GEO. A. PRINCE & CO.,

Organs & Melodeons,

The Oldest, Largest, and Most Perfect Manufactory in the United States.

54,000

Now in use.

No other Musical Instrument ever obtained the same popularity.

Send for Price Lists.

Address, BUFFALO, N. Y.

Having no Agent in Salt Lake City at the present time, we announce that (until further notice) we shall fill orders (from Salt Lake City and vicinity) at the same discounts as to wholesale dealers who purchase from $30,000 to $50,000 annually.

The fact of our being the oldest and largest factory in the United States, with 54,000 Organs and Melodeons now in use, will attract buyers, and the merits of the instruments will sell them.

By Telegraph.

PER WESTERN UNION TELEGRAPH LINE.

EASTERN.

No Cause For Alarm.

WASHINGTON, 3.—The collector at Key West telegraphs that there have been only three sporadic cases of yellow fever, and no other cases, and that there is no real causes for alarm.

Gentlemen Thieves Arrested.

RICHMOND, Va., 3.—John E. Bossem, president, and Thos. S. Armstead, cashier, of the savings bank which collapsed during the panic of 1873, have been arrested for embezzling $140,000 belonging to the bank, and making fraudulent entries; they were committed for examination without bail.

Arrested for Forgery.

NEW ORLEANS, 3.—Geo. Drury, a member of the House from Assumption, was indicted to-day, by the grand jury for participation in the forgery of the general appropriation bill recently promulgated.

$220,000 Fire.

BUFFALO, 3.—At 5.30 p. m. a fire broke out in a five story building known as the Coit block, at the corner of West Swan and Pearl streets, occupied by White & Bailey, lithographers and printers, and J. E. Marshall, envelope manufacturer; the building was totally destroyed. White & Bailey's loss is estimated at $145,000, insured $85,000; the total loss is $220,000, insurance $140,000. Edward J. Chester, foreman of the hose, while in the third story, was killed by the falling of the fourth floor.

Overruled.

MEMPHIS, Tenn., 3.—In the U.S. District Court, to-day, Judges Emmons and Ballard over-ruled the motion of the Attorney General of the State, to dismiss the Gibson County Ku Klux for want of jurisdiction, and will proceed with the trial next week.

Meeting of Delegates, &c.

HAZELTON, Pa., 3.—A delegation of the several branches of the Miners' Union, belonging to this region, was held here to-day, and is supposed to have some bearing on the works at Mt. Pleasant. Rumors are circulating of a mass meeting of miners to be held on Monday. The merchants who formed part of the sheriff's posse on Wednesday and Thursday have incurred the opposition of the miners, and a grocer's wagon, sent to Aberville to-day, to deliver goods, was stoned out of town, and the driver was obliged to return without delivering the goods. Several merchants ordered out to aid the sheriff, fearing to incur the ill will of the miners, refused to go, preferring to risk the penalty.

A Benefit Entertainment.

NEW YORK, 3.—The subscription entertainment to-night, at the Academy of Music, for a benefit fund to meet the expenses of the American rifle team in Ireland, next summer, with the Irish team, netted $4,000.

FOREIGN.

WEST INDIES.

A Claim Against the U. S.

SAN DOMINGO, 3.—It is stated that this government is being hard pressed, about 2,000 of its citizens being victims of Baez's action while under the immediate protection of U. S. ships of war, to present a claim on the U. S. for losses and injuries to the government and people arising therefrom. The foundation of this claim has been taken from the speech of Senator Sumner, of March 27, 1871, on the violation of international law and the usurpations of war powers. The government intends, it is said, to present a claim for $5,000,000, but it has not yet decided how or by whom to present it, having no diplomatic representative in Washington. The argument of the Dominican government in support of the claim recites all about Baez's accession to power, his attempt to dispose of the country and the lease of Samana; it declares that he was maintained in power by U. S. troops, and was compelled to flee when they ceased to support him; that while occupying his presidency, protected by U. S. ships, he plundered the treasury of a large portion of its revenue, and illtreated citizens; it alludes to many other facts in regard to the relations of the U. S. and San Domingo, which have occupied attention during several years, and declares that the acts of the U. S. government were in violation of international law, and that it is responsible for the losses and injuries occasioned by the protection of Baez.

Cable Arrived.

CIENFUEGOS, Cuba, 3.—The steamers *Hooper* and *Great Northern* have arrived here from Ponce, P.R., with the telegraphic cable.

AUSTRIA.

In Honor of Maximilian.

TRIESTE, 3.—The ceremony of unveiling the monument to the memory of the Emperor Maximilian took place to-day, in presence of the Emperor Francis Joseph, the Archdukes, ministers, and an immense crowd; there was great enthusiasm. Speeches were made dwelling on the merits of the deceased, and expressing the attachment of the inhabitants of the city to the imperial house and to the emperor, who was deeply loved.

Last Night's Dispatches

EASTERN.

Claims on Mexico—American Tract Society.

WASHINGTON, 4.—As in previous cases where injuries have been inflicted on American citizens by Mexicans, the Mexican government will soon have brought to its attention by the Department of State the enormity of the offense recently committed by invading Mexicans on the Texas border, with such demands for reparation as will satisfy our national honor.

The friends of the American Tract Society celebrated its fiftieth year in New York avenue Presbyterian Church this evening; Judge Strong, of the Supreme Court, presided.

Yellow Fever.

KEY WEST, 4.—We have had four cases of yellow fever here, but the disease is not existing now. The weather is cool and the city healthy.

Abandoned.

NEW ORLEANS, 4.—The senatorial excursion to Mexico has been abandoned. Advices from Washington say, fear of the yellow fever and the illness of Mrs. Morton are among the causes alleged for the change of front. Senators Anthony, Cameron, Chandler, Dennis and Patterson, and General M. Veigh and wife sailed on the *Dispatch* to-day for Cedar Keys, and for a cruise along the Florida coast, and thence to some Atlantic port. Senator Morton was detained at the St. Charles Hotel on account of the illness of Mrs. Morton, who is improving.

$60,000 Fire.

TRENTON, N. Y., 4.—A fire this morning destroyed the finishing department of Cooper, Hewitt & Co's. wire mill, causing damage to the amount of $60,000; no insurance.

WESTERN.

Recovered.

SAN FRANCISCO, 4.—The stolen picture "Elaine" was recovered uninjured, by detectives this morning; five men were engaged in the theft, which was perpetrated in hopes of reward. All of them have been arrested; they are characters well known to the police.

Fighting in Formosa.

The following news came by the steamship *Great Republic*, which arrived at 1 o'clock this morning:

Hong Kong, March 1, Shanghai, March 2. Official mourning was briefly suspended on February 25th throughout China for the ceremonies of the new accession, and for a few hours each city was devoted to solemn forms and elaborate displays, after which there was a general return to the habits and dress of conventional grief. Foreign ships in the open ports, and the legations and consulates were decorated for the occasion. It is reported on high authority that there was a conflict, Feb. 12, in Formosa between southern aborigines and Chinese, the troops of the latter being defeated with a loss of several hundred. The scene of the encounter was Hong Kong village, six miles north of the old Japanese position. It is a remarkable fact that before their departure the Japanese had completely won the confidence and affection of the aborigines, who expressed great sorrow at their withdrawal, but the ancient hatred against the Chinese now appears stronger than ever.

Yokohama, March 11.—The weight of the new trade dollar, Japanese currency, is fixed at five hundred and twenty grains English; the quality is nine-tenths pure silver.

FOREIGN.

GREAT BRITAIN.

Arrested—Papal Nuncio to Spain—Prussia Complains to Belgium.

LONDON, 4.—It is reported from Madrid that Professor Piner, of the university of Madrid, has been arrested because he petitioned the King against the recent reactionary educational decrees; the professor, although ill, was sent to Cadiz for transportation to Juan Fernando.

Advices from Rome say that a papal nuncio to Spain has left the Vatican for Madrid, bearing instructions to the Spanish clergy to strive for the restoration of peace under Alfonso.

It has just transpired that on the 2nd of February the Prusian government sent a note to Brussels in regard to the pastorals of the Belgian bishops, and other publications, complaining of their tone and that their tendency was such as to encourage German Catholics in opposition to the State; complaint was also made of the Duchesne affair, concerning the alleged plot to assassinate Prince Bismarck. The answer of the Belgian government has not been made known.

Complications Likely.

The *Times* correspondent at Berlin says there is reason to fear that the impending deposition of the Archbishop of Breslau may occasion delicate complications in the relations of Austria and Prussia, owing to the fact that a portion of the archepiscopal diocese lies in Austrian territory.

SPAIN.

More Seceders from Carlism.

SANTANDER, 4.—The Carlists have not entered the province of Santander. Submissions of insurgent officers to Alphonso are increasing in number, nearly 100 have been announced in this province alone within a few days. General Maconnell has given notice of his adhesion to the king.
