To Be Hanged.

WESTCHESTER, Pa., 13.—Udderzook was refused a new trial to-day, and sentenced to be hanged.

Bank Statement.

NEW YORK, 13.—Bank statement—loans increase $2,147,100, specie increase $1,160,900, deposits increase $8,038,900, legal tenders increase $2,846,600, circulation decrease $18,900.

Franco-American Press and Bazaine—Books and Papers Seized—Director at Large.

French papers in this city devote much space to the Bazaine trial. *Le Messagerie* approves the sentence of the Ex-of Bazaine, but thinks the commutation of the formal degradation from the ranks should not have been omitted. *Le Courrier des Etats Unis*, though believing the Marshal deserved a hard sentence, can respect the feeling of mercy which inspired the judges and which dictated the modification of the sentence; but it admits, at the same time, that if the sentence had been enforced in its full rigor there would have been no reason to dissent from the strict punishment it dictated.

Ashantee Land.

The *Herald's* London cable special says that advices from the Gold coast state that Sir Garnet Wolseley was on board the ship *Syren*, suffering from fever; he had been ill six days. The medical staff declared the attack was slight. The British authorities and native chiefs had determined to enlist carriers, laborers and police, and a law went into operation Nov. 16. The Ashantees have retreated 50 miles, a day's march beyond the Mahdu. All the skirmishes so far have served merely as exercises to the native allies, and until the white troops arrive nothing decisive will take place.

Wreck Abroad.

The steamship *Greece*, for Liverpool, while proceeding down Caernarvon Bay, in a fog this p. m., went ashore on the flats.

The books and papers of six or eight dry goods firms have been seized by the customs officers, on charges of fraud in the importation of handkerchiefs; suits have been entered against three of the firms, the others are under investigation. Between one hundred and two hundred thousand dollars are involved.

A London dispatch, dated the 12th, says that the ship *Arabia*, from Calcutta for Boston, foundered at sea in lat. 28 n., long. 63 w.; part of the crew were landed at Gravesend to-day; the remainder, thirteen in number were drowned while bailing.

Twenty Years in Prison.

William Doegan, jointly indicted with William Carroll, already convicted on a charge of robbing an Italian vessel in the harbor, gagging those on board, and wounding the captain by a pistol shot, was found guilty to-day, and sentenced to twenty years in the State prison.

Sudden Death.

CHICAGO, 13.—Major Robt. A. Kenzie, paymaster of the U. S. A., attached to the staff of Lieut. Gen. Sheridan, died suddenly about two o'clock this afternoon, at his residence in this city, of heart disease. Major Kenzie has served many years, and was universally esteemed. He was at his office yesterday afternoon in apparent good health.

New Judge Nelson Dead.

COOPERSTOWN, N. Y., 13.—Judge Nelson had been for some time past in good health and spirits. On Monday he complained of having a slight cold, and was confined to his room till Friday afternoon. He then came down stairs to tea, and spent the evening in his parlor. He came down to breakfast this morning at a quarter to eight, as was his custom, apparently in as good health as usual. While sitting in his chair, between one and two this afternoon, listening to the reading of a letter of Mrs. Nelson, he made an inquiry in regard to it, and then, without a word or a sigh, suddenly died.

Provided for the Hopeless Quadriacs.

BOSTON, 13.—The late Seth Adams left an estate valued at $1,700,000, and in his will provided for the establishment, near Boston, of a home for the treatment and accommodation of those afflicted with hypochondria, from which malady Adams suffered for years.

The Bender Gaught At Last.

COLUMBUS, O., 13.—The Bender family, charged with a number of murders in Kansas, were arrested at Bevingsville, Spartanburg Co., a few days ago. The father and mother are in custody, and the son and daughter, living in North Carolina, are being sought after. The family name is Webb.

Water Transportation.

WASHINGTON, 13.—The meeting of representatives, to-night, to consider the question of water transportation from the Mississippi valley, attended by fifty-five representatives. There was a free discussion between western and southern members, determining on government aid, but without definite action the meeting was adjourned at the call of the chair.

Five Millions for the Navy.

The Senate committee on appropriations will recommend five millions, the amount originally asked for, for the navy.

WEST INDIES.

Disapproval.

HAVANA, 13.—Last night several hundred men marched, cheering and shouting, to the Plaza de Armes, and gathering in front of the captain-general's palace, gave noisy expression to their dissatisfaction at the departure of the *Virginius* and their disapproval of the course of prominent persons who [illegible] Two Spaniards who [illegible] to pacify the mob were suddenly hustled about, and several shots were accidentally fired. The crowd lingered around the palace till midnight, when Captain-General Jovellar addressed them, and prevailed upon them to go to their houses.

CANADA.

KEMPVILLE, Ontario, 13.—William Magee was found dead in bed on Thursday, and his wife has been arrested on a charge of killing him.

WESTERN.

Wantsito be Forgiven.

[illegible] Rev. Father Chiniquy, who [illegible] apostacy from the Catholic faith caused such a sensation here, and who, [illegible] to lecture, expose Catholicism, and [illegible] to apostatize, has written a humble, abject letter to Archbishop Alemany, acknowledging his faults and sin, and praying to be taken back into the fold.

FRANCE.

HAVRE, 14.—The ship Cronon, which arrived on the eighth inst. from New Orleans with 1,400 bales of cotton, is burning.

Writes to McMahon.

PARIS, 13.—Bazaine has written a letter to President McMahon, in which he says: "You remember the days in which we served our country together. I feared the impulse of your heart would be overcome by State considerations. I should have died without a grief since the commendation of the court vindicated my honor." Lachaud, Bazaine's counsel, thanks Thiers for expressing the opinion that Bazaine was innocent of the charges upon which he was tried.

Last Night's Dispatches.

EASTERN.

The Reformed Episcopalians.

CHICAGO, 14.—Rev. Edward Cheney, of this city, lately chosen bishop of the Reformed Episcopal church, was consecrated to-day in Christ's church, Episcopal, of which he is rector; the church was crowded, and hundreds were unable to obtain admission. In addition to Bishop Cummins, the following presbyters of the Episcopal church participated in the service: Revs. Marshal, Smith, Mason and Galager of New Jersey, Rev. B. B. Leacock, and Rev. W. V. Feltwell of New York, and C. H. Tucker of Chicago. The services were in accordance with the formula arranged by the council of the reformed Episcopal Church lately held in New York, and were very impressive. Bishop Cummins preached a sermon based on the 3rd and 4th verses of the second chapter of the second epistle of Peter. It was an elaborate statement of the views of the Reformed Episcopal Church, of the character of the Episcopal office and of the power and authority conferred by the ordination to the ministry and the Episcopacy, and an argument for the views promulgated by the reformed Episcopal church.

Towed Off.

NEW YORK, 14.—The agent of the Stettin and Havre line received information yesterday that the steamer *Ernest Moritz Arndt*, which ran ashore on the island of Zealand, had been got off and towed into an English port.

Memorial Services.

Services in memory of the delegates to the Evangelical Alliance, who were lost on board the *Ville de Havre* were held this evening in Madison Square church; the church was densely packed. Short addresses were delivered by the Rev. Dr. Philip Schaff, Rev. J. Howard Crosby, Bishop Jones, and the verends Tyng, Murray and Prime. Dr. Adams stated that a collection would be taken up for the families of the deceased, and a committee consisting of the Rev. Drs. Crane and Schaff would be appointed to receive contributions during the week.

Done for the "Virginius."

The *Tribune's* special at Key West, 14th, says the *Despatch* sails with fourteen officers from the flag ship *Worcester* on board, and an extra crew of thirty-nine men from the *Pawnee*, to receive the *Virginius* and probably take her to a northern port. The *Despatch* will carry a full complement of officers, selected from the squadron, to take charge of the *Virginius*.

Naval officers here seem much dissatisfied at the way in which the Spaniards are carrying out the terms of the protocol, and think that proper respect has not been shown to this government in the stealthy departure of the *Virginius* from Havana and her surrender at an obscure port.

Do not Want to Increase Taxation.

WASHINGTON, 14. — There is a general indisposition among congressmen to increase taxation, and it will not be done without the necessity shown in the recommendation of the Secretary of the Treasury be discussed in the committee of ways and means to-morrow. Monday action is anticipated. The treasury department is sonewhat pressed for money, not only by the falling off of the revenues, but by the extraordinary appropriation of four or five million dollars for naval purposes, and the early approach of the redemption of the twenty million loan of 1858. Several prominent senators expressed surprise at the action of the House in devoting so much time to the debate on the salary question, when the country is looking for legislation to relieve the present financial embarrassments and to restore confidence in monetary affairs. The Senate is ready to enter upon legislation at once, and if possible to afford the necessary relief before the holidays.

Passed Quiet.

BOSTON, 14.—Professor Agassiz died this evening at five minutes past ten o'clock.

WEST INDIES.

At Bahia Honda.

HAVANA, 14.—The man of war *Isabella la Catolica* returned to this port yesterday. She left the *Virginius* in charge of a Spanish gunboat at Bahia Honda. The Spanish steamer *Bazin* has sailed from Santiago for Bahia Honda with the *Virginius* prisoners on board, and expected to arrive at the latter place to-morrow. It has been arranged that the *Virginius* and her surviving passengers and crew shall be delivered to the Americans at the same time in the port of Bahia Honda. Havana remains tranquil. Two battalions of volunteers are on duty for the preservation of order, and patrols have been established throughout the city. Last night the ringleaders of the demonstration on Friday night were arrested, and will be tried by court martial. Captain General Jovellar, in a speech to the volunteers to-day, declared that he knew that all good citizens sided with him, and would assist in putting down any disturbance.

FOREIGN.

GREAT BRITAIN.

Down of Fever.

LONDON, 14.—The steamer *Biafra* has arrived at Liverpool from the Gold coast; she reports that on two British vessels fifty-six men were down with the fever. The *Biafra* had seven deaths on board from typhoid fever.

FRANCE.

Elections.

PARIS, 14.—Elections were held [illegible] for members of the Assembly; partial returns indicate the election of radical candidates in the Aube, and two republicans in Finistere and Seine et Oise.
