ANOTHER BOUT WITH STANFORD

Track And Field Meet Between Utah and Californians Is Arranged.

IN WESTERN CONFERENCE.

Coast Athletes Will Come Here on Their Way to Chicago in July For Contests.

Will the University of Utah track and field team be able to again defeat the Stanford athletes in a dual track meet? This question will agitate the minds of local athletes for some time to come. The two teams will meet in this city on April 30, when the Californians will be here on their way to Chicago to again enter the western conference. The meet was decided upon by the athletic council meeting held yesterday afternoon and Maddock's men will begin hard work at once in preparation for the coming event.

Last year, it will be recalled, Stanford was decisively defeated by the Utah boys and there are many who believe the coast athletes can turn the trick again. However, they will be given a chance. The visiting team will also meet Colorado, Denver, Nebraska and Kansas on the eastern trip. At yesterday's meeting a contract was signed for a football game with the Denver university to take place on Nov. 13.

SECOND TWENTIETH WINS.

The second team of the Twentieth ward defeated the Intermediates of the Y. M. C. A. in a basketball game last evening by a score of 45 to 29. The line-up:

Twentieth Ward.		Intermediates.
Hawley	L. F.	Galagher
Thomas	R. F.	Seddon
Kimball	C.	Dye
Richardson	L. G.	Williams
Romney	R. G.	Griggs

Referee—Scarborough.

TIPPETS BEATS SMITH.

On Wednesday night, at Rock Springs, Wyo., Jack Tippets, the local welterweight fighter, put to sleep Ben Smith, champion heavyweight of Wyoming, in the fourth round of what was scheduled to be a 20-round fight.

Tippets returned from Rock Springs yesterday and says the fight drew a big house, and that a great deal of money changed hands over the result. Smith has won more than a dozen fights recently in jig time and was quite a favorite. In the second round he floored Tippets but in the fourth round Tippets got in a solar plexus punch and then hooked one to the jaw that put the heavyweight in slumberland.

To settle the state High School basketball championship a series of three games are to be played between the Granite High School and the Lehi High School teams, the first of these games being scheduled for this evening at the Y. M. C. A. Both teams are in excellent shape, speedy and confident, which means that the games will be among the very best of the series.

Both teams will be supported by a big crowd of rooters and intense interest is taken in the contests. The game will begin at 8 o'clock.

JENSEN SIGNS CONTRACT.

Irvine Jensen, the well known local southpaw, leaves today for Spokane for spring training. He was with the Spokane Indians last year and made a splendid record. He has been holding off so far this year in signing his contract, but received word yesterday that everything was O. K., and he was instructed to leave for the north at once.

MARATHON RACE AT AUDITORIUM

Fifteen of the Fastest Skaters in the Country Here to Enter Long Grind Tonight.

When Gov. William Spry fires the starter's pistol at the Auditorium rink tonight he will send on a 26-mile, 385 yard grind 15 of the fastest roller skaters in the country and the first Marathon race ever run in Utah will be on.

The local boys who will enter the big race have been in training for some time and are in excellent trim and prepared for the long grind. The visiting skaters have all recently taken part in similar events and are in good shape for the gruelling race so that the starters are pretty evenly matched.

Manager O'Mara has marked off a course of 14 laps to the mile, and it has been accurately measured. He will have a perfect system of scoring and every five minutes the spectators will be shown on a huge blackboard the exact position of each contestant and the number of laps as well as the time made. The racers will be numbered and draw for positions on the start. The time in the Butte Marathon was one hour and 25 minutes and it is confidently expected this record will be beaten in tonight's race. There are several outside stars entered for the race, and all are here and have tried the course and expressed satisfaction with the same and the arrangements made by the management.

Among those who have consented to act as judges are A. J. Davis, president of the city council, and Chief of Police Barlow. The race will start promptly at 10 o'clock following a special program.

At Los Angeles.

Los Angeles, March 18.—An attempted "shoo in" at Santa Anita this afternoon was promptly nipped in the bud by Judge Hamilton before the horses went to the post for the closing race. Round and Round was the horse selected in a field of four starters. The betting on the horse opened at 4 to 1, but specular play quickly forced the horse into favoritism at 7 to 5, while the betting on the real choices soared high. The betting looked suspicious to Judge Hamilton and he cautioned the riders with the result that St. Harlo, the natural favorite, won, while Round and Round finished third.

Magazine captured the handicap as his rider pleased.

The third event was a contest for all boats over 12 miles' speed, nine miles, for the Commodore Harrison H. Moore cup. Nine boats entered, the Trent-Sept winning.

A special race of nine miles between the Buffalo and the Bruiser to break the tie was won by the Courier.

The Trent-Sept won in a contest, nine miles, for all boats over 17 miles' speed, for the Association cup.

The last event of the day was a contest for all boats over 12 miles' speed, 13½ miles, for the Holland Springs cup. Nine boats entered, and the Possum, which is the smallest racing boat on the course, won.

MOTHER'S FRIEND

How many dishes in your home? It's a painful count if you wash them in the old-fashioned way

Washing dishes with soap is not only ineffective, but tiresome and needlessly old-fashioned.

Soap does not cleanse as thoroughly as it should; it overlooks lurking germs and leaves a greasy, "smelly" film.

GOLD DUST not only cuts grease and dirt with scarcely any rubbing, but is an antiseptic that goes deep after every minute and oft-times hidden impurity. It will sterilize your dishes and kitchen things, and make them wholesome and sanitary.

A teaspoonful of GOLD DUST in your dishwater will work wonders on dishes, glassware and silver—and save you fully half the labor.

Why not get a package of GOLD DUST at your nearest grocer's, and try it after your next meal.

You'll thank us for the suggestion.
