

## SILVER KING IS BEING HARD HIT.

Magnolia-St. Louis After the Famous Park City Money Producer.

### GREAT INTEREST AROUSED.

Steps Taken in Federal Court to Enjoin Silver King Company From Extracting Disputed Ores.

Another chapter in the litigation inaugurated some time ago by the Magnolia-St. Louis Mining company against the Silver King Mining company was begun today when the attorneys for the Magnolia-St. Louis filed a subpoena in equity in the federal court, which is in the nature of a preliminary injunction against the Silver King to prevent the mining and extraction of ores from the St. Louis and Magnolia lode mining claims at Park City, the territory in dispute.

It is believed that this is only one of probably several suits to be filed against the company of which former Senator Thomas Kearns is manager, by the interest represented by James McGregor. The public will be deeply interested in the progress of this litigation which promises to develop into one of the hottest legal contests in which Utah mining property of immense value ever was in the courts of this state.

### N. T. SILCOCK DEAD.

Pioneer, 86 Years of Age, Passed Away At Wellington Yesterday.

Nicholas T. Silcock, a pioneer 86 years of age and a faithful and constant member of the Church of Jesus Christ of Latter-day Saints, has passed to the great beyond. His death occurred at the home of his daughter, Mrs. Esther Draper at Wellington, Carbon county, yesterday afternoon at 2 o'clock. The cause of his demise was old age. During the April conference the deceased visited in Salt Lake City, and was ill at the time he returned to Wellington and since that time sank gradually until the end came.

He was born in Staffordshire, England, on Sept. 28, 1819, and became a member of the Church in 1840. He emigrated to the United States in 1842 with his wife, the late Jane Heath Silcock, and settled at Nauvoo, where he assisted in building the Nauvoo Temple. He removed to St. Louis in 1849, and in the fall of 1850 he joined Bishop Edward Hunter's company and came to Salt Lake. He resided here in Tooele and Grantsville until 1865, when he went to Riverton, where he lived continuously until last fall when he went to visit his daughter in Wellington.

The deceased left four daughters, three sons, 55 grandchildren and 43 great-grandchildren surviving him. The daughters are Martha S. Pickett, Pauline Damsie and Nina E. Damsie of Salt Lake, and Esther Draper of Wellington. The sons surviving him are Thomas, Nicholas H. and William H. Silcock, all residing at Riverton. The funeral will be held at Riverton tomorrow afternoon at 1 o'clock. Conveyances will meet the morning trains at Riverton station for the accommodation of relatives and friends from this city.

### WATER SYSTEM FINISHED.

Residents of Draper Now Supplied With Plenty of Aqua Pura.

The residents of Draper are now supplied with plenty of good water for domestic purposes as the new water system is completed and the water was turned on last night. The homes of the people are fast being connected with the main system and plenty of water is forthcoming for sprinkling lawns and gardens and for other household purposes. The new system was installed by John W. Smith and A. J. Nelson, who secured a franchise for that purpose from the county commissioners. At the head of the pipe line about two miles east of Draper is a storage tank with a capacity of 22,000 gallons. A test was made of the water pressure last evening and it was found that a stream of water from the usual size fire hose could be thrown a distance of 113 feet, thus insuring the town plenty of pressure for fire protection.

### STEADY INCREASE.

Satisfactory Business Conditions at Salt Lake Postoffice.

The steady increase in the business transacted at the Salt Lake postoffice is evidenced by the amounts of the sales in stamps and second class postage in the various quarters between March 31, 1904, and Jan. 1, 1906. The totals of the sales by quarters are as follows:

	1904.	1905.
March 31.....	\$45,925.89	\$53,144.47
June 30.....	48,414.20	55,512.69
September 30..	47,724.18	55,204.48
December 31..	57,958.75	65,967.65

This is an increase of 33 per cent.

## PRISON GROOM MAKES REQUEST

Gets One Hundred Days so as to Be Released With His Convict Wife.

### BOTH ARE IN SAME JAIL.

Make Promise That When They Emerge They Will Go Away Together and Start Life Anew.

In the criminal division of the city court, Herbert Williams today pleaded guilty to a charge of obtaining money under false pretenses and was sent to the county jail for a period of 100 days. Williams is the man who was married some time ago to Miss Irma Reeves, the ceremony being performed in the jail, where both were incarcerated. The term of the groom was about to expire, but he was not long at liberty, after freedom came. In a few days, while short of money, he cashed a check of his own making, at the same time having no funds on deposit. He was arrested and has been confined in jail pending a hearing. Mrs. Williams, nee Reeves, has spent all of her honeymoon in prison, having been sentenced to six months for an assault with a deadly weapon upon the person of her sister. Her term will expire on August 19, and her husband today asked that his sentence be so fixed that he might emerge from prison on the same day as his wife is to be liberated. He intimated that the twin would seek other fields and henceforth endeavor to lead lives of honesty and sobriety. The request was granted.

## SUPREME COURT OPINION TODAY.

The supreme court today handed down an opinion affirming the judgment of the lower court in the case of Sven O. Nielson against Otto Peterson, defendant, and Ellen Peterson, intervenor and appellant. The action was brought in Sanpete county to foreclose a mortgage given by Peterson alone to secure the payment of \$311 which he owed to Nielson. The default of Peterson was entered but Mrs. Peterson intervened and raised the contention that the mortgage was illegal because she did not join her husband in it and she also claimed that the property sought to be foreclosed belonged to her and was her homestead.

The lower court rendered a decree in favor of plaintiff and ordered the property sold subject, however, to the dower right of Mrs. Peterson. From this decree the woman appealed to the supreme court.

In the opinion of the supreme court, written by Justice McCarthy and concurred in by Chief Justice Barth, it is held that the statutes of this state provide that in order to exempt a homestead from a levy a selection of that homestead must have been made by the head of the family and recorded prior to the incumbrance. This was not done in this case hence the property was not exempt and the mortgage in this instance is valid but the property is subject to redemption in the usual manner and is also subject to the wife's one-third interest. Justice Straup dissents in part from the opinion of the majority of the court.

## BRAKEMAN DIES FROM INJURIES.

W. M. Pilgerim of Salt Lake Succumbs to Effects of Accident at Park City.

### BODY PUT ON SPECIAL TRAIN.

Brought Here This Morning and the Funeral Will be Under Auspices Of O. R. C. Sunday.

The body of W. M. Pilgerim, a brakeman in the employ of the Rio Grande, was brought to Salt Lake this morning on a special train from Park City. The unfortunate man who resided at 861 west Second South, this city, met with an accident at Park City on Monday while switching. Pilgerim was riding on the footboard of an engine that was backing up to some cars. In some unexplained manner he slipped and the next instant was rolled under the engine. When he was transferred to the hospital at Park City it was found necessary to amputate one foot. In addition he sustained a number of bad cuts and bruises. With the best attention possible at the hands of three surgeons he continued to sink until death ended his sufferings at 10 o'clock yesterday.

Superintendent Elliott placed a special train at the disposal of the local No. 25 Order of Railway Conductors, and the body was brought to Salt Lake this morning. The funeral service will be held under the auspices of the order from the K. of P. hall, 261 south East Temple, on Sunday.

The deceased leaves a wife but no family.

### LONG HOT RIDE.

R. K. Brown Covers 600 Miles in His "Private Car."

With a turkey-egg complexion on a dark mahogany background and blissful smile, R. K. Brown, division engineer maintenance of way Salt Lake Route, returned home last night in novel fashion, having traveled since last Saturday in his own "private car." In an ordinary business car would not be held under the auspices of the order from the K. of P. hall, 261 south East Temple, on Sunday.

The deceased leaves a wife but no family.

### WYOMING WOOL DEALS.

Rawlins, Wyo., May 11.—A special train of wool buyers left here yesterday for Daley's pens west of Rawlins, where over half a million pounds of wool remain unsold. The buyers are not overly anxious to buy wool at the figures demanded by the growers, and the growers will not for a moment consider the offer of 19 and 20 cents made by the buyers. Flockmasters are now convinced that the wool men have entered a combine to cut prices down, and they are determined to break the trust. It is doubtful if any wool will be sold, but all clips will be consigned.

### MINE STUDENTS ON TRIP.

Twenty-two students from the Minneapolis School of Mines are at Brigham Junction today studying smelter operations. They are expected to return to Salt Lake this evening over the Rio Grande and tomorrow will remain a week. From there they will go to Park City and spend additional time in the other mining camps of Utah prior to pursuing their investigations in Idaho and Montana.

## MAIL CLERK HURT BY AUTOMOBILE.

Was Run Down at Noon Today By a Big Ogden Machine.

### D. M. MORRISON THE VICTIM.

Albert Scowcroft Was in the "Chug Wagon" and Did All He Could to Prevent the Accident.

(Special to the "News.")

Ogden, May 11.—An accident of a very serious nature, and one which may result fatally, occurred about noon today on Wall, near Twenty-fourth street, when an autoist ran down a cyclist. The victim was David M. Morrison, a railway mail clerk, and the man driving the benzine buggy was Albert Scowcroft.

Morrison was riding his wheel on the west side of Wall street and was going north. Scowcroft was going south at a moderate rate of speed. Scowcroft saw Morrison and thought the latter intended going straight ahead. He rang the gong, but suddenly Morrison turned directly in the path of the big auto. The next instant there was a crash and a mix-up of men, auto and bicycle. Morrison was knocked from the bike, and the big auto passed over him, but fortunately the wheels did not run over his body. Scowcroft stopped the auto at once and hastened to the assistance of Morrison.

The latter was cut and bruised, and was unconscious. At this time he is seriously injured and there was at first some hope that he would recover. Dr. Root of Salt Lake operated upon the sick man, taking a quantity of fluid from the spinal column. The operation was performed in the hope of a change for the better, but Dr. Root gave the stricken man's relatives no hope.

### DR. SKEEN DYING.

The condition of Dr. Lyman Skeen, Jr., is very much worse today, and his death is expected hourly. Last night, Dr. Root of Salt Lake operated upon the sick man, taking a quantity of fluid from the spinal column. The operation was performed in the hope of a change for the better, but Dr. Root gave the stricken man's relatives no hope.
