled in south-eastern Missouri, where he made a few converts, and, it is said, offered up infants as a sacrifice. He was driven away from there with his fanatical followers, went to White County, and induced a few more ignorant people to join him. The accounts received do not give any reason or cause for the attack upon Humphreys and Blake, and the murder of the former, but the Cobbites seem to have been wrought up to a high degree of religious excitement or frenzy, and were urged on by old man Cobb, who had taught his followers that he was not only Christ in person, but he uttered the decrees of God himself; that anything they did was devoid of sin.

Bids for Furnishing Supplies.

ST. LOUIS, 2—Bids for furnishing supplies and transportation to Upper Missouri, Idaho, Arizona, New Mexico and Indian territory will be awarded on Wednesday next. Bids will be opened in the presence of the board of commissioners and a commission designated by the Secretary of the Interior. Benton and Thompson, of the Indian bureau, are already here. J. Q. Smith, commissioner of Indian affairs, General Fisk, president of the board of Indian commissioners, and other members of the board will arrive on Monday.

The Mediators' Proposals—The Porte Disquieted.

CONSTANTINOPLE, 2—The foreign ambassadors, at a meeting at the English embassy, agreed on a form in which the mediatory proposals shall be conducted to the Porte.

The Porte is disquieted with Russian news and the influx of Russian volunteers into Servia, and is considering the advisability of closing the Danube.
