THE EVENING NEWS.

Thursday, December 16, 1875

By Telegraph.

PER WESTERN UNION TELEGRAPH LINE.

Last Night's Dispatches

EASTERN.

Bills Introduced by California Members.

WASHINGTON, 15.—Sargent's bill for the San Francisco post office, is a duplicate of Pyper's, introduced in the House yesterday; they prepared it in consultation.

Luttrell, to-day, introduced bills, appropriating $50,000 for the improvement of Sacramento river, and $25,000 for the improvement of Feather river.

Resigned.

The resignation of Surveyor General Stratton has been placed in Senator Sargent's hands, to take effect January 11th. Sargent will recommend as his successor H. G. Rollins, who has so satisfactorily served as register of the San Francisco land office during the past six years.

The Whiskey Trials—Recognized.

A telegram was received at the Department of Justice to-day from U. S. Attorney Dyer at St. Louis, announcing that no more important trials in the whiskey cases would occur before January.

The President has recognized Alfred Channing Bagshawe as Vice Consul of her Britannic Majesty, at St. Louis.

Contradicted — The Babcock Court of Inquiry Dissolved.

The published report that the U. S. have submitted proposals to Great Britain, France and Germany, looking to an intervention in the Cuban question, is contradicted; it may positively be asserted that, even if this government should, in future, be inclined to such an intervention, it would do so without asking or desiring the co-operation of foreign powers.

The President has received the following—

"Chicago, Dec. 12.

"To the President, Washington.

"Sir—Since my request for a court of inquiry as the only apparent means open to me at the time of refuting the charges made against me at St. Louis, a bill of indictment has been found in the U. S. court and I shall consequently be afforded the means of vindication before that tribunal. I, therefore, respectfully suggest that the order convening a court of inquiry be revoked, as I trust that my case may be reached at an early day in the U. S. court.

"Very respectfully,
"Your obedient servant,
"O. E. BABCOCK,
"Col. of Engineers, U. S. A."

In accordance with the above, the following order has been issued—

"War Department, Adjt.-Genl's. Office, Washington 15.

"Special order No. 255, for a court of inquiry, appointed in a special order from this office, to assemble at Chicago, Ills., is hereby dissolved. The members and Judge Advocate will return to their stations.

"By order President U. S.
"E. D. TOWNSEND, Adjt.-Genl."

Denied.

Senator Morton has denied, as utterly false, the published statement that he was concerned with the whiskey ring in connection with the Indiana campaign fund of 1872.

Bishop Consecrated.

TROY, N. Y., 15.—The Rev. Jno. Henry Hobart Brown, S. T. D., of Cohoes, was consecrated Bishop of Fond Du Lac, Wis., in St. John's Church, this morning, with imposing ceremonies, Bishop Potter presiding. The sermon was preached by Bishop Wells, of Wisconsin.

Burned at Sea.

BOSTON, 15.—A dispatch received here states that the ship *Helen Norris*, of Boston, Captain Bursley, from Shields, for San Francisco, with coal, has been burned at sea; the Captain and twelve men landed at Valparaiso, November 28th.

WESTERN.

Threatened by Bandits.

SAN FRANCISCO, 15.—A dispatch from San Diego says that a letter has been received by a merchant in that city, from S. E. Gaskill, whose store at Campo was recently plundered by Mexican bandits, stating that the robbers assert their intention of attacking the place again with sufficient force to overcome all opposition. The letter urges a movement for their defence by citizens, little being hoped from the military authorities.

A Band of Brigands.

A dispatch from San Diego says, on reliable information, that the Mexican bandits who recently made an attack on Campo, are a portion of a band numbering upwards of sixty, composed of fugitives from justice of both Lower and Upper California, who intend to carry on a regular system of brigandage on the border.

FOREIGN.

GREAT BRITAIN.

Malays Routed.

LONDON, 15.—Sir Wm. Jarvis, governor of the Straits settlements, telegraphs from Penang on the 14th, that on the 7th eighty men of the 70th regiment and 125 auxiliaries, consisting of regular troops and police, attacked from four to eight hundred Malays, who were fortified behind a stockade within five miles of the Perak residency; after a sharp fight the attacking party charged the Malays, and routed them. From sixty to eighty of the enemy were killed and wounded, while only two of the British and six of the auxiliaries were killed and twenty-five wounded. The troops are now meeting with no resistance, and reinforcements are not required at present.

FRANCE.

Reported Resignation—More Senators Elected.

PARIS, 15.—It is currently reported that M. Leon Say, minister of finance, has resigned.

The following were elected senators to-day—Viscount De Lorgeril, deputy in the Assembly for the Cotes Du Nord, and the Count De Donhet, deputy for Fuy de Dome, both legitimists; Herve De Saisy, deputy for the Cotes Du Nord, Bonapartist; M. Guion, deputy for Indre-et-Loire, M. Lepetit, deputy for Vienne, M. Paul Muth, deputy for the Seine, M. Scherer, deputy for the Seine Et-Oise, M. De Tocqueville, deputy for the Manche, General Chabron Leteiller, and General Valase, deputy for the Seine Inferieure of the Left Centre. M. Carnot, M. Laafrey, deputy for the Bouches Du Rhone, M. Rainport, deputy for the Yonne, and M. Testiliu, deputy for the Nord, of the Left. M. Carbon, deputy for the Seine, M. Cremieux, deputy for Algiers, M. Littre, deputy for the Seine, and M. Schoeurchestner, deputy for the Seine, radicals. The Right Centre proposed to annul the elections of the foregoing because of the infraction of the rule requiring secrecy, but after a heated encounter between M. Buffet M. Gambetta, the proposal was rejected by a majority of thirteen.

Rocky Mountain Pills.

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys has resulted in the discovery, not only of many new varieties of plants, but of new species, some of which have wonderful medicinal curative properties. By continued experiment their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

In property used, they will cure nearly many diseases, none are so active and yet more especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, JAUNDICE, and all cases of FEVERS, COLDS, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING the BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash or postal order, I will send safely by mail, postpaid: 1 box Pills for 25 cents; 1 dozen boxes, $2.25; 1 gross boxes, $24.00.
