GENEALOGICAL.

To Latter-day Saints who are interested in Genealogical Matters:

By and with the consent of the proper authorities, I have concluded to go to the Eastern States during the present winter, to obtain the genealogies of such Saints as are from thence who might desire to employ me. To this my present intention I am partly induced myself with hope that it will enable me to procure genealogies with a much greater facility than I can in procuring them at a number of places at the same time, the expense will be but a very small portion of what it will cost each family separately. This is the opportunity for the Saints from New England, New York, New Jersey, Pennsylvania or Delaware, or Saints whose ancestors were natives of those States, to procure genealogies at a small cost. A circular stating terms, will be sent on application.
