# THE SEMI-WEEKLY NEWS

The Great Country Paper of the West.

Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

## LOCAL BRIEFS.

**Board Meets Tonight**—A meeting will be held this evening of the board of directors of the Commercial club, at the organization's office rooms.

**Faculty "At Home"**—Cards have been issued by the faculty of the Gorden academy announcing that an "at home" will be given by the faculty at 306 East Third South street, Friday, Sept. 13, from 8 to 11 o'clock.

**County Medicos Meet**—The Salt Lake County Medical association held a meeting last evening at the Commercial club rooms. The reading of papers on typhoid constituted the principal part of the exercises. It was the first meeting of the fall season, and matters of routine business were acted upon.

**Nominees Are Named**—A mass meeting to organize a citizens' ticket for the coming election, was held in Forest Dale yesterday evening. S. H. Love acted as chairman, and F. W. Cope as secretary. The nominees for the trustees were as follows: George B. Woolley, trustee and president; Milton Bennion, Francis W. Cope, George J. Silver and Theodore Tobias as trustees.

**Newhouse Rock Arrives**—Stone to be used in the Newhouse buildings is beginning to arrive, the first car load having been unloaded yesterday. Other consignments are on the way, and will be piled in the vicinity of the excavations for the proposed structures. The material is Indiana limestone. Shipments of steel for the skyscrapers are expected in the near future, and the work of construction will be rushed with all possible speed.

**Salt Lake Always**—Fred W. Little, real estate dealer, is home from a trip through the northwest. He spent some time in Seattle. While the northwest is booming, he found no city in that portion of the United States that looked so good to him as Salt Lake does. "Why," he said, "Seattle with a population of 260,000 is boasting of a $6,000,000-total bank deposit; Salt Lake with a population of approximately 90,000, has a $2,000,000 bank deposit."

**School Board Suspicious**—Is a Bible class a "frat," under the guise of Bible class? Since all exclusive organizations were ordered out of the High school numerous schemes have been concocted—and nipped in the bud. The latest to reach the ears of the board is that the students have organized a "Bible" class to meet at the Y. M. C. A., but really intended as a "frat." Oscar Cox of the Y. M. C. A. says this suspicion is just. The thing is to be probed to the bottom and action taken according to the results of investigation.

**Smoke Started Suits**—Frank B. Stephens is home from a trip to the coast more pleased with Salt Lake than ever before. "We do not know how really fast Salt Lake is growing. Tourists with whom I talked on the train said they could see big changes with each succeeding visit to Salt Lake. California is bare and brown at this time of year, greatly different from our green valleys and meadows. The work of cleaning out the crooked officials in city offices is going on at a merry clip. The story goes that Rudolph Spreckles became angry at the company because smoke from one of the company's stacks flooded his office and in looking around for something to get revenge stumbeld upon evidence which lead to numerous discoveries. Heney was put to work and the campaign is still on.

**Zion's Savings Bank & Trust Co.**
**Pays 4 per cent on deposits, safety deposit boxes for rent.**
JOSEPH F. SMITH, Prest.
O. C. BEEBE, Cashier.

## LOW DEATH RATE.

**Record for Salt Lake During August Was .96 Per 1,000.**

Salt Lake's death rate for the month of August was .96 for every 1,000 of population. This is a low rate comparatively and shows excellent local conditions. During the month there were 82 deaths and 142 births. Of the births 70 were males and 72 were females.

The cause of death, classified according to the Bertillion system of classification shows the deaths to have resulted from the following general causes: General disease, 16; diseases of the nervous system, 12; diseases of the circulatory apparatus, 8; diseases of the respiratory system, 4; diseases of the digestive system, 28; diseases of the genito-urinary system, 4; the puerperal state, 2; diseases of the skin, none; malformations, 2; early infancy, 5; old age, 4; external causes, 1; ill-defined diseases, 1.

The report on contagious and infectious diseases for the month shows 3 cases of smallpox, 15 cases of scarlet fever, 7 cases of diphtheria, 4 cases of measles, 1 case of whooping cough, 19 cases of typhoid fever, 2 cases of chickenpox and 1 of pneumonia. The total number of cases is 52.

During the month 19,366 pounds of foodstuffs were condemned by the city food inspector. The sanitary inspector investigated 142 complaints.

**ATTACK OF DIARRHOEA CURED BY ONE DOSE OF CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.**

I was so weak from an attack of diarrhoea that I could scarcely attend to my duties, when I took a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me entirely and I had been taking other medicine for nine days without relief. Heartily recommend this remedy as being the best of my knowledge for bowel complaints.—R. G. Stewart, of the firm of Stewart & Bro., Greenville, Ala. For sale by all druggists.

# CHOIRS TO SING AT STATE FAIR

### Salt Lake and Ogden Musical Organizations Will be Invited to Take Part.

### EACH ON A SEPARATE DAY.

**Held's Band of 25 Pieces Will be Engaged for the Entire Meeting —Judges Appointed.**

Preparations for the coming state fair go on without abatement. A meeting of the board of directors was held last evening, at which reports were made showing that the buildings on the fair grounds have been renovated, repaired and painted, the stalls, sheds, etc., fixed up in good condition and everything is being put in readiness for the opening of what promises to be the biggest event in the history of such affairs in these parts.

INVITE TABERNACLE CHOIRS.

The board instructed Secy. H. S. Ensign to invite the tabernacle choir to appear in a body on Salt Lake county day, and a similar invitation will be extended to the Ogden tabernacle choir for the day allotted to Weber county. Held's band, 25 pieces, will be engaged for the entire meeting.

There will be many free attractions at the fair this year, among them being the following: Adgie, the woman lion tamer; Rolfson, the magic wonder; Paine's Fire fighters; Abbott, the aeronaut.

JUDGES APPOINTED.

Judges for the cattle, horse and dog shows were last even chosen as follows: William Gentry, Archie Galbraith and James R. Cole, respectively.

**CHEERFULLY RECOMMENDED FOR RHEUMATISM.**

C. G. Higbee, Danville, Ills, writes, Dec. 2, 1903: "About two years ago I was laid up for four months with rheumatism. I tried Ballard's Snow Liniment, one bottle cured me.

I can cheerfully recommend it to all suffering from like affliction. 25c, 50c and $1.00. Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main St. B

## SCHOOLS ARE CROWDED.

**More Than 14,000 Pupils in Attendance Yesterday Morning.**

The attendance in the city schools continues to grow with each day. The report of Clerk L. P. Judd of the board of education shows 1,000 more pupils in attendance in the city schools this week than last. Yesterday morning there were 14,387 pupils in attendance at the city school.

In every school in the city there is an overcrowded condition, despite the efforts of the board officers to transfer pupils from one school to another and to hold double sessions in almost all of the schools.

**CROUP.**

Is a violent inflammation of the mucous membrane of the wind pipe, which sometimes extends to the larynx and bronchial tubes; and is one of the most dangerous diseases of children. It almost always comes on in the night. Give frequent small doses of Ballard's Horehound Syrup and apply Ballard's Snow Liniment externally to the throat. 25c, 50c and $1.00. Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main St. B

## With the Politicians.

CONVENTION DATES.

DEMOCRATIC—
Primaries—Sept. 12.
City Convention—Sept. 17.
Ward Conventions—Sept. 19.
AMERICAN—
Primaries—Sept. 16.
Ward Conventions—Sept. 18.
City Convention—Sept. 19?
REPUBLICAN—
Primaries—Sept. 24.
Ward Conventions—Sept. 27.
City Convention—Sept. 30.

Lest some wise man at political astronomy reach a hasty conclusion that the above arrangement furnishes a safe bet on anyone's leanings, it is hereby explained that the arrangement is in order of the dates selected. Look and see.

Interest in the fall campaign divides itself into interest in the councilmanic nominations and in the general tickets, of which there are to be three, with the largest question centering on the probable "American" party treatment of Bransford.

Democratic sentiment seems to have set so firmly in favor of R. P. Morris for mayor, that the discussion of other possibilities is not even being continued.

The "American" party is rapidly classifying itself into Bransfordites and "Big-Mit experts." Needless to say the "Big-Mit" contingent is seeking a man easier to advise. Bransford has already guaranteed that he will lack the support of the amalgamated saloon interests, and the Victoria alley contingent, on which the party has heretofore relied.

"I never knew two men could comprehend so little politics. I'm giving it to you straight—politics is a lost art to both the mayor and chief-of-police." This is the way a prominent "American" persuader signified that his support is not heartily behind the present chief executive, and that "one of the gang" is wanted to take the nomination this fall.

In explaining that they are heartily behind former Mayor Morris, the Democrats speak much of the alleged irony of political fate that placed the development of so many of his infant improvements in other hands, and argue that justice of his right to come back to the task of making them effective.

Councilman Mulvey is crying "enough" with the largest political voice in the council. He explains to his friends that he hasn't yet seen the derrick large enough to lift him back into the campaign, and that he has former Mayor Morris to thank for much valuable assistance to him in carrying out the Morris ideas on the conduit and the general water system. Mulvey is proud of his record in the waterworks department. It is the only phase of city government he will mention in favorable terms.

Jake Raleigh, in his effort to remain in office to the end of his term, is doing a great deal of explaining to his friends. He has enlisted Asst. City Atty. Dininny in his service, and Dininny is in turn explaining to the party leaders, who are anxious to probe him out of his position as the party's "prize false alarm" that Jake is doing really creditable work in the street department, and hasn't anything to be ashamed of in the results obtained.

There is one plank that seems to be stock cut, ready to fit any platform. It is the one on public improvements, for it seems from casual observation of the political outlook that the demand for a "big town" here was never so insistent, and that public improvements a large proportions will be forced upon whatever party is elected, regardless of which one it is.

**GENERAL ROBERT E. LEE.**

Was the greatest General the world has ever known. Ballard's Snow Liniment is the greatest Liniment. Quickly cures all pains. It is within the reach of all. T. H.
