LIST OF PREMIUMS

TO BE AWARDED BY THE

DESERET AGRICULTURAL AND MANUFACTURING SOCIETY,

AT THE

NINTH EXHIBITION, Oct. 4th & 5th,

IN

SALT LAKE CITY. 1869.

THE DESERET AGRICULTURAL AND MANUFACTURING SOCIETY will hold a TERRITORIAL FAIR in SALT LAKE CITY on the 4th and 5th of October, 1869, at the THIRTEENTH WARD ASSEMBLY ROOMS, and adjoining grounds, for an Exhibition of the Manufactures and Productions of Utah.

The attention of the Public is respectfully called to the following List of Premiums, consisting of a large amount in Cash, Gold and Silver Medals, Diplomas, and Life Membership in the Deseret Agricultural and Manufacturing Society, which will be awarded to Exhibitors of the best articles of Home Production, with the exception of the Premiums offered for Live Stock, which will be awarded to the best, whether native or imported.

Situated as this Territory is at the present time, it becomes her inhabitants to proceed with increased energy in the production and manufacture of all that is needful for their sustenance or comfort, that the impoverishing system of importing every description of goods and merchandise may be dispensed with at the earliest practicable moment; and an exhibition at this time of our manufactures and agricultural products and live stock cannot fail to be opportune and highly interesting.

We therefore cordially invite the co-operation of all—the Manufacturer, the Farmer, the Artisan and the Mechanic, the Horticulturist and the Florist from North to South and from East to West, to furnish specimens of all that they produce or raise that is desirable to have and to perpetuate, for the sustenance, welfare and happiness of the people and the adornment of their homes and Territory, that a healthful stimulus may be given to every branch of our industrial pursuits.
