## RATES OF POSTAGE.

All domestic mail matter must be *prepaid* by postage stamps. There is no franking privilege, and no "free" mail matter except newspapers (one copy each) sent by subscribers within the county where published, and not delivered through letter-carrier offices. All letters received in the office with stamps cut from stamped envelopes, or with such postage-stamps as were in use prior to 1861, or with revenue stamps on them, are treated as "unmailable," and sent to the Dead-Letter Office. Departmental postage is prepaid by special stamps, prepaid and furnished by the Post-Office Department. *Letters deposited in city lamp-post boxes must have the requisite number of stamps before placing them therein. Depositing money in the boxes does not insure their being prepaid.* Newspapers are not taken at city lamp-post boxes. A letter on which *one full rate* of postage is prepaid, but on which further postage is chargeable, will be forwarded, when deposited in a post-office, and the deficient postage at single rates collected on delivery. If the postage is left *wholly* unpaid, or is prepaid less than one full rate, it will be "held for postage" and sent to the Dead-Letter Office. Should it reach its destination by inadvertence, however, it will be charged with *double postage* on delivery, with allowance of any amount less than one full rate which has been prepaid thereon. "One full rate" means, in the case of mail letters, *three cents*. All matter *other* than letters, must be *fully* prepaid, or it will not be forwarded except possibly by inadvertence, in which case *double postage* will be collected on its delivery. The following are the rates payable on the different classes of domestic mail matter:

FIRST CLASS.

On letters, sealed packages, mail matter wholly or partly in writing (except *book* manuscripts and corrected proof-sheets passing between authors and publishers, and except local or "drop" letters); on all printed matter so marked as to convey any other or further information than is conveyed by the original print [except the correction of typographical errors]; on all matter not otherwise chargeable with letter postage, but which is so wrapped or secured that it can not be conveniently examined by postmasters without destroying the wrapper or envelope; on all newspapers, magazines, and periodicals sent from publishers to subscribers and enclosing *any article whatever* except *bona fide* supplements or bills and receipts for subscriptions; and on all packages of matter not in itself chargeable with letter postage; but in which is inclosed or concealed any letter or other thing chargeable with letter postage, 3 cents *for each* half-ounce or fraction thereof, weight of packages limited to *four pounds*. On local or "drop" letters, at offices where free delivery by carriers is established, 2 cents for each half ounce or fraction thereof, weight of packages limited to *four pounds*. On local or "drop" letters, at offices where free delivery by carriers is *not* established, 1 cent per half-ounce or fraction thereof, weight of packages limited to *four pounds*.

SECOND CLASS.

On newspapers sent to regular subscribers from a known office of publication, or by newsdealers to other newsdealers, 2 cents per pound. On *magazines and periodicals* sent to regular subscribers from a known office of publication, or by newsdealers to other newsdealers, 3 cents per pound. These rates are payable by the publisher or newsdealer at *the office of mailing*, and at the time the matter is deposited in the postoffice. Postage on printed matter to Canada and other British North-American Provinces, can be prepaid only to the boundary-line—the rates being the same as on domestic matter of the same kind.

THIRD CLASS.

[Packages of mailable matter of this class must be prepaid by stamps, and must not exceed the weight prescribed by law [which is *four pounds*]; and any package exceeding that weight will be excluded as unmailable.] On books, pamphlets, occasional publications, transient newspapers, magazines and periodicals; hand-bills, posters, sheet music, unsealed circulars, prospectuses, *book* manuscripts, and proof-sheets; cards, maps, lithographs, prints, chromo-lithographs and engravings; seeds, cuttings, bulbs, roots, and scions; flexible patterns; samples of ores, metals, minerals, and merchandise; dry articles of merchandise (samples or not); sample cards, phonographic paper, letter envelopes, postal envelopes and wrappers, plain and ornamental paper, photographs, and all other articles for which other rates of postage are not prescribed in this table, and which are not by law excluded from the mails, 1 cent for each two ounces or fraction thereof, weight of packages limited to *four pounds*. On unsealed circulars, newspapers [whether transient or addressed to regular subscribers—excepting weekly papers, which may be mailed to subscribers on prepayment of postage at second class rates], and on periodicals not exceeding two ounces in weight, when any of the same are *deposited in a letter-carrier office* for delivery by the office or its carriers, 1 cent each. On periodicals exceeding two ounces in weight, when *deposited in a letter carrier office* for delivery by the office or its carriers 2 cents each.

POSTAL CARDS

may be procured at any post-office, at a cost of 1 cent each. The message, etc., must be always written on the *back* of the card. If anything but the address is written on the *face*, letter postage must be paid by stamps, or the card will not be forwarded. Nothing whatever must be *attached* to the card. Postal cards will be *forwarded* from one office to another, in case of removal of the person addressed, but will in no case be returned to writer, nor sent to Dead-Letter Office, nor advertised.

DOMESTIC MONEY ORDERS

are issued at any money order post-office in the United States, payable at any other money-order post-office, in sum of not more than fifty dollars. Larger amounts can be sent to the same person by additional orders.

UNCLAIMED LETTERS.

All letters remaining uncalled for thirty days in a post office after being advertised are sent to the Dead-Letter Office, except letters bearing a request to return to the writer if not called for within a specified time, and letters bearing the name and address of the writer on the outside. Such letters are returned direct to the writers without advertising. The use of "request" envelopes is recommended to the public.

FORWARDING LETTERS FREE.

Prepaid and free letters are forwarded from one postoffice to another, at the request of the person addressed, without additional postage. But a letter which has been once delivered to an authorized person can not be remailed to a new address without the prepayment of additional postage. Drop-letters, when forwarded by mail to another post-office, must be prepaid at 3 cents per half-ounce. No mail matter, except letters or postal cards can be forwarded to a new address except on prepayment of postage by stamps at regular rates.

REGISTERED LETTERS.

Letters can be registered to any part of the United States and Territories on payment of a registration fee of 8 cents; to Great Britain, Ireland, Germany, Prussia, Switzerland, Holland, West-Indies, and Panama, on the payment of a fee of 10 cents; to Canada, Nova Scotia, New Brunswick and Prince Edward's Island, on payment of a fee of 5 cents; and to the remaining countries of Europe, and certain ports and cities of Asia and Africa, on payment of fees varying from 8 to 17 cents. All registration fees must be paid by stamps. The postage on all registered letters must also be prepaid in full by stamps. The mails are desired by the post-office not to send money or valuable articles in unregistered letters. Postmasters at all post-offices are obliged to register letters and packages when requested to do so.

FOREIGN POSTAGE.

For letters not over half an ounce to Austria, 8 cents; Belgium, 6 cents; Canada, 3 cents; France, 9 cents; Germany, 6 cents; Great Britain, 6 cents; Italy, 10 cents; Netherlands, 6 cents; Russia, 10 cents; Spain, 12 cents; Sweden, 10 cents; Switzerland, 10 cents.
