LOCAL BRIEFS.

The Carpenters' union will give a ball tonight, in Federation hall.

Col. E. A. Wall will himself bear the expense of the regrading to be made in front of the Ladies' Literary club on Third East street.

The department payrolls of the city for the last half of April, amounting to $8,962.37, are being paid today by the city treasurer.

Special Deputy Auditor E. A. Box, recently appointed by State Auditor Edwards, has entered upon the duties of his office. He makes periodical visits to the various counties of the state, and checks up the accounts of the auditors and treasurers.

Emma Sinty was examined as to her sanity yesterday afternoon before Judge Armstrong by County Physician Whitney and Dr. Osterman, and was discharged, as it was found that she is simply an imbecile and not suffering from insanity.

Brgham Jones of Third street was driving across the streetcar tracks near Twelfth South and Third East streets, when he collided with a streetcar, and was knocked from the seat onto the ground, fracturing his knee cap. He was helped home, and Dr. J. S. Richards attended him.

Commissioners Stanford, Wilson and Madsen of Weber county, spent the day in this city yesterday as the guests of the Salt Lake county commissioners. They were taken on a short trip out in the county to inspect the roads, but could not secure much valuable information on roads and bridges on account of the storm.

County Attorney Christensen has issued a complaint against George Zorich charging him with assault with a deadly weapon with intent to do bodily harm. It is alleged that Zorich made an assault upon Frank Veckelich with a rock. The offense was committed at Bingham, and the defendant will be given a preliminary hearing there before Justice of the Peace Lee.

Deputy Sheriff Sharp arrested C. E. Leonard yesterday afternoon upon a serious charge made against him by Miss Laura Williams of Sunnyside, who claims that he is the father of her child, which is now four days old. Leonard has a wife and child in this city. He is a cook by occupation, but recently has been working in various gambling houses on Commercial street.

The option which the First Methodist church held on the southeast corner of Second East and Second South streets was closed last evening by the building committee of the church, and the property which was owned by Thomas Weir was transferred for $13,500. The lot has a north frontage of 82½ feet and a west frontage of 142 feet. The congregation is privileged to remain in the old church 90 days, and after that time until the completion of the new edifice, some hall will be rented.

The local resident graduates and former students from the University of Pennsylvania will hold a reunion in this city, May 13 next, at the University club. Lantern slides showing the buildings of the institution as they are now will be sent here from Philadelphia, and conditions now existing there will be described. Some member of the faculty is expected to be present at the reunion. There are quite a number of U. of P. men in this city, including General Manager Joseph Lippman of the Tribune of the class of '75.

The State Council of Knights of Columbus held in this city yesterday, included representatives from Utah, Idaho and Nevada, and chose these officers last night for the ensuing year: State deputy, George Jay Gibson, Salt Lake; state secretary, Abbot Maginnis, Ogden; state treasurer, John B. Corgriff, Salt Lake City; state advocate, W. L. Maginnis, Ogden; state warden, Richard J. Hogan, Pocatello; state chaplain, Rev. C. Vander Donckt, Pocatello; alternate to state deputy, Joss B. Hawley, Boise.

At last night's meeting of the Retail Butchers and Grocers' association complaint was made about alleged unfair discounts made by jobbers to favored individuals, some discounts running as high as 20 per cent. The association had also a grievance against unlicensed pedlers who, it was charged, are selling decayed fruit to the detriment of the public health. It was also claimed that light weight loaves are being sold in the city bake shops, so that in many cases loaves supposed to contain 16 ounces of dough only contain 12 ounces. The association will give a ball on the 9th inst.

SWITCHMAN DIES IN COUNTY JAIL.

Man Thought to be Insane Passes Away While Awaiting Examination.

ANEMIA CAUSES HIS DEATH.

Had Been Afflicted for Two Years but Was Not Regarded as Dangerously Ill.

While confined in the county jail awaiting an examination as to his sanity, Benjamin Kilpatrick, a switchman, 40 years of age, died yesterday afternoon shortly after 5 o'clock. Mr. Kilpatrick was taken to the jail by Deputy Sheriff Booth at about 1 o'clock in the afternoon, and the deputy said that he was able to walk from the house to the carriage, but when he reached the jail he became suddenly worse, and County Physician Whitney was called, but could not save his life.

The deceased was residing with his brother-in-law, David Vance, at 423 south Fifth West street, and had been suffering from anemia for several months past. He had been in the hospital last year, and had been under the care of a physician at intervals for nearly two years. Mrs. Vance had nursed him for several weeks, but he became so delirious that she feared violence towards herself and child. Yesterday Mrs. Seevers, another sister of the deceased, called to see him, and she and her brother-in-law decided that it would be best to have him examined as to his sanity, so a complaint was issued against him, charging insanity and he was removed to the county jail. Both his sister and brother-in-law said that they had no idea that he was dangerously ill.

County Physician Whitney said that Mr. Kilpatrick was under his care for some time, but nothing could be done for him, so he advised him to go to California, which the man decided to do, as soon as arrangements could be made. The deceased has two divorced wives and six children. His remains are at the undertaking parlors of S. D. Evans, but arrangements for the funeral have not been made as yet.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by all druggists.

TRACK MEET AT OGDEN.

L. D. S. U., B. Y. College and Weber Academy Next Saturday.

The L. D. S. University Athletic association will take an excursion to Ogden next Saturday morning over the Denver & Rio Grande, for the purpose of a track meet with the B. Y. college of Logan and a baseball meet with the Weber Stake academy of Ogden. The train will leave Salt Lake at 9 o'clock and will return the same evening. The B. Y. C. track team is in fine shape and will meet the track team of the L. D. S. U., which is also in good condition, with about even chances, it is thought, for victory. The baseball teams of the W. S. A. and L. D. S. U. are also considered about evenly matched and a good game is expected. The meets will take place in the afternoon in Lester park. A large number expect to go from this city on the excursion.

PRAISE FOR CHIDESTER.

Wounded Deputy Sheriff Remembered By Fellow Officers.

Deputy Sheriff Lafayette Chidester, who had the misfortune to lose a leg recently because of a wound received while attempting to quell a riot among some Austrians at Bingham several weeks ago, was presented with a substantial token of esteem today consisting of a purse containing about $100 in cash with the compliments of Sheriff Emery and his force of clerks and deputies, including the deputies in the outside districts in the county.

Mr. Chidester has been in the hospital for more than a month and it was thought for a time that his limb could be saved but his condition became so serious that amputation was necessary in order to save his life. Ever since the operation he has been improving and in a few weeks will be entirely recovered.

He was considered a very efficient and faithful deputy and his associates on the sheriff's force extend their deepest sympathy to him and took this manner of expressing in part their feelings towards him. Mr. Chidester greatly appreciated the action taken and accepted the token in the same spirit in which it was given.

Burnett's Vanilla Extract has outlived criticism. It is the finest and best vanilla extract that can be bought. Use it.

BRIDEWELL CHOSEN.

Succeeds the Late Wm. Pinney as Superintendent of School Buildings

To succeed superintendent of buildings, William Pinney, whose death occurred two months ago, the board of education last night appointed George M. Bridwell. The appointment was made by the board acting as a committee of the whole, and the report was signed by all members who were present. Mr. Pinney was an architect and a man specially qualified to fill the position he occupied, and while his successor has not this qualification, it was decided by the board that the time of one man could easily be taken up in caring for the 27 buildings of the city school system, and that in emergencies calling for the services of an architect, a temporary employe could be secured. Mr. Bridwell is a head janitor, and has had considerable experience in caring for buildings, and in managing a force of working janitors. His salary will be $1,500 a year.

A bill for $375 submitted for a piano used at the Union school was referred to the committee on buildings and grounds.

A list of 50 applications for appointment as teachers was referred to the committee on teachers and school work.

A recommendation to rent the Salt Lake Theater for High school graduation exercises on June 1, 2 and 3, was approved for $150.

The finance committee reported expenditures for the past month aggregating $30,987.20 of which $26,005 was for teachers' pay roll, and $1,749 for janitors' pay roll to April 30.
