FRENCH TROOPS TO OCCUPY OUDJA

Until Morocco Gives Full Satisfaction to France for the Murder of Dr. Mauchamp.

PRESS CLAMORS FOR ACTION.

Matter to be Debated in the Deputies —Some Anti-German Sentiment Has Been Aroused.

Paris, March 25.—As a result of the cabinet meeting today it was decided to send French troops to occupy Oudja, a frontier town in Morocco, until the Moorish government gives full satisfaction to France for the assassination of Dr. Mauchamp. The French demands for reparation will be forwarded to Fez immediately.

The French press is clamoring for energetic action in Morocco. A Germanphobe sentiment has been aroused by the intimation that Germans inspired the attack which resulted in the assassination of Dr. Mauchamp at Morocco City, and this has been fanned by War Minister Picquart's transfer of Gen. Balloud from the command of the Sixteenth army corps for a speech which the general delivered on the occasion of the retirement of a colonel in which he referred to the "inevitable coming war with Germany" when France "would have an opportunity to win back Lorraine."

Paul de Roulede, founder of the League of Patriots, who was defeated at the last election for member of the chamber of deputies, in an open letter published today says that unless the minister resigns, France henceforth will be the vassal of Germany.

Foreign Minister Pichon today recommended to the cabinet a policy of reprisals if necessary to secure from the Moroccan government satisfaction for the murder of Dr. Mauchamp. The cabinet subsequently decided to occupy the Moroccan frontier with French troops.

The armored cruiser Jeanne D'Arc and the cruiser La Lande, which sailed from Toulon yesterday for Tangier, carried field equipment for marines.

The French foreign office has sent a note to the powers explaining the situation.

The Oudja referred to is probably Ojda, a small town in Morocco, about 25 miles southwest of Tiemsen, a town in the northwestern part of Algeria. Tiemsen usually has a strong garrison of troops of all arms.

MATTER IN THE DEPUTIES.

Paris, March 25.—The Moroccan situation, which has been forced into the background for a year past by acute internal problems, has now been brought to the front by the assassination in Morocco City of Dr. Mauchamp, a French subject, and a lively debate is anticipated in the chamber of deputies tomorrow. Members of the chamber from the department of Saone et Loire, where Mauchamp lived, will interpellate the government. One of them, Fernand Dubief, radical socialist, has a number of letters from the doctor in which he complains bitterly of his abandonment by the French authorities, giving instances of their slackness and inactivity. It is expected that extracts from these letters will be read. Furthermore, the Socialists are liable to seize this opportunity to attack the government in retaliation for their recent defeat in the matter of the strike of the electricians of Paris.

The ministry is fully alive to the importance of the situation and is ready to offer a full explanation to the chamber.

The decision of the cabinet today to send French troops to occupy Oudja, in Morocco, was unanimous.

The occupation will be continued until full satisfaction has been accorded. The French demands include the punishment of the murderer of Dr. Mauchamp, indemnity for the family of the victim and the appropriation of a large sum for the foundation of a charitable institution in Morocco in memory of Mauchamp.

Full instructions have been telegraphed to the military authorities in Algeria regarding the dispatch of a military column to Oudja.

HEAVIEST MAN IN UNITED STATES DEAD.

Appleton, Wis., March 25.—Elmer Sheppard, a negro known throughout the country as "Big Eno," the heaviest man in the United States, died here today of fatty degeneration of the heart. He weighed 640 pounds, although only 17 years old. Two years ago he ceased riding in a passenger coach, as he was unable to enter the doors.

LION PRINCE ATTACKS HIS TAMER. MISS DOLLY CASTLE

Wichita, Kan., March 25.—Dolly Castle, a lion tamer, with Al Barnes' wild animal show, was attacked by Prince, one of the largest lions in captivity, while performing at a local theater here tonight.

The lion knocked Miss Castle down and grabbing her forearm, tore the flesh from the bone. The audience fled panicstricken from the theater. None was injured in the exit. At a local hospital it is said that the victim may die of her injuries.

It was necessary to knock the lion senseless with crowbars to rescue the woman from the cage.

TO BREAK UP A COLD IN 24 HOURS AND CURE ANY COUGH THAT IS CURABLE.

Mix one-half ounce of the Virgin Oil of Pine (Pure) with two ounces of Glycerine and half a pint of good Whisky. Shake well and use in teaspoonful doses every four hours.

A famous throat and lung specialist, who established a camp for consumptives in the pine woods of Canada, and whose wonderful cures there have attracted the attention of the civilized world, declares that the above formula will strengthen weak lungs, relieve the cough, heal the bronchial tubes and cure any case of lung trouble that is not too far advanced, providing the patient will assist by taking plenty of outdoor exercise, inhaling long deep breaths every few minutes.

It is said the mixture will break up an ordinary cold in twenty-four hours, and, being free from opiates and drugs, is far preferable for use among children to the ordinary cough mixtures.

The ingredients can be secured from any good prescription druggist at small cost and easily prepared in your own home.

Inquiry at the prescription department of one of our leading druggists elicited the information that Virgin Oil of Pine (Pure) is put up only in half-ounce vials, securely sealed in a round wooden case, with engraved wrapper, showing the name—Virgin Oil of Pine (Pure), (guaranteed under the Food and Drugs Act of June 30th, 1906, serial number 451), prepared only by Leach Chemical Co., Cincinnati, Ohio—plainly printed thereon. There are many rank imitations of Virgin Oil of Pine (Pure), which are being put out under similar names and style of package. Never accept these as a substitute for the Virgin Oil of Pine (Pure), as they will invariably produce nausea, and never effect the desired results.

A local physician who is familiar with this treatment says it is undoubtedly the most effective known to medical science at the present time, and, save for the open air life in the forest, would prove just as effective if used in the home. He says the formula given above is the one used in the pine woods, and that it has the unqualified endorsement of the leading physicians of the country.

The physician added, if this formula was known and used generally by the people, throat, lung and bronchial affections would rarely reach an acute stage.

The Pure Virgin Oil of Pine is also a perfect neutralizing agent for uric acid. A few drops taken on sugar night and morning will heal and regulate the kidneys and relieve the most obstinate case of rheumatism, if caused by uric acid in the system.

COL. MEYERS TO SUCCEED WINT.

Washington, March 25.—Col. Albert Myers, Eleventh Cavalry, has been selected for promotion to the rank of brigadier-general to fill the vacancy created by the death of Gen. Wint.

WOMAN KILLS PHYSICIAN.

Spartanburg, S. C., March 25.—Dr. William Linder, a prominent physician of Union, S. C., was shot and killed today by Lucy Litsey, who walked into the physician's office, closed the door and fired a bullet into his back. The woman was arrested.

EASY FOR SOLDIERS TO GET EXTRA AMMUNITION.

Washington, March 25.—The soldiers invariably were able to secure extra cartridges and sometimes had extra rifles as well was asserted today by William Ryan, corporal in company K, Twenty-sixth infantry, in the Brownsville investigation before the senate committee on military affairs. Ryan was at Brownsville prior to the coming of the negro soldiers of the Twenty-fifth infantry. He was serving as an artificer under the quartermaster sergeant. Under the same man's orders, he said, he had defaced the numbers on six Krag-Jorgansen rifles. These guns were held out at the time the order was issued for the surrender of all Krag rifles. He claimed that he did not know what had become of these guns, and declared that he did not consider that he had done wrong in aiding in the sale of the government property.

When the session adjourned for the day Thomas Taylor, a former member of company B, Twenty-fifth infantry, was on the stand. The expert examination of shells picked up in Brownsville is declared to show that his gun was used in firing 11 of these shells. Taylor denied that his gun had been fired since his company left Fort Niobrara, Neb., a month prior to the shooting.

The cross-examination of Ryan was taken up at the afternoon session. In detailing the sale of cartridges to Fields, the Brownsville junk dealer, the witness said he had placed the original government package inside of the kerosene box. He said that he had no idea why this precaution was taken.

The extra guns, which were in the pen of company K, Twenty-fifth infantry, the witness said, were obtained in some manner while the company was in the Philippines. Originally there had been 20 in the lot. He thought that Capt. Kilburn, the company commander, had given some of them away; that one had been sold by Cheesman, and that Capt. Kilburn still had one. He said he could not say what had become of the others.

JEROME ON THE TRAIL OF A REPTILE FUND.

New York, March 25.—Police Commissioner Bingham, Dist. Atty. Jerome and Asst. Dist. Attys. Ely and Tinker visited the headquarters of the Patrolman's Benevolent association tonight and made a hurried examination of the books of the organization. The commissioner, the district attorney and his assistants were in search of evidence to confirm a report that $125,000 had been raised to affect legislation. It was said that an assessment of $20 had been made against each patrolman in connection with the Bingham police bill, which does away with permanent police inspectors in the city. The officials declare that they found a book which showed that nearly every one of the 7,000 patrolmen has contributed $20 each to a "mortuary fund."

Dist. Atty. Jerome took the books and papers for future examination. It developed that there is $82,000 in the mortuary fund in a safe deposit vault.

Mr. Jerome found that reports of the collection of assessments had been received from all precincts in the city except three in Brooklyn, and that these three had returned word that they would pay.

The records showed that Nov. 23, 1906, it was decided to increase the death benefit from $225 to $5,000, the new system providing for an assessment of $20 per man. Delegates, three from each precinct, were required to collect the money. The plan provided that the families of those that did not pay the $20 would be entitled to only $225 in case of death.

RULES REGARDING RELINQUISHMENT OF HOMESTEAD

Washington, March 25.—Announcing the opinion of the court in favor of Flahive in the case of Edward H. Love vs Annie Flahive, involving a contest over land in Missoula county, Montana, Justive Brewer of the supreme court of the United States today laid down some general principles regarding the relinquishment of homestead applications and the sale of lands taken up under the homestead law before the issuance of patient. On that point he says:

"Of course, whether there was a sale and what was the thing sold, were matters of fact to be determined by the testimony and the findings of the land department in that respect are conclusive in the courts. It is objected by the plaintiff that a sale of homestead prior to the issue of patent is void under the statutes of the United States. This is undoubtedly the law, and the ruling of the secretary was not in conflict with it, but the fact that one seeking to enter a tract of land as a homestead cannot make a valid sale thereof, is not at all inconsistent with his rights to relinquish his application for the lands, and so the secretary of the interior ruled. While public policy may prevent enforcing the contract of sale, it does not destroy the significance as a declaration that the vendor no longer claims title. He cannot sell and at the same time deny that he has made a sale. The government may rightfully treat it as a relinquishment and abandonment of his application and entry. No man entering land as a homestead is bound to perfect his title by the occupation. He may abandon it at any time or he may in any other satisfactory way relinquish the right acquired by his entry. Having done that, he is no longer interested in the title to the land. That is a matter to be settled between the government and other applicants. In this case, Love having relinquished his claim, it does not lie in his mouth to challenge the action of the government in patenting the lands to Mrs. Flahive."

ALEXANDER RUBEIN DEAD.

He Was First Child Born in the Limits Of Chicago.

Chicago, March 25.—Alexander Rubein, said to have been the first child born within the limits of Chicago, died today. Rubein was born in Fort Dearborn, Jan. 26, 1822.

SANDERSON ACQUITTED.

Was Charged With the Murder of Dr. Solomon D. Meredith.

Carthage, Mo., March 24.—The jury in the case of Arthur Sanderson, charged with the murder of Dr. Solomon D. Meredith in Carthage on Jan. 2 last, brought in a verdict this evening of not guilty, after being out 24 hours.

Mrs. Sanderson, in defense of her husband, testified that Dr. Meredith, who had been their family physician, had made love to her when she went to is office to consult him. Later, when one of the Sandersons wanted to send for Meredith, Mrs. Sanderson had demurred and said that some other physician should be called in. Sanderson insisted upon knowing why she objected to Meredith, and Mrs. Sanderson detailed her experiences with him. Sanderson immediately left the house and soon returned with Dr. Meredith. Before Mrs. Sandrson he accused the physician of ruining his home and shot and killed him.

In the argument of counsel for the defense a parallel with the Thaw case was drawn and the unwritten law was brought out. Atty. Shannon said there was evidence of an exaggerated ego, in that the defendant thought himself providentially called upon to avenge the ravishment of his wife. He declared that Dr. Meredith deserved the fate he met.

In a dying statement Dr. Meredith denied that his relations with Mrs. Sanderson were criminal. He was prominent in Ritchie, Mo., before coming here.

FOUR KILLED IN A SANTA FE COLLISION.

Los Angeles, March 24.—In a head-on collision between two Santa Fe trains within the city limits last night at least four persons were killed and a score were injured, several of them fatally. A Santa Fe special, carrying scores of students returning from an intercollegiate field meet at Claremont, met the Santa Fe overland limited, while both trains were moving at a rapid rate. The engines were wrecked, one of the baggage cars on the Overland was demolished and the crash was heard for blocks.

The collision occurred in that part of the Los Angeles river bed occupied by the Santa Fe tracks, and directly beneath the Buena Vista street bridge.

A Skin of Beauty is a Joy Forever.

DR. T. Felix Gourcud's Oriental Cream or Magical Beautifier.

Removes Tan, Pimples, Freckles, Moth Patches, Rash, and Skin Diseases, and every blemish on beauty, and defies detection. It has stood the test of 57 years, and is so harmless we taste it to be sure it is properly made. Accept no counterfeit of similar name. Dr. L. A. Sayre said to a lady of the haut ton (a patient): "As you ladies will use them, I recommend Gourcud's Cream" as the least harmful of all the Skin Preparations." For sale by all druggists and Fancy Goods Dealers in the United States, Canada and Europe.

FERD. T. HOPKINS, Prop., 37 Great Jones Street, New York.

FITS STOPPED FREE Permanently Cured by DR. KLINE'S GREAT NERVE RESTORER

No fits after first day's use. Marvelous cures. Treatise and $2 trial bottle free to fit patients. Send to Dr. R. H. Kline, Ltd. 931 Arch St., Philadelphia.

TO FLOAT THROUGH BIG HORN CANYON.

Shoshone, Wyo., March 25.—Messrs. Harned and Winnie, blacksmiths, are putting the finishing touches upon a boat with which they intend to float through the canyon of the Big Horn river. The boat is a strongly built skiff of the ordinary type, but is reinforced with sheet iron and a heavy sole leather pad at the most vulnerable points. The passage of this canyon has never been accomplished. Several lives have been lost in a vain attempt to make the passage. The Indian name for the canyon is the "Place of Death."

FOR LOCAL OPTION.

In Presence of Large Audience Gov. Buchtel of Colorado Signs Bill.

Denver, March 25.—In the presence of a large audience, including clergymen and officers of the Woman's Christian Temperance union, Gov. Henry A. Buchtel today signed the local option bill, the first temperance measure ever passed by a legislature in Colorado. The event was celebrated with religious services, opening with scriptural reading and closing with benediction by Gov. Buchtel, who is a minister of the Methodist Episcopal church and chancellor of the Denver university.

WILLIAM LLOYD GARRISON ON SOUTHERN SCHOOLS.

Boston, March 24.—William Lloyd Garrison presided at a mass meeting held in Tremont Tmeple today, under the auspices of the industrial department of Morris Brown college of Atlanta, Ga. Mr. Garrison said in part:

"What disturbs me more than the attitude of the southerners, who are making capital out of race hatred, are the concessions of northern friends of the colored people who have been truly helpful in the encouragement of southern schools. Because prejudice is deep-rooted and is again demonstrating its strength in the north, it is all the more urgent that no countenance be given to this hateful spirit. Not even southern lynchings are so disheartening to the friends of equal rights as the acquiescence of such men as ex-President Cleveland, President Eliot of Harvard and Bishop Lawrence of Massachusetts (all desirous of uplifting the colored race) in the nullification of the fifteenth amendment and the maintenance of caste schools."

Mr. Garrison argued that the white south has shown "no sense of responsibility" since "usurping all political power," and that it has discriminated Ham Whitely.

Do You Want A Clean, Clear Skin

glowing with the freshness and health of youth? If you will bathe your face, neck, shoulders, hands and arms every morning and evening with delightful, creamy Oli-vi-lo soap and tepid water, your skin will quickly become smooth and refined.

I Cured My Rupture

I Will Show You How To Cure Yours FREE!

I was practically helpless and bed-ridden for many years from a double rupture. I wore innumerable different kinds of trusses and appliances. Some of them were torture, some positively dangerous, and none would hold the rupture in its proper place. The doctors told me I could not expect to have it entirely healed unless I would consent to a surgical operation. I tested them all, however, and cured myself completely and permanently by a simple method which I discovered. Anyone can use it, and I will gladly send the cure free by mail to anyone who wishes for it. Fill out the coupon below and mail it to me today. I will send the cure by return mail, postpaid.

NOTICE OF BOND ELECTION.

Notice is hereby given by the Board of Education of the Granite School District, Salt Lake County, Utah, that a Bond Election will be held and is hereby called of the registered voters, who have paid a property tax within said School District during the year 1906 to vote upon and determine the following question, to-wit:

"Shall the Board of Education of the Granite School District be empowered to issue and sell five per cent (5 per cent) building bonds of said Granite School District to the amount of forty thousand ($40,000.00) in denominations of one thousand ($1,000.00) dollars for the purpose of raising funds for purchasing school sites and for building and furnishing school houses in said Granite School District. The bonds to be payable at any time after five years and to be due in twenty years from date of issue."

Polls open at 7 a. m. and close at 7 p. m.

The election will be held on Saturday, the 6th day of April, 1907.

There will be five polling places for such Bond Election; one in each of the five representative precincts of Granite School District, as follows:

Precinct No. 1, Election Districts 43, 44, 87, 88, 89. Central School, Sugar.

Precinct No. 2, Election Districts 84, 85 and 91. Central School 1300 State Street.

Precinct No. 3, Election Districts 26, 57, 58. Mill Creek Ward House.

Precinct No. 4, Election Districts 29, 62, 67th School House (South Cottonwood).

Precinct No. 5, Election Districts 79, 83, 84, 85, 96. West Granger School House.

The names of the judges to conduct such Bond Election at each of the said polling places are as follows:

Precinct No. 1, Jennette Thompson, Jas. McGhie, and Christopher Alston.

Precinct No. 2, John Gabbott, Henry Quayle and M. Christophersen.

Precinct No. 2, William Carlson, J. T. Bawden, C. H. Spencer.

Precinct No. 4, Richard Howe, A. O. H. Fowlks and James E. Moss.

Precinct No. 5, D. H. Jacobs, A. Frame and N. P. Petersen.

BOARD OF EDUCATION, GRANITE SCHOOL DISTRICT.

AMOS S. GABBOTT, President.
JAMES D. CUMMINGS, Clerk.

Dated at Granite School District, 139 State Street, Salt Lake County, Utah, Feb. 25th, 1907.

NOTICE TO CONTRACTORS.

Notice is hereby given that sealed proposals for the erection of an L. D. S. meetinghouse for Bennion Ward in Granite Stake, will be received at the residence of Bishop Diamond, Redwood Road, Salt Lake County, Utah, until April 5, 1907, when said proposals will be opened, considered, and acted upon as speedily as practicable.

The bids to be for the following branches of the said work, in accordance with the plans, specifications, elevations, sections and detail drawings for the same, as they have been adopted by the bishop and officers of Bennian Ward, and copies are now on file at the office of Dallas & Hedges, Architects, Deseret National Bank Building, Salt Lake City, Utah.

The work contemplated under these specifications is divided into the following departments:

First—Excavation, concrete footings, foundation, brick work, and cement block trimmings.

Second—Cement concrete footings.

Third—Lathing and plastering.

Fourth—Carpenter and joiner work, galvanized iron work, and constructional steel work.

Fifth—Painting.

Sixth—Electric Wiring.

Proposals will be received for each of the above departments as numbered; or for any two more of them; or for all of them together. Each proposal must embrace all the items of labor and material comprised in the department or departments, portions or portion bid upon. No subdivisions, other than those above mentioned, will be considered.

THOMAS W. DIAMOND, Bishop.

Notice.—The petition of Arthur Long praying for the admission to probate of a certain document, purporting to be the last Will and Testament of Sophia Bodger Long, deceased, and for the granting of Letters Testamentary to Arthur Long, has been set for hearing on Saturday, the 30th day of March, A. D. 1907, at 10 o'clock a. m. at the County Court House, in the Court Room of said Court, in Salt Lake City, Salt Lake County, Utah.

Witness the Clerk of said Court with the seal thereof affixed this 14th day of March, A. D. 1907.

(Seal) J. U. ELDREDGE, JR., Clerk.
Young & Shaw, Attorneys for Petitioner.
