PROVO, May 2.— Judge Blackburn yesterday sentenced James Van Gross, a colored saloon keeper of Hesper, to pay a fine of $50 and costs, and his bartender $25, for selling liquor on Sunday.

Jens Jensen was granted a divorce from Anna K. Jensen on the ground of desertion, and Mrs. Dillon, of Eureka, a divorce from John Dillon, on the grounds of drunkenness and cruelty.

Cases of the civil trial, equity and divorce calendars were set. The setting of criminal cases was postponed until the return of Judge Judd. Tale concluded the business of the February term of the First District Court.

After recess, the May term of the court convened, and petit jurors qualified.

The Joseph Tolliver murder case was called up, and on an affidavit being presented by his attorneys, Judge Henderson and LeGrand Young, to the effect that defendant could not safely go to trial on account of the absence and illness of several important witnesses, the case was continued to come up on the first day of the September term of court at Nephi. Mr. Varian was opposed to the continuance, and also stated that he did not consider it safe to go to trial at Nephi merely on the proclamation of the Governor for holding court at that place. It was his opinion that court could not legally be held at Nephi except by the passage of a law to that effect; however, that was a matter for the consideration of the incoming government attorney. Tolliver is charged with the murder of Charles Heger, by stabbing him at Browns' Park, Uintah county, on December 24th, 1891, Heger dying four days after the stabbing. Both men were under the influence of liquor at the time of the affray, and had quarreled. The indictment was returned December 28th, 1892. The majority of the witnesses reside in Colorado, and some of them say they will refuse to attend court any more on the case.

COUNTY COURT.

A session of the county court was held yesterday. The following items of business were transacted:

The matter of making certain improvements on the county road in Pleasant Grove was referred to Selectman Evans.

Mr. Arrowsmith was appointed constable for P. V. Junction.

The resignation of G. W. Shores as county physician was accepted and the application of S. H. Allen for the position was laid on the table.

The resignation of E. A. Wilson as county superintendent of schools, to take effect June 30th, was accepted.

On recommendation of Selectman Evans, it was ordered that the county road in Lehi be changed from Water street to Merchant street.

The probate judge was authorized to negotiate a loan of $3300 until some of the taxes are collected.

CITY COUNCIL.

The City Council, at last night's session, considered the following matters:

Blair & Co., holders of water works coupons of Provo city to the extent of $3,700, notified the council by telegram that there were no funds at the New York Chemical bank. The matter was referred to the committee on finance with authority to act.

The matter of opening First West street from Seventh street to First street was referred to the committee on streets and alleys.

The committee on waterworks recommended the non-allowance of the claims of Melinda Baum for chickens and turkeys drowned by waterworks, and of Jacob Baum for damages done by waterworks, on the grounds that Rhodes Brothers, the builders of the system, were the responsible parties. City Attorney Houtz stated that if damages had been done Provo city would be liable to the parties, as Rhodes Brothers were only the city's agents. They in turn would be liable to Provo city. On this statement the matter was referred back to the committee together with another similar claim.

Joseph T. McEwan was elected to fill the vacancy in the membership of the council from the Fifth Ward.

NOTES.

Mr. Emlee, Mrs. Moffat and Miss Moffat of Salt Lake City, rode down to Provo on Sunday on their cycles. They had a stormy trip, and the roads were not in the best of repair, but the cyclists were in excellent spirits when they arrived in Provo at about 8 o'clock in the evening. They stopped over two or three hours at American Park. The return trip was made on the delayed R. G. W. train.

The funeral services over the remains of John E. Hills were held yesterday at the M. E. church under the auspices of the P. O. S. of A.

The May festival at the Opera House last night, at which "The Lost Sister" and "Grandpa's Birthday" were presented, was a very pleasing event.

On Sunday afternoon while Prof. H. E. Giles and his wife were at church, a burglar entered their residence in the Fourth ward, and after scattering the contents of the bureau drawers on the floor, was scared off by the appearance of two little girls, who had been left in charge of the house. One of the girls, a niece of Mrs. Giles, about 13 years of age, hearing a noise in the bedroom opened the door. The fellow was on his knees examining the contents of a jewel case and seeing the girl he ran out of the back door into a shed, and stood there looking at the girl. By this means a good description of him was obtained and given to the officers. The fellow failed to find either money or jewelry.

To Mr. and Mrs. Thrall.

The Ladies' Society of the First Congregational church will given farewell reception to the Rev. and Mrs. Thrall at their church at the corner of First South and Fourth East Street, this evening, prior to the departure for the east of the ex-pastor and his wife. A short musical program will be rendered and brief speeches will be made by Governor Thomas, Mayor Baskin, ex-Mayor Scott, Judge Goodwin and others. Closing remarks will be made by the Rev. Mr. Thrall, after which refreshments will be served in the parlors of the church by the ladies.

Greatly Surprised.

My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson, of C. J.
