EASTERN DISPATCHES.

Grant carries Connecticut by 3,351, Maine 30,000, Maryland 5,000.

The *Tribune* gives Grant 28 States and 243 elective votes, claims for Greeley five States and 72 votes, and gives Grant 45,000 majority in New York State.

Florida and Virginia go for Greeley.

Manton Marble returns to the *World* in restored health.

Illinois Supreme Court grants new trial to Rafferty in the New York O'Meara murder case, also to Partett in the case of the murder of his wife.

Warrant out for the editor and proprietor of Chicago *Evening Journal* for alleged contempt of court.

Increase of horses in the streets of Chicago. Stable news encouraging.

NEW YORK, 7.—The coroner's jury in the case of Samuels, a patient in Ward's Island lunatic asylum, returned a verdict that death was caused by improper treatment by ignorant attendants.

Revised returns to 9 o'clock to-night give Grant 47,717 majority in N.Y. State, while Dix is over one thousand votes ahead, having 48,851. The majority of each is likely to exceed fifty thousand. The full city vote for Mayor, except two precincts, gives Havemeyer 51,616; Lawrence, 46,552; O'Brien, 34,432.

BALTIMORE, 7.—In a city council election held to-day in the 6th Ward, just before the closing of the polls, a crowd of a thousand gathered around the corner of Fayette Street and Broadway. A party of men, mostly colored, left the crowd and proceeded about midway to Broadway, when they turned deliberately and fired upon the crowd in front of the voting place, killing Isaac Boes, aged 16, and mortally wounding John Conway. Another boy received a flesh wound. Immediately after firing they broke and ran, when those who were fired into returned the shots. Some 18 or 20 shots were fired in a minute. Previous to the firing, which was wholly unexpected, no disturbance whatever occurred.

CINCINNATI, O., 7.—A special to the *Chronicle*, dated at Indianapolis, contains the following card, addressed to the Indianapolis *Journal*—

"SOUTH BEND, Ind., Nov. 5.

"The Chicago *Tribune* of to-day again states that it appears that Colfax is, after all, a candidate for the Senatorship in Indiana. Even at the risk of subjecting myself to more cheap wit by opposition papers about retiring, I ask the privilege of re-stating in your columns about what I have said publicly to tens of thousands the past month, that I am not a candidate nor an aspirant for any position, senatorial or editorial, State or national, and am of course for the election of the Republican nominee for the Senatorship by the united vote of the Republican members of the Legislature.

"(Signed) SCHUYLER COLFAX."

On Nov. 6 two barrels were found floating in the Charles River at Cambridge, Mass., with the mutilated remains of a man, well dressed, with gold watch.

Horse disease unabated at Baltimore. Street cars stopped.

Horse disease at worst stage at New Haven, Conn.

The New York *Times* estimates Grant's popular majority at 701,800, thinks he has carried Virginia and Louisiana, and that only four States and 43 electoral votes are sure for Greeley, and he cannot have above two more states and 23 electoral votes.

Congressional delegation for New York State 26 Rep., 6 Dem., 1 Lib.

The *World* gives Grant's popular majority at 520,916, with 269 electoral votes to 69 for Greeley.

WASHINGTON, 7.—Gen. Sherman has issued a general order, reviewing, in a feeling manner, the life and services of the late Gen. Meade, and directing Gen. McDowell, at New York, to make all arrangements for the funeral and directing the flags of all the military posts on that day to be displayed at half mast, minute guns to be fired, and that officers shall wear the usual badge of mourning. It is understood that either Brigadier Gen. S. H. Terry, now commanding the department of the South, or E. R. S. Canby, commanding the department of Columbia, will be appointed Major General in place of Meade.

Gen. Sherman to-day telegraphed to Gen. McDowell to proceed to Philadelphia and consult Mrs. Meade in relation to arrangements for the funeral of her late husband. President Grant will attend the services.

The secretary of the treasury has officially decided that the President's recent proclamation takes off the discriminating duties applied to all goods arriving in French vessels from other than French ports on and after date of proclamation, Oct. 30.

The post office department is in receipt of numerous reports of detentions and failures in the transportation of mails, owing to the prevalence of the horse disease. Complaints are most numerous from New England, although there are many from New York, New Jersey, and Pennsylvania, and some from as far west as Wisconsin.

SCRANTON, Pa., 7.—In an accident near this city this evening on the Lehigh and Susquehanna railroad, Mrs. Evans, of Springbrook, was killed, and James Reilly of Plymouth, so badly injured that he cannot recover. Miss Griffith, of Miners, is believed to be fatally injured, and 27 others were more or less injured, only a few seriously.

LITTLE ROCK, 7.—Indications from returns now injure that Baxter has been elected governor and that the State has gone for Grant by two to three thousand.

PHILADELPHIA, 7.—Official returns show the majority of Grant in Philadelphia to be 45,446.

DOVER, N. J., 7.—Two Italians came here this a.m., from N. Y., and going to the store of Giovanni Barrotti, claimed Barrotti's housekeeper as his truant wife. After some words he stabbed her dead, inflicted probably a mortal wound on Barrotti. Both men were arrested. Much excitement prevails, with threats of lynching.

WESTCHESTER, 7.—George Grant, in jail here under sentence to be hanged on Wednesday next, for the murder of his wife, made a desperate attempt to escape last night. He attacked and nearly killed the jailer, while the latter was going his rounds. He was finally captured and ironed, but still declares he will sell his life dearly.

NEWARK, N. J., 7.—Grant's majority in New Jersey is nearly 14,000.

DETROIT, 7.—Grant's majority in Michigan is fifty-five to sixty thousand.

KEITHSBURG, Illinois, 7.—George N. Frick, son of a well-known citizen, was killed yesterday by the premature discharge of a cannon, in firing over the Republican victory.

TOPEKA, 7.—The Republican State Central Committee figure Grant's majority in Kansas at 30,000.

A fire at the Maryland penitentiary to-night. Damages, $20,000.

MONTPELIER, Vt., 7.—The homes in the State are all sick. The mails, except those which go by railroads, are nearly all suspended.

RICHMOND, 7.—The Republicans claim Virginia by three to five thousand in the first to the fifth congressional districts, leaving the sixth, seventh, eighth and ninth to the Democrats.

NEW YORK, 7.—The *Tribune* says the result in this State seems to point clearly to two conclusions: that a marked percentage of Democrats refused to support Greeley, and that a large percentage, even of those who supported Seymour, did not vote at all. The *Tribune* is well pleased with the result of the city election, though its candidates will not be elected. It says there is an end to the era of fraud and violence in the metropolis.

DUBUQUE, Iowa, 7.—The Republican State Central Committee place the majority, in forty-two counties, for Grant, at 30,000.

WEST INDIES.

HAVANA, 7.—Vessels dispatched to the scene of disaster report notwithstanding thorough search not the slightest trace of anything belonging to the vessel could be found.
