A MYSTERY OF THE MIND.

I landed in Southampton on the 14th of November, 18[illegible]. It was late of a Saturday afternoon, and by the time my baggage was at the railway station there was barely time to catch the fast train to London. A few hours later I was in my room at the Westminster Palace hotel, for it was of course much too late to think of hunting up Madelaine. I would wait until the next day.

GRANITE IRONWARE is more than a luxury—it is a necessity. It is clean, healthy, handy and neat; there is as much difference between it and tinware, as between a china and a tin cup. It is cheap, because it lasts, and it is always nice. Every good housewife should use it, and those who once try it won't have anything else. It is the best ware made for the kitchen. Cook Book and Price List Free on application. Be sure to mention this paper. Manufactured only by the ST. LOUIS STAMPING CO., ST. LOUIS, MO.
