DESERET EVENING NEWS

ADVERTISE DURING CONFERENCE.

Parties now coming to reach the people of Utah and adjacent states in their home BEFORE CONFERENCE, should use the Semi-Weekly News. It is published Tuesdays and Fridays and circulates in EVERY SECTION OF THE WEST. During Conference an edition of the Semi-Weekly circulating the city means a sale of the DAILY PRICE, rendering that issue of special value to advertisers. It will be a busy meeting week, and merchants should make the most of it by spreading their wares before the public through the "News." Special terms to advertisers using both the Daily and Semi-Weekly.

ANNIVERSARY NUMBER.

The opening day of Conference April 6, 1899, being the 69th anniversary of the organization of the Church, the "News" will issue a special edition on that day with a handsome cover illustrated with views of the six Temples erected by the Church.
