THE BOARD OF EDUCATION.

A Variety of Business Transacted At The Meeting Last Night.

OVERCROWDED STATE OF SCHOOLS.

Proposition From the Tenth Ward Ecclesiastical Corporation.—Books Wanted.—Appropriations, Etc.

Vice-President Nelson presided at the meeting of the Board of Education last evening, and there were also present Trustees Duke, Pratt, Baldwin, Newman and Young.

"BADLY OVERCROWDED."

Superintendent Millspaugh was requested to make a verbal report concerning the conditions of the schools in the Fourteenth building. He stated that the building was badly overcrowded. The High school room was so thronged that the recitation room had to be used for children for a study room. The basement rooms were overcrowded, over eighty pupils being seated in one room and sixty in another. The schools in the surrounding districts were also overcrowded, and there is no prospect for putting children from the Fourteenth in any of them. It was similar all over the city. It was thought that by removing the High school it would greatly relieve all pressure.

The following proposition for renting a building was read to the board:

I will lease you the second and third stories of my building on South Temple street for a period of two years at the annual rental of $1200 for the first year and $1300 for the second year. Respectfully, ISAAC A. CLAYTON.

Mr. Duke moved to accept.

Mr. Young thought the building would not be needed more than for one year and nine months. He therefore moved to amend as follows: That the committee on school work be authorized to close negotiations with Mr. I. A. Clayton for the lease of his building on South Temple street for two years or such shorter time as the committee may deem expedient. Adopted.

AS JANITRESS.

An application was made by Miss M. Graves for the post of janitress at the Ontario school. The applicant was endorsed by Mr. A. R. Martin. Referred to the committee on furniture and supplies.

OFFER OF A ROOM.

Mrs. Tollet offered to rent a building on the corner of O and Third streets for $15 per month. The room is [illegible] feet and was originally built as a schoolroom. Referred to the committee on sites and buildings.

ANOTHER OFFER.

The following was received from the Tenth ward ecclesiastical corporation:

To the Board of Education:

We, a committee authorized by the Tenth ward ecclesiastical board of Salt Lake City, do, upon the representation of the principal, that you are sadly deficient in school accommodations for the children of the Tenth district, and at the earnest suggestion of Mr. McKay, agree to rent for school purposes, for the current school year, the vestry, consisting of two floors, at the monthly rental of $20 per month, subject to the following conditions:

The benches to be large for senior pupils.

The library case to be left in lower room, with access for us thereto.

The janitor whom you hire to attend to these rooms to be of our selection.

That we have full and free access to said rooms for evening and Sabbath school meetings.

That you furnish the heat for school.

That extra care be paid in keeping these rooms from being damaged.

This in making this proposition we desire to state that the general feeling is that the board of education has not given the attention to our wants which we all think they deserve. At the present time the schoolrooms which our people so strongly exerted themselves to erect and provide for their children, are being occupied by pupils from other school districts, and some of ours are compelled to be content with only half educational rations. We hope by the commencement of another school year that your honorable body will make provisions for our wants in this direction.

We do not desire to extend this lease over the present school year.

Yours very truly,
WILLIAM FULLER,
C. W. STAYNER.

Superintendent Millspaugh said that last year three rooms in the Exposition building were rented and that gave a great deal of school facilities, but those rooms could not now be secured. In the present crowded condition it was impossible to make any headway at all. A motion to accept the offer was carried unanimously.

THIS WAS ACCEPTED.

An offer was made by N. S. Larsen to sell lot 2, block 4, Plat G, Salt Lake City survey, payment to be made on delivery of deed after approval of title by the attorney of the board.

The offer was accepted, and on motion of Mr. Baldwin, Mr. Young was authorized to close the contract with Mr. Larsen for the above property.

HEATING AND VENTILATING PLANTS.

A special committee consisting of Messrs. Nelson, Young and Baldwin, was appointed to approve the contracts with firms for heating and ventilating plants for the school buildings.

An adjournment was then taken for a week.

THE POMPIER CREW.

A Skillful Exhibition in Front of the Utah Stove & Hardware Building.

The performance of the Pompier life saving crew of the fire department in front of the Utah Stove & Hardware company's store, at the corner of First South and Commercial streets yesterday afternoon, was watched with considerable interest by a large body of spectators.

The crew consists of W. P. Hooker, captain; Frank Fitzgerald, Captain Morrison, Captain Pitney, Captain Vale, Ed. Fitzgerald, E. J. Randolph and Master Hooker, mascot. Practices have been going on for three weeks past, and the excellent work achieved in so short a time speaks highly for the aptitude of the men. Some really clever feats were accomplished during the exhibition. The ladder "climbing" of Mr. Hooker was a daring performance, and the swinging of Hooker and Captain Vale from one window to another, together with the fearless movements of Frank Fitzgerald call for special mention. The rope sliding experiment was another of the features of the programme which elicited the hearty applause of the crowd of onlookers. Fitzgerald brought his sister down from the fourth story of the Hardware company's building, in this way, with the utmost ease. Altogether the crew deserve the highest commendation for their meritorious work.

St. George Stake Conference.

Our quarterly conference has just closed. The preliminary meetings were held on Saturday, 10th inst. The regular conference, which convened Sunday and Monday, the 11th and 12th, was well attended. Among those present were Apostles Francis M. Lyman and Anthon H. Lund, President Jesse W. Crosby, Jun., of Panguitch Stake, and Counselor Daniel Seegmiller of Kanab stake, all of whom ministered the word of the Lord to our edification.

The customary business of presenting reports and presenting the authorities of the Church was transacted. There was not a dissenting voice.

The reports of the condition of the Stake were very gratifying. The speakers were listened to with the closest attention.
