In the fall of 1892 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter County, California, was taken with a very heavy cold. The family in the house were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very severe cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy. Chas. M. Gatlord of Reedley, Fresno County, California." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs. For sale by druggists.

Has to Cure Rheumatism.

ALBANY, Linn County, Oregon, November 10, 1894.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint but found no relief until she used this Pain Balm, one bottle of which has entirely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Buchanan. 50 cents and $1.00 bottles for sale by druggists.
