THE AMOUNT REFUNDED.

The amount of the special taxes refunded, the treasurer reported, was $[illegible].

REINSTATEMENT OF TEACHERS.

Superintendent Milnaugh presented the names of eighty teachers now in the employ of the board, whom he recommended for re-employment. The report went on to state that the consolidation of schools by the erection of new buildings will result in the discharge or employment as grade teachers of some who have done good service as principals. The superintendent recommended that no teachers employed by the board be allowed to conduct private classes. He also recommended that Messrs. Kingsbury and Baxter be re-appointed as assistant examiners.

Pike thought it was rushing matters for the board to vote for the re-employment of teachers until it had time to examine the list, and proposed that that part of the report be laid over for one week.

Baldwin thought it was due to the teachers to let them know at once whether their services would be required next year or not.

Alf thought an appointment should take place till after the teachers had passed the necessary examination.

Superintendent Milnaugh said that those on the list had already passed the examination.

Newman wanted to wait till the superintendent was ready to hand in the full list of recommendations for teachers for next year.

Mr. Milnaugh read the names of sixty-five who had hitherto been employed as teachers and fifteen who were principals.

Baldwin moved that those whose names had been read be re-employed according to the recommendations of the superintendent. The motion was carried, Yeas 7, nays none. Newman not voting.

ASSISTANT EXAMINERS.

The board then elected unanimously by ballot the assistant examiners, Simon Baker and Kingsbury.

SCHOOL BUILDING REPAIRS.

The committee on sites and buildings reported that F. H. Schaper & Co. had done repairs on the Fifteenth school to the amount of $40, being about one-third of the repairs necessary, and the repairs, tackle, etc., before it could be put in the condition of the work can be done for a somewhat less price. The trustee with the gathering on the painting and floor question in this condition was that the gathering has been put on the wrong way. The committee asked that their action in employing Schaper & Co. to do the repairs be confirmed. Adopted.
