WESTERN.

The Lick Property.

SAN FRANCISCO, 15.—James Lick has made a new trust deed, which differs from that revoked in a few particulars. The donation for statuary at the State capital, of two hundred and fifty thousand, is changed to one hundred thousand for statuary at the City Hall, San Francisco. The appropriation for the Key monument is reduced from one hundred and fifty thousand to sixty thousand. The seven hundred thousand for the Lake Tahoe observatory is committed to the University of California, to be used for the same purpose. The donation to the Mechanic Arts School is raised from three hundred thousand to five hundred and forty thousand. The gift to his son is raised from three thousand to one hundred and fifty thousand. For himself he gives up the lien of twenty-five thousand annually, and takes a gross sum of five hundred thousand. His estate becomes immediately available for beneficiary purposes, and he will be one of the trustees himself; the others will be announced shortly. Most of the beneficiaries have given their assent to the new arrangement, and no doubt is entertained as to the action of those not yet heard from.

FOREIGN.

GREAT BRITAIN.

Russia Annoyed.

LONDON, 15.—The *Pall Mall Gazette* says that Russia is annoyed at England's persistent refusal to participate in the St. Petersburg conference, and at the coldness of other countries, and intends giving the force of law to the declaration of the Brussels conference, and will negotiate separately with the powers to induce their adherence thereto.

FRANCE.

Rejected.

PARIS, 15.—The National Assembly, to-day, rejected the principal clauses of the savings bank bill, and it was thereupon withdrawn by the committee having it in charge. The chamber adjourned till Tuesday.

AUSTRIA.

Return of the Emperor.

VIENNA, 15.—The Emperor Francis Joseph, who has been making a tour of his domiaions, returned today, and was enthusiastically received by the people.

CANADA.

Election Trials.

TORONTO, Ont., 15. — The thirty or forty election trials in this province are nearly all settled, members of both parties having been unseated. Twenty or thirty more cases have yet to be settled.

PRUSSIA.

Arnim's Trial.

BERLIN, 15—The trial of Count Von Arnim, on appeal, has been fixed for July 1st.

BRAZIL.

Confidence Restored.

RIO JANEIRO, 15.—The National Bank, which suspended, has asked the forbearance of its creditors, promising to pay in full with interest; the suspension caused a sensation, and many depositors of other banks drew out their funds. The Bank of Brazil came to the aid of the banks, and the government introduced a bill in the Chamber, authorizing the issue of 25,000 contos to relieve the crisis caused by the absorption of the capital by a great undertaking in the provinces. These steps restored confidence.

Our Country Contemporaries.

Ogden *Junction*, May 14—

This morning, as a relation of Mr. Pool was taking breakfast to the prisoners in the city jail, Mr. Pool supplying prisoner's meals under contract, Eaton and Bradley, the two men in confinement, took the man with the grub, shut him in the jail, fastened the door and skedaddled. And then there was a noise, and behold, a shaking of the jail door, and then there was a hurrying to and fro and a general search for the culprits, but behold, they were not! Playing Pool will now be called the prisoner's game.

The Evanston *Age* of yesterday says:

"We learn from Joe McManus that as his train was nearing Echo, yesterday, the body of a man was seen lying on the side hill, a few rods from the track, and from appearances life was extinct. Upon going to the spot it was found to be in an advanced state of decomposition, and must have laid there a long time under the snow. The coroner of Echo was notified at once. No clue leading to his identification has been found."

Utah *County Times*, May 13—

The regular term of the U. S. District Court in and for the First Judicial District convenes on Monday next, the 17th day of May, 1875, at one o'clock p.m., in the Court House in this city.

Under the caption, "Enlarged and Improved," the *Times* has the following, the *modesty* of which will at once strike every reader—

"Our readers will not fail to discover that we have increased the size of our paper, beginning with this number. Our patronage has become so extended, and our efforts have been so much appreciated that we feel compelled to grow in stature and in spirit, as well as in favor and love. We purpose enlarging still more when we see it necessary, which, from present indications, work, advertisements, and subscriptions we will soon be compelled to do. We are far from boasting, or to toot our own horn, as some of our co-temps do, but we must say that a paper conducted intellectually, honestly, independently, and artistically as ours has been, is now and will be, is bound to gain the hearty appreciation of the public; and we realize, from ten thousand sources, that it is rising in importance and influence every week. We hope our patrons will recommend us to the notice of their neighbors and friends and enable us to make the *Times* the best, honest, and most fearless champion of truth and human rights. Our motto is, Nothing false we dare, nothing true we dare not, speak!"

Rocky Mountain Pills.

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery, not only of many new varieties of plants, but of new species, some of which have wonderful medicinal curative properties. By continued experiment their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are more specially valuable in DYSPEPSIA, LIVER COMPLAINT, INDIGESTION, JAUNDICE, and all diseases of the LIVER, COLIC, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash or postal order, I will send safely by mail, postpaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.50; 1 gross boxes, $24.00.
