LOCAL AND OTHER MATTERS.

BENEFIT TO-NIGHT.—Remember the joint benefit of Mr. J. M. and Mrs. Carrie Carter, to-night at the Theatre. The bill is an extraordinary one, both as to quality and quantity. "The Poor of New York" is a first-class piece, and contains seven acts and twenty tableaux; and after that the comedietta of the "Jealous Wife."

In the play, Mr. Carter takes the part of "Badger," Mrs. Carter "Alida Bloodgood." Other characters by the strength of the company. In the comedietta Mr. and Mrs. Carter will both appear. Give them a bumper, something to remember when far way, as a grateful and acceptable souvenir of the folks of Salt Lake.

OGDEN ARRIVALS AND DEPARTURES.—The arrangement announced in the following note will be of much interest to the public and to the benefit of many private individuals—

Editor News.—Hereafter we will obtain daily data of arrivals and departures at Ogden of passenger and freight trains, names of distinguished persons on board. Number of passengers for Salt Lake, any detention with cause, probable time of arrival, &c., and post same up in bulletin form at our telegraph office at Co-op. Drug store west side of East Temple St. Please make a note of this in your paper and oblige A MILTON MUSSER.

Salt Lake City, Dec. 1, 1871.

ARRIVED.—George C. Bates, Esq., the U. S. Attorney for Utah, recently appointed by President Grant, arrived in this city yesterday morning. Mr. Bates comes here with the reputation of a sound lawyer and a gentleman. We are glad to chronicle his arrival, for whatever his peculiar bias may be, if he have one, there is abundant chance in this Territory at the present time for such a man to gain a large increase of honor, whether as a lawyer or a gentleman.

THANKSGIVING DAY.—Yesterday the weather was very fine, and the people generally observed Thanksgiving Day. The principal business places were closed, and the city presented the usual quiet appearance characteristic of Sunday in Salt Lake.

NEW TELEGRAPH OFFICES.—A Milton Musser, Esq., favors us with the following, under to-day's date—

"Editor News—We opened a telegraph office yesterday a.m. at Sandy Station, on the U. S. R. R., Joseph Bowyar, Esq., electrician. Yesterday p.m. we opened another telegraph office at Despaines, near Granite City, alias Temple Rock Quarry, and Messrs Buel and Bateman's Smelting and reducing works, at mouth of Little Cottonwood Kanyon, Miss Ella E. Despaine, operator."

SEXTON'S REPORT FOR NOVEMBER.—Males 26, females 16; of these adults 25, children 17. Died of the following causes as reported: Bowel complaints, 7; consumption and lung disease, 7; brain disease, 4; fevers, 4; old age, 3; pleurisy, 2; paralysis, 2; marasmus, 2; canker, 2; diptheria, 2; died at birth, 1; still born, 1; childbed, 1; appoplexy, 1; heart disease, 1; hemorrhage, 1; small-pox, 1. Total interments, 42.

JOSEPH E. TAYLOR, Sexton.

DIED, on Thanksgiving Day, at the National hotel in this city, of inflammation of the bowels, Mrs. Rosina, wife of Captain Thomas Jennings. Mrs. Jennings had the reputation of being an amiable and estimable lady, and her sudden demise in the prime of her life and womanhood will be deplored by a large circle of friends. She leaves two children here, one four months old, the other three years. She has a married daughter in Chicago. The deceased lady was forty-one years old. She was attended in her illness by the Rev. J. M. Pierce, pastor of the Methodist church of this City, who did all in his power to soothe her passage through her affliction to the tomb.

"The world recedes; it disappears!
Heav'n opens on my eyes! my ears
With sounds seraphic ring:
Lend, lend your wings! I mount! I fly!
O grave! where is thy victory?
O death! where is thy sting?"

NEVADA.—The Belmont Bakery, at the corner of C Street and Sutton Avenue, Virginia, Nevada, was destroyed by fire on the morning of the 28th ult. The fire is supposed to have had an incendiary origin.

Three or four mornings since Edward Combs, a carpenter, while working in the Santiago mill on Carson River, had a chisel knocked, by a revolving pulley, out of his hand into the right side of his chin, tearing through and breaking the jawbone, and cutting his tongue badly.

A NON-VINDICTIVE MORMON POLICY.—It is gratifying to learn from Washington City that the policy advocated by this journal for the treatment of the Mormons finds a favorable place in the minds of Congressmen, whose reported disposition to be charitable and forbearing with this people, to give them an opportunity to get rid of polygamy in a less summary way than by the forcible process of the United States Criminal court, will meet an unqualified commendation from all our people whose judgments are not blinded by prejudice.—*St. Louis Journal of Commerce.*

GOOD—A SENSIBLE JURY.—A Jury at Lockport, N.Y., recently acquitted a young man named Pierce, who killed his sister's seducer. A correspondent writing an account of the scene after the verdict says:

"There was a tumult such as that room had never witnessed, and which the dozen officers present were powerless to restrain. Men whooped and shouted, ladies fluttered cheers and a tiger repeatedly, and dancing up and down with delight. Women laughed and cried, and hastened to shake hands with the defendant, who was in the eager embraces of his family. On being discharged Pierce went to the hall below, where he held a real levee, shaking hands and receiving the congratulations of the people as they passed."

The conduct of that jury is commendable, and the example they have set is worthy of imitation. Honor to them and the man they acquitted. When public sentiment everywhere is educated up to the Lockport standard, society will no longer be disgraced by the presence of the seducer.

SERMON OF MR. BATES.—We are indebted to the courtesy of J. L. High, Esq., official reporter of the court, for the speech of Mr. Bates, U. S. Attorney, made on his presentation to the bar in the Third District Court room this morning, which will be found in another column.

CACHE.—Elder J. Nicholson writes us from Hyrum, Cache Co., Nov. 24th:

"This settlement has a Co-operative saw-mill in successful operation, in Blacksmith's Fork Kanyon. It was built from the funds of the Hyrum Branch of Z. C. M. I., and cost a trifle over $2,600.

"The Co-operative store is a success. Some time since it was discovered that the dividends were too large, and steps have been taken to reduce the prices of goods, that the non-stockholders may be benefited by co-operation as well as those holding shares.

"The brethren here have contracted to supply 20,000 ties to the Utah Northern Railroad, and they are busy getting them out."

COAL AND WOOD!—The cold season is approaching, and now is the time for subscribers to the NEWS to bring in their Wood and Coal, supplies of which are needed at this Office. Bring along the fuel.

QUORUM NOTICE!—The members of the Sixth Quorum of Seventies will resume their meetings on Sunday, Dec. 3rd, at 6 p.m. at the residence of John H. Kelley, 7th Ward. By request of the Council,

GEORGE D. KEATON, Clerk.

140,000
SINGER SEWING MACHINES

WERE SOLD WITHIN THE PAST YEAR.—*Scientific American*, June 10, 1871.

The Singer Manufacturing Company,
AT THE WORLD'S FAIR
—Constituted by the homes of the people—
Received the Great Award of the Highest Sales and have left all rivals far behind them, for they

Sold in 1870 127,833 Machines!

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1870 to the owners of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

The Singer	127,833	Florence	17,660
Wheeler & Wilson	83,248	Gold Medal	8,912
Howe	75,566	Ætna	5,806
Grover & Baker	57,493	Empire	3,860
Weed	35,032	Finkle & Lyon	2,400
Wilcox & Gibbs	29,850	Parham	1,769
American Buttonhole & Overseaming	14,573	Wilson	600

And several other companies who sold a few Machines.

It will be seen by this table that the popularity of the Singer Machine far exceeds that of all others, their sale being one-half greater than even that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the Singer Company have lately commenced making, besides their old and well established manufacturing machine, what is known as their "New Family Machine," which is selling at the rate of nine to one better than their old style." Their total sales for 1869 were 84,781 machines against the 127,833 of 1870, showing an increase of one-half in the latter year."—*New York Sun.*

One-half of our Gigantic Sales, now nearly

THREE-QUARTERS OF A MILLION
Machines Sold,

AND ALL IN PRACTICAL USE, WERE MADE WITHIN THE PAST THREE YEARS

But the greatest increase of our Sales over all other Machines, being within the past year. This is incontestible proof that

Our Machines are the Best in the World!

The New Family Singer Sewing Machine,
With Attachments for All Kinds of Work,

is fast winning supreme favor in the household, as shown by the rapidly increasing sales, over all other machines.

This New Family Machine is now capable of a range and variety of work such as was lately recently thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, and by operated, speedy, and smoothly running of all the Family Sewing Machines. It is wonderfully not only for the range and variety of its stitching, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the Inter-locked-elastic-stitch, alike on both sides of the fabric sewn; the only stitch which is universally approved, or is at all adapted to first-class work. Thus, beaver cloth, or leather may be sewn with great strength and uniformity of stitch, and in a moment this willing and never-wearying instrument may be adapted for fine work on gauze or gossamer tissue, or the tucking of tarlatan, or ruffling, or almost any other work—most to which child-fashioned delicate fingers have been known to perform. Even the careless and thoughtless have little or no trouble on this machine.

Send for Descriptive and Price Circulars.

We manufacture our own needles, silk and twist; furnish linen and cotton thread and oil—all of superior quality—but which can be relied on only when obtained through our Principal or Branch Offices, or Agencies.

Other Sewing Machines Repaired on Reasonable Terms!

We Guarantee every Machine we sell to give entire satisfaction!

MACHINES DELIVERED FREE THROUGHOUT THE CITY.

Terms to Suit All.

We extend a cordial invitation to all to come and see the Machines, whether they wish to buy or not. See all others, but do not buy without you examine the SINGER. Visitors always politely attended by competent attendants. Instruction free. All Machines properly adjusted, before delivery at the

A GREAT MEDICAL DISCOVERY!
MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF
J. WALKER'S VINEGAR BITTERS
Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE-GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.
They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.
FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.
For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.
DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.
They invigorate the Stomach and stimulate the torpid liver and bowels, which remove them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
