EASTERN.

Internal Revenue.

WASHINGTON, D. C., 31—The receipts from internal revenue in December were $28,012,983, being an increase of more than $500,000 over November; the total since the beginning of the fiscal year is $478,-261,760. The engineers' strike on the various railroads has delayed the arrival of mails to an extent that has seriously diminished the internal revenue statement for this month, though the certificates of deposit are *en route* to the department, and will show in the report for next month. The Secretary of the Treasury speaks more hopefully than heretofore of the condition of the Treasury, and expresses the belief that with a continued increase in the amount of the receipts, and a large reduction in the public expenditures, the necessity for additional taxation may be lessened.

Discharged.

BOSTON, 31.—In pursuance of orders from Washington a large number of workmen were discharged from the Charlestown navy yard to-night.

Extra Premiums—Indictment Quashed—Attended the Funeral—Decision Affecting Banks.

NEW York, 31.—The insurance companies have decided on charging an extra premium of one per cent. on all business houses in this city with wooden Mansard roofs, and on hotels and public buildings with such roofs one and a half per cent.

In the U. S. Circuit court to-day, Judge Benedict quashed the indictment in the case of J. W. Norton, charged with embezzling $18,-000 from the money order department of the post office, upon the ground that the counts did not amount to clearly specified charges.

This afternoon the crew of the *Virginius* marched in a body to the church of the Ascension, to attend the funeral of the child of Commander Braine.

The general term of the superior court, to-day, decided that where a party received a forged check or certification of a bank, and not on trust in the simple check, the bank so certifying is responsible for the amount.

Murder and Suicide.

NEW ALBANY, Ind., 31.—This morning John Parker, a carpenter, shot his wife through the head and blew his own brains out; Parker died instantly, his wife is still alive, but will not survive. It appears that Parker suspected the fidelity of his wife.

Bankrupts.

PROVIDENCE, 31.—The Atlantic Delaine Company will go into voluntary bankruptcy.

Engineer's Strike—Libel Suit by Mr. Hussey.

INDIANAPOLIS, 31.—The engineers' strike continues, and the men say they are bound to hold out; in the meantime, however, the railroads are procuring new engineers, and already claim that they can run all trains regularly.

Warren Hussey, president of the First National Bank at Salt Lake, to-day, filed a bill in the superior court, in a suit for libel against the Indianapolis *Journal* Co., claiming damages of one hundred thousand dollars. The alleged libel is set forth in a bill in the following editorial in the *Journal* of Oct. 8th last: "Mr. Warren Hussey, the president of the First National Bank of Salt Lake City, issues a manifesto asserting the solvency of that institution. A man of that name was arrested and tried here in 1856 or 1857, on a charge of counterfeiting and embezzlement, in the management of a wildcat concern in Boone County. He was shrewdly defended by Robert Walpole, since deceased, and by a technicality escaped going to the penitentiary. This may not be the same man, but an identity of names in such cases is very remarkable, especially when it happens to be so uncommon a name as Warren Hussey;" all of which Hussey denies in toto, asserting that no such thing happened in Boone or any other county in this State.

Fatal R. R. Accident.

The rear coach of the train due here at eight to-night, on the Cincinnati, Hamilton, & Indianapolis R. R., was thrown from the track by a broken rail, while crossing some trestle work near Broadsville; the coach went down ten feet and turned over. Mr. Chester and child, of Middleton, O., and John Lines, of Connersville, Ind., were killed, and eight or ten others injured, none seriously.

Consecrated.

ERIE, Pa., 31.—Rev. J. F. Spaulding, bishop elect to Colorado, Wyoming and New Mexico, was duly consecrated at St. Paul's church, of which he was rector. Bishop Kerfoot, of Pittsburg, read the consecration service, and Bishop Coxe, of Western New York, preached the sermon. The other bishops present were Bishop Talbot, of Indiana, Bishop McCoskey, of Michigan and Bishop Bedel, of Ohio, and about forty clergymen.

No Strike.

CHICAGO, 31.—All fears of a strike on the leading railroads in this city are dissipated by the decision of the managers of all but three of the roads not to reduce the pay of the engineers and firemen; the three roads holding to the reduction are the Pittsburg and Fort Wayne, and Great Eastern, on which the strike began, and still exists, and the Michigan Southern.

Big Fire.

BRIDGEPORT, Conn., 31.—The newly built hardware factory of Hotchkiss & Sons was burned to-night; loss heavy, insurance $100,-000.

Heavy Loss by Fire.

PITTSBURG, 31.—Hutchinson's steam pump works, and Williams & Co.'s printing press factory, both in one building, were burned to-night; loss heavy, and covered by insurance.

Life Threatened—Train Fired Into.

COLUMBUS.—The railway strike is looking worse, the yardmaster of the Piqua road was visited by a crowd of roughs this afternoon and his life threatened if he allowed more trains to go out; the police dispersed the crowd. The evening train for Cincinnati was fired into near the city by unknown parties. The situation appears more unfavorable than ever for settlement.

Another "Respectable" Defalcator.

BOSTON, 1.—The *Journal* has a special despatch from Concord, N. H., which states that an irregularity in connection with the National Savings Bank of Concord is announced, the treasurer, W. W. Storrs, having misappropriated sixty-five thousand dollars. On Friday last, while the trustees were looking over the notes and papers, the treasurer confessed a deficiency in his accounts of from fifty to seventy-five thousand dollars. This was the first intimation the officers had received. The treasurer states that for the past three years he has repeatedly loaned the funds of the bank to friends, who had become greatly embarrassed. His bondsmen were promptly notified of the defalcation, and have been in session every day since, examining into his affairs. His bonds are $125,-000, and his sureties, twenty-five in number, are all reliable and sound men. The bonds of Storrs secure depositors from all loss on his account. The institution has deposits amounting to one and three quarter million dollars. Storrs states that his position as cashier of the First National Bank, and Treasurer of the Savings Bank, enabled him to carry on an account unknown to any of the officials of either institution.

WESTERN.

Rain—Floods Feared.

SAN FRANCISCO, 1.—It has rained here incessantly since midnight last night, and still continues.

The new year holiday was generally observed.

Reports from various portions of the State show that the rainfall has been very generally distributed. There are fears of floods in the Sacramento and San Joaquin valleys.

FOREIGN.

GREAT BRITAIN.

The "Ville de Havre" Inquiry.

LONDON, 31.—The inquiry into the *Ville de Havre* disaster was continued; the evidence given was as to the lights displayed on the two vessels, and their position. Counsellor Button, on behalf of the owners of the *Loch Earn* cross-examined the witnesses, endeavoring to show that something was wrong on board the *Ville de Havre*. The latter is still unrepresented by counsel.

The seamen of the *Loch Earn* deposed that two French boats came alongside the English ship before the *Ville de Havre* sank, and that the Frenchmen came on board and remained and did not assist in the rescue of their comrades. One English sailor declared that he touched Captain Surmount, whose clothes were dry.

FRANCE.

Increased Taxation.

VERSAILLES, 31.—The Assembly to-day, voted for the raising of eighty million francs by additional taxation, and adjourned until January 8th.

SPAIN.

Collision Likely.

BILBOA, 31.—General Morlones, is reported to be at Castro, in Cordova, with six thousand republican troops; General Elio, with ten thousand Carlists, is marching to meet him.

WEST INDIES.

Inquiry Ordered.

HAVANA, 31.—Captain-General Jovellar has ordered a strict inquiry into the circumstances connected with the disappearance of Ralph Keller, the *Tribune* correspondent.

The Press on the "Virginius."

The *Voss* and *Diario* comment bitterly on the sinking of the *Virginius* and release of the prisoners; they charge that the United States government sank the *Virginius* in order not to be compelled to deliver it to Spain, and is guilty of perfidy in releasing the survivors. The *Voss* says that for the great wrongs of the Spanish nation terrible atonements are reserved, and their hour will come. In an interview with Captain General Jovellar the latter stated that the newspapers give their own opinion; the government neither shrinks from nor is responsible for the articles they print. The government acts independently and according to circumstances, and it does not follow, because the articles pass the censor of the press, that they reflect the opinions of Jovellar, who denies having seen them.

Last Night's Dispatches.

EASTERN.

Legislature Opened.

RICHMOND, Va., 1.—The Legislature convened at noon to-day. After organization, the Governor's message was received and read. Of the relations between the races he says—"I do not hesitate to affirm, so encouraging and decisive has been the progress during the past four years, and so clearly developed by the past are the obligations of to-day, that if we are but guided by prudence, if we go forward with courage, tempered with forbearance, and if no federal legislation shall intervene to disturb the relations between the races, we cannot fail to bring our great experiment to a successful and prosperous issue. Recent events prove how futile, and how disastrous to its authors, must be any further attempt to array the colored race, as a political combination, upon any principle of antagonism between the races; and further, that non-residents, whatever their claims to eminence, ability, or philanthropy, can never understand the character and circumstances, or wisely administer to the wants, of our colored population. Ourselves and none others are qualified to perform the task assigned us by Providence, and if not restrained and thwarted by superior powers, we will perform our duty resolutely and effectually, by promoting the best interests of both races, and we intend to perform it by scrupulously guarding the newly acquired rights of the colored man."

New Year's Reception.

WASHINGTON, 1.—The President and Mrs. Grant held the usual New Year's reception to-day, aided by the Cabinet officers and their wives. After the reception the foreign representatives and officials, in the usual order, and the veterans of 1812 were received, and at 2 p.m. the doors were thrown open to the general public.
