HOUSE.

After the House was called to order, the roll was called, a quorum present.

Prayer by the chaplain.

Minutes of yesterday's session read, amended and approved.

A Council message announced that that body had amended the resolution providing for the procuring of newspapers, etc., by confining the resolution to newspapers published within the Territory and diminishing the number to three each. House concurred in the amendments.

A communication from the Territorial Treasurer was read, stating that that officer had in his possession of the property of the Territory: One fire-proof safe, a desk, an inkstand, 16 Froiseth's new maps of Utah; one ditto for use of office, and one blank receipt book. Accepted.

A communication from Secretary Thomas was then read representing that as he had distributed so freely of the copies in his possession of the laws passed during the session of 1880, he was unable to supply the members with the same.

On motion of Mr. Jaques, the privilege of the House was extended to Senators and Delegates to Congress, Federal officers of the Territory, commanding officers of Forts Douglas and Cameron, the Mayor and Councilmen of Salt Lake City, Probate Judge and Selectmen of Salt Lake County, Regents and Faculty of the University of Deseret, Superintendent of District Schools of Salt Lake County, and Territorial Surveyor.

Mr. Dusenberry requested that Mr. Jaques withdraw the motion for a few minutes to hear the report of the committee appointed to draft rules. Assented to.

A message from the Council announced the concurrence of that body with the House resolution to provide two copies for each assembly, of the Statutes at large of the United States.

The committee on rules begged leave to report their adoption of the following.

Mr. Dusenberry moved the adoption of the report, whereupon

Mr. Stout objected as the rules were too important to pass over hurriedly without more consideration. Moved that fifty copies be printed for the use of the House.

Mr. Dusenberry amended his former motion by adding that the rules be put upon their passage.

Mr. Stout suggested that the proper motion should have been to accept the report of the committee, but Mr. Dusenberry deemed their adoption sufficient, as the acceptance of the report would prevent the approval or disapproval of the House, thereafter.

The original motion to accept of the labors of the committee was put and carried.

Mr. Stout again recommended the printing of 50 copies of the rules, whereupon

Mr. Hatch moved the adoption of the rules so far as the appointment of standing committees was concerned, also that they be put upon their second reading in order that they may be critically considered before passing to the printer.

Mr. Farr suggested that each member have a printed copy for inspection and was in favor of having the rules printed.

Mr. Booth was in favor of Mr. Hatch's amendment, that the rules pass to their second reading, and that the House adopt those rules pertaining to the appointment of standing committees.

Mr. Smith stated that the House should not adopt the rules before knowing whether any more were needed.

Mr. Peery was not prepared to vote on their adoption.

Mr. Stout thought the Speaker could proceed to appoint the standing committees without the adoption of the rules in question.

Mr. Jaques: As a two-thirds vote is necessary to rescind any rule, their adoption should be with great care.

The motion of Mr. Hatch, that rule twenty-eight be adopted, when put, was lost.

On motion of Mr. Stout it was decided to have fifty copies of rules printed.

A communication from the Council announced the adoption by that body of a resolution offered by Mr. Wells, to have one hundred copies of the daily minutes, and two hundred copies of the names and residences of officers and members, with the standing committees of each House, printed for the use of the Assembly. House concurred.

On motion of House adjourned until 10 a.m. Prayer by the Chaplain.

"I have given St. Jacobs Oil a trial on sores and fresh wounds of horses, and find it to relieve the soreness in a few hours. I deem it valuable to all owners of horses,"—says Mike Goodin, Esq., of the Belmont Driving Park, Montgomery Co., Pa.
