EXECUTION OF FERRER DENOUNCED

American Federation of Labor Executive Council Passes Resolutions.

BERLIN UNIVERSITY MEN ACT.

Call His Death a Murder—Great Meeting in Carnegie Hall Condemns Spain.

Washington, Oct. 19.—Resolutions fiercely denouncing the "murder of Francisco Ferrer, the Spanish revolutionist," who was condemned by court-martial and shot in Barcelona, were adopted at today's session of the executive council of the American Federation of Labor. Ferrer was referred to as a martyr.

"We in our personal behalf as well as in the name of America's workers and the whole people," the resolutions declare, "express our intense indignation, horror and strongest protest against the murder of Francisco Ferrer by direction of the Spanish government."

Taken in connection with the action of the supreme court of the District of Columbia in sentencing President Gompers, Secretary Morrison and John Mitchell of the federation to serve terms in jail for contempt of court, the concluding paragraph of the resolution is looked upon as significant.

It declares that "we take this action of the military murder of a man whose real offending was speaking, writing and teaching humanity to become wiser, more free and more liberty-loving, to remind the people of our country that the liberty of the citizens is only secure when trial by jury and in open court for any alleged offense involving punishment is guaranteed."

The resolutions declare, "the cause of free speech, free press and free education has found in Ferrer another martyr, the more regrettable in an age when civilization boasts of having relieved the tortures and brutality of mediaevalism by freedom and enlightenment."

Prof. Ferrer, it is declared, will take rank with all those who have done the greatest service for humanity.

"A noble company of martyrs and a cause in which a man might well give his life," the resolutions continue, "old tyranny require it. Like Jefferson, Washington and Lincoln of our own country, he labored and taught and suffered that the people might have wisdom and be worthy of freedom."

Declaring that although Ferrer suffered the ultimate penalty of a shameful death at the hands of those who rule in the doctrine of the "divine right of kings," the belief is expressed that the sacrifice was not in vain. In its preamble to the resolutions, the council says the execution of Prof. Ferrer has aroused the strongest indignation of all just, liberty-loving and broad minded men of the civilized world.

Among the other matters considered was a brief resume by President Gompers on his observations regarding labor conditions abroad.

A telegram was received from the third annual convention of the West Virginia Federation of Labor now in session in Charleston, expressing the hope that the efforts of the federation in behalf of preservation of the right of free speech and free press may be crowned with success.

It was decided that an appeal for financial assistance in behalf of the cage earners now on strike in Sweden should be made to all organized labor.

BERLIN LITERARY MEN CONDEMN SPAIN'S COURSE

BERLIN, Oct. 19.—The Berlin branch of the Goethe league, which is composed of leading literary and university men, this evening adopted resolutions declaring that Prof. Francisco Ferrer's execution was a murder committed under the forms of law and an insult to European civilization.

Women, chiefly Socialists, held a rage indignation meeting tonight. The police had to close the doors to prevent the overcrowding of the building. Resolutions adopted declare that the execution of Ferrer was "murder masquerading in the cloak of justice."

Anarchists to the number of 1,000 also met to protest "against the murder of our comrade, Ferrer."

The police maintained a close watch at the meeting, but did not interfere.

The resolutions of the Goethe league which were published are signed by Ludwig Fulda and Herman Sudermann, the playwrights.

After the women's meeting a huge crowd gathered in the streets adjacent to the hall, which as the meeting dispersed, began demonstrations. There were shouts of "Hurrah for Ferrer," and "Down with the priests."

The mounted police finally rode into the crowd and dispersed it, arresting 14 persons.

GREAT PROTEST MEETING HELD IN CARNEGIE HALL

New York, Oct. 19.—Five thousand men and women met tonight in Carnegie hall and condemned King Alfonso and the others whom they hold responsible for the death of Francisco Ferrer.

"The report of that shot will shake down every throne in Christendom," declared Charles Edward Russell, magazine writer and chairman of the meeting.

Resolutions were adopted declaring "in the light of all known facts, Ferrer's life was taken because of his unselfish devotion to the work of education and enlightenment."

"We denounce the murder of Ferrer," the resolutions continued, "and we trust that his memory will stimulate our Spanish brothers to increased efforts to overthrow oppression.

"We further feel deep humiliation at our government's maintenance of diplomatic relations with the Russian and Spanish governments, which have alike proved themselves outside of civilization."

NERVOUS WOMEN

Need Just This Tonic Treatment to Build Them Up.

The first thing to do when threatened with nervous trouble is to stop the cause of it, if possible, whether it is irregular living, worry, or whatever it may be. Then the nerves must be given special nourishment and the blood must be kept pure and rich. This is the mission of Dr. Williams' Pink Pills and this is why the pills have been used with such great success in nervous troubles that did not yield to ordinary methods of treatment.

These pills are a tonic for both men and women but are especially adapted for girls and women of all ages, and give just the aid required to bring back health and strength to the nervous and exhausted as is shown by the experience of Mrs. R. P. Taylor, of Oakland, Kans. She says:

"I am glad to recommend Dr. Williams' Pink Pills to weak and nervous women, because they build and tone up the whole system and give lasting benefit. Some years ago I had nervous debility and seemed to be on the verge of a collapse. I was all broken down. My heart beat so fast at times that it would frighten me. I had smothering sensations and felt as though I was going to faint. These spells came on me frequently. My stomach was affected. I did not enjoy my meals but had to force the food down. I often had severe nervous headaches which made me dizzy. I was greatly reduced in weight.

"The doctors pronounced my trouble weakness and nervous debility. He would help me for a while and I would think I was getting better but as soon as I quit taking his medicine I would become as bad as ever. I had been sick for over two years, before I decided to try Dr. Williams' Pink Pills. A few boxes proved to me that the pills were helping me and I used them until entirely cured. I occasionally take the pills now as a tonic and always find immediate relief."

Dr. Williams' Pink Pills contain the elements necessary to make new blood and, as the nerves get their nourishment from the blood, have been found invaluable in a wide range of diseases of the blood and nerves, such as rheumatism, after-effects of the grip and fevers, neuralgia, nervous debility, St. Vitus' dance and even partial paralysis and locomotor ataxia.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for $2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

COL. GOETHALS ENDORSES WORK ON NECAXA DAM

San Antonio, Tex., Oct. 20.—Col. G. W. Goethals, chief engineer of the Panama canal, having completed his inspection of the Necaxa dam, at the City of Mexico, has heartily endorsed the methods that are being pursued.

G. W. Caldwell, assistant chief engineer of the dam, who is in San Antonio on his way to California, said that Col. Goethals was afforded every opportunity to examine the work in detail.

When he had completed his inspection, Col. Goethals, said:

"I do not see how your methods could be improved. To me they seem perfect and I now feel certain we are constructing the Gatun dam right, because it is being constructed along the same lines as this."

Recently there was a slip of material in the partially constructed Necaxa and Col. Goethals traveled from Panama to Mexico to ascertain the cause. He made certain it was not due to an engineering mistake, and seemed satisfied that this method of building a dam by sluicing would be successful in the construction of the Gatun dam also.

MRS. EDISON RECOVERS HER LONG LOST RING

New York, Oct. 20.—Mrs. Thomas Edison, wife of the inventor, proudly exhibited to her friends yesterday a handsome diamond ring, valued at $1,100 which she lost six years ago and has just recovered. Coincident with the return of the ring, a new employe takes up his duties in the Edison laboratories in Llewellyn park, in the person of Robert S. McCarthy of Orange, who, though out of work returned the ring to Mrs. Edison as soon as he found out that she owned it. McCarthy found the ring six years ago, but thought the stone was glass until he submitted it to a jeweler the other day. Then he began a search for the owner and was rewarded with a check and a job.

ARREST ON SUSPICION OF CUTTING WOMAN'S THROAT

Los Angeles, Oct. 20.—Robert Read, a barber was arrested here yesterday on suspicion of being the man who entered the room of Mrs. George Staehle Sunday night and cut her throat with a razor.

Reed, who is only 18 years old, was found wandering in the vicinity of Mrs. Staehle's home. He appeared as though in a trance and admitted that he was within a block of Mrs. Staehle's house Sunday night. He confessed that he had been in trouble in St. Joseph, Mo., Lincoln, Neb., and Cedar Rapids, Iowa. He will be examined by physicians today.

The police have taken into custody Mrs. Laura A. Sim, a young widow, and are holding her as the second suspect in the case of Mrs. Margaret Staehle.

Mrs. Sim has been held by the police since 9 o'clock yesterday morning.

Since Staehle was taken to the hospital Monday morning, Elsie, her daughter, who was in bed with her when her mother's throat was cut, has been at the home of Mrs. Sim. What evidence the police have against the woman is not known. She is a neighbor of the Staehle family and when the daughter first discovered her mother's condition she ran to the Sim house and found Mrs. Sim there fully dressed. Mrs. Sim accompanied her home and did what she could to aid the injured woman.

Mrs. Staehle is the wife of a brewery employe. She is young and attractive. While she slept with her daughter Sunday at midnight an unknown person entered her room and cut her throat from ear to ear with a white handled razor. The woman is now in a hospital. It is said she has a fair chance of recovery.

MRS. JOHN H. JONES DEAD.

Los Angeles, Oct. 20.—Mrs. John H. Jones, philanthropist and California pioneer, died last night at her home, after a short illness.

Besides her wide reputation as philanthropist, Mrs. Jones was well known as a capitalist and business woman who managed her large holdings with rare judgment. She leaves an estate estimated at $4,000,000.

Mrs. Jones came to Los Angeles in 1856, the fourth woman of Anglo-Saxon lineage to settle in the Pueblo. She was Miss Carrie Otis of Massachusetts, and a descendant of a celebrated family of patriots. Numerous sons and daughters will share the large estate.
