Sacrificed to Blood Poison.

Those who have never had Blood Poison can not know what a desperate condition it can produce. This terrible disease which the doctors are totally unable to cure, is communicated from one generation to another, inflicting its taint upon countless innocent ones.

[illegible]

Of the many blood remedies, S. S. S. is the only one which can reach deep-seated, violent cases. It never fails to cure perfectly and permanently the most desperate cases which are beyond the reach of other remedies.

S.S.S. For The Blood

is purely vegetable, and is the only blood remedy guaranteed to contain no mercury, potash, or other mineral.

READY FOR A HAT?

The hat stock is at its best right now—we wish you'd come and see it—there's not a style missing from the lot. Got a splendid hat this year for a dollar—got a better one for a dollar and a half—and got a dandy for two dollars and a half—its our popular price hat—the hat we stake our hat reputation on—all the popular shapes and colors—and made up so it'll hold its shape as long as there's any hat left. We've hats for $3.50, and we've the Knox hat for $5.00. We've boys' hats, too—and caps.

ONE PRICE. J. P. Gardner,
