MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, Des Moines (the capital of Iowa), Stuart, Atlantic, and Avoca; with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine; Washington, Fairfield, Eldon, Belknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison, and Kansas City; Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independent, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Newton to Monroe; Des Moines to Indianola and Winterset; Atlantic to Lewis and Audubon; and Avoca to Harlan. This is positively the only Railroad, which owns, and operates a through line from Chicago into the State of Kansas.

Through Express Passenger Trains, with Pullman Palace Cars attached, are run each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped. Its road bed is simply perfect, and its track is laid with steel rails.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warranting it), we are pleased to announce that this Company runs *Pullman Palace Sleeping Cars* for sleeping purposes, and *Palace Dining Cars* for eating purposes only. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Kansas City, Leavenworth, and Atchison, connections being made in Union Depots.

THE PRINCIPAL R. R. CONNECTIONS OF THIS GREAT THROUGH LINE ARE AS FOLLOWS:

At CHICAGO, with all diverging lines for the East and South.

At ENGLEWOOD, with the L. S. & M. S., and P., Ft. W. & C. R. Rds.

Swallowing Poison.

Swallowing and inhaling the noxious impurities generated by Catarrh, poison not alone the nasal organs, but the stomach and lungs. No merely local remedy, like douches and insoluble snuffs, can possibly reach or eradicate the virulent agencies of Catarrh. This fact explains the wonderful cures effected by Dr. Wel De Meyer's new inoculative treatment. The elements used by him are absorbed by the mucous membrane throughout the system and form a constitutional as well as local antidote, as certain to cure Catarrh, as vaccine virus is to prevent Small-pox. Its unprecedented sale with unsolicited testimonials from many thousands who, at all stages of the disease, have been cured by this wonderful remedy, establish beyond contradiction, the fact that Wel De Meyer's Catarrh Cure is the most important medical discovery since vaccination. "Cured 15 years Catarrh. Dr F. N. Clark, 8 Montgomery St., San Francisco, Cal. "The only thing that cures." W. J. Davenport, The Dalles, Oregon. Rev. C. H. Taylor, 140 Noble St., Brooklyn, writes: "One package produced a radical cure." "It entirely cured a member of my family who had suffered from Catarrh for 40 yrs." J. D. McDonald, 710 Broadway, N. Y.: "My wife was cured by it, of 18 years Catarrh." J. Swartz, Jr., 200 Hudson Ave., Jersey City: "It cured me after doctoring for nearly 30 years." Mrs. Emma C. Howes, 39 W. Washington Place, N. Y.: "After being given up by my physicians, I was cured of Chronic Catarrh by your medicine." Lewis F. Newman, 305 Fulton St., Brooklyn: "Seven members of my family have Catarrh, and all are receiving great benefit from the Cure." Rev. W. H. Sumner, Frederick, Md.: "It is worth ten times its cost." Rev. C. J. Jones, New Brighton, Staten Island: "When I commenced its use I was too deaf to hear the church bells ring; I can now hear quite well." Chas. S. Manhope, 21 John St., Newport, R. I.: "It relieved me of a great Polypus." W. H. Truesdell, M. D., Elgin, Ill.; &c., &c., &c. Dr Wel De Meyer's "Treatise" is mailed free. His "Cure" is delivered in the United States or Canada, by D. B. Dewey, also, 40 Dey St., N. Y., at $1.50 complete. d9 eow 6m

EVENING NEWS.

Friday, Dec. 24, 1880

MY MOUNTAIN HOME.

I love thee still, my mountain home,
Though in distant lands I'm called to roam,
From my humble cot by the murm'ring rill,
'Neath the rugged brow of a rock-bound hill.
I love each grove with its grateful shade,
Each bright purling brook and grassy glade,
And healthful breezes that gently come,
And the fireside cheer of my mountain home.

On the frowning tops of the mountains high,
Whose hoary peaks seem to prop the sky,
Eternal snows meet my wondering gaze,
Impervious still to the sun's fierce rays.
I oft have watched the eagle's flight
Circling around in the sunbeams bright,
And darting down in the cataract's foam
He bathes his wings, near my mountain home.

And often at morn I've wandered wide
Round mountain's base and steep hillside,
And frightened away from the jutting rock
The sentinel goat to his kindred flock.
The warning whistle's not given in vain;
They hasten away to the distant plain,
From reckless hunters that stealthily roam,
And track their prey to their mountain home.

I've wandered forth in the stilly night,
As Cynthia shed her silvery light,
O'er field and grove and hill and dale,
And the glassy lake in the distant vale;
The whispering breeze from the mountain height
Was ripeling now its bosom bright;
The night hawks scream as they swiftly come
From the rocky caves of my mountain home.

At eventide hour of an autumn day,
The withering grass is seared and gray,
Through the quivering boughs of leafless trees
Are plaintive sighs of the murmuring breeze.
From my cottage home my steps I bend
Through the opening gorge to the rocky glen
Where torrents rush and cascades foam—
Wild music make for my mountain home.

On the shelving rock where I stop to rest
The croaking raven has built his nest,
And startled now, with a lazy sweep,
He wings his way through the upper deep;
The echoing caves give back the cry
Of the eagle's scream as he rushes by,
And darting down from heaven's blue dome,
He seeks his nest near my mountain home.

Now higher still, on the mountain side,
My rapturous gaze extendeth wide,
O'er distant plains, and fields and groves,
Meandering streams and winding coves;
And farther still, the sea fowl laves
His sunny wings in the sparkling waves
Of Great Salt Lake, whose briny foam
I love to see from my mountain home.

These scenes I love and will cherish yet
In memory dear, each fond regret
As I wander forth I'll bear in mind
Those loved ones dear I've left behind.
My fervent hope and constant prayer
Shall be for those I've cherished there;
Wives, children and friends, where'er I roam,
I love ye still, and my mountain home.

Correspondence.

LURLINE COTTAGE,
Cedar Road, Bervistown,
Dec. 2nd, 1880.

Editor Deseret News:

Twelve months having passed away since I left Utah's pleasant vales for England to visit friends and use my best ability to convert sinners, I thought proper to communicate to you a brief account of my progress.

After bidding friends good bye at the U. C. R. R., the fiery steeds by land and the mighty effects of steam on water, quickly transferred us over 7,000 miles of travel, and most pleasantly did Bros. Birmingham, Neilson and myself feel when courteously invited to take seats at 42 Islington.

After a pleasant chat with Prest. Budge and co-laborers at the office, after having received our appointment, on the following morning we separated, I went to Manchester to see my fellow townsman O. F. Hunter, then proceeded to Church Gresley, where my brother and sister were living, and soon found myself in their kind embraces, it being 25 years since I left. Joy and gratitude combined to make eventful the happy greeting. After a very agreeable visit, I left for Bradford, calling at Chesterfield, Sheffield and Leeds, visiting Utah elders, meeting with Saints as well as kindred, preaching to them, and enjoying myself much.

In the town of Bradford I found many relatives and learnt much concerning my ancestry. The Jefferson Brothers are extensive manufacturers of all kinds of woolen and silk machinery. Through them I was introduced to their many friends, and it would have amused you, Mr. Editor, to have seen some of them scowl when I told them I was from U'ah; and it was equally amazing to see how their features straightened out and how talkative they became, when I informed them of Utah's mineral wealth. Gold, silver, lead and precious stones are amongst the gods of this world, and you can always get a hearing if they are the subject. And so it was with some of these gentlemen, who became earnest in their inquiries after their favorite gods, and forgetting their first shock, they began discussing Utah's social condition. And so very much interested did one gentleman become that he would have me talk to his friend two miles distant through a telephone.

During my stay with my cousins, the Jeffersons, they had a family gathering, and as they expressed themselves, got up the dinner "to do me honor," in the American style. I can assure you it was American, as it imitated their extravagant dishes. Thinking it a favorable time to talk on religious doctrines, I was interrupted. "Cousin anything but such nonsense!" A tune on the pianoforte, accompanied by familiar songs, silences me, as they are preferable to hearing about angels and the judgments that are coming on the earth.

Not seeing any possibility of turning my kindred from the tradition of ages to a knowledge of the gospel of Christ, I took my departure for Birmingham, where I was appointed to labor in the ministry, under President Curtis. This labor I performed in the Bedford district, meeting with some opposition from the Methodists. I considered it a better policy to defend than attack, which I did by preaching and distributing the word of God. A few were baptized and some I told to bring forth meet fruit for repentance.

Being instructed by Prest. Budge to change my base of action, I left this conference August 5th, for Nottingham conference to travel in the Leicestershire and Derbyshire district under Prest. Hunter. This change was very agreeable to me, as it afforded me an opportunity of traveling in those parts with which I was familiar when a boy, passing from place to place. There was quite an awakening among some of the people and strangers began attending our meetings. Had the pleasure of the company of Elder J. R. Howard, of Z. C. M. I., he being appointed to travel here. When we arrived at Leicester we received a letter appointed from Prest. Budge with instructions to go and take charge of the Southampton conference. I hope Elder Howard may reap some of the fruits resulting from my labors. Arrived at Southampton, Oct. 20, but too late to see Prest. Snow, which I very much regret. Elders Burningham and Stevens met me at the station, both well. November 7th, held conference. President Hensley, of London Conference, presiding. President Budge not being able to fill the appointment he intended. An enjoyable time for the Saints, and the strangers present gave much attention. We have an extensive field in which to scatter the word of God in, and it is clearly evident that great changes will have to take place before we can enjoy the visible scenes that attended the elders thirty and forty years in the past. Every elder has an assurance that the time draweth nigh when fact ought to move us with new energy to cry aloud and spare not, although few may heed the cry as was the case last Monday. Hearing by mail on Sunday, that Prest. Carrington would be present on Monday, I engaged the services of the town crier, to shout aloud in this aristocratic town that Apostle Carrington from Salt Lake City would deliver a lecture that evening, but few strangers came, but his presence and remarks helped the saints, and none more so than your humble brother, who appreciated the great kindness and forethought of the Apostle to see for himself the unbelief and barrenness of soul that is characteristic of the multitude.

Brothers Burningham, Stevens and LeChemmant are working assiduously in their respective districts. When they fail to gather the people to Zion, their testimony will gather them in bundles ready for the burning.

This winter I shall endeavor, through the help that cometh from above, to give another thorough warning to priest and people, beginning next week by sending to every minister of Southampton "The Gospel Message," "Comprehensive Salvation," "The Latter-day Prophet," and "Plural Marriage," sending my name and address, and soliciting an interview with them to talk upon any point of doctrines set forth in the pamphlets.

Crowned with foam is the goblet, but 'tis not champagne,

TUTT'S PILLS!

AS AN ANTI-BILIOUS MEDICINE, are incomparable. They stimulate the TORPID LIVER, invigorate the NERVOUS SYSTEM, give tone to the DIGESTIVE ORGANS, create perfect digestion and regular movement of the bowels.

AS AN ANTI-MALARIAL They have no equal; acting as a preventive and cure for Bilious, Remittent, Intermittent, Typhoid Fevers, and Fever and Ague. Upon the healthy action of the Stomach and Liver depends, almost wholly, the health of the human race.

DYSPEPSIA.

It is for the cure of this disease and its attendants, SICK-HEADACHE, NERVOUSNESS, DESPONDENCY, CONSTIPATION, PILES, &c., that these Pills have gained such a wide reputation. No remedy was ever discovered that acts so speedily and gently on the digestive organs, giving them tone and vigor to assimilate food. This accomplished, the NERVES are BRACED, the BRAIN NOURISHED, and the BODY ROBUST. Try this Remedy fairly and you will gain a Vigorous Body, Pure Blood, Strong Nerves, and a Cheerful mind.

FAMILY RECORDS!

WE ARE NOW PREPARED to receive orders for FAMILY RECORDS of an approved form. Each book is divided into four forms.

The first form is that of a "FAMILY RECORD," with ruled and printed spaces for births, marriages and deaths, in each family, also for names, dates, and places, one page accomodating one family.

The second form is a "CHURCH RECORD," with spaces for blessings, baptisms, confirmations, ordinations, endowments, and patriarchal blessings and various particulars of the same.

The third form is a "SEALING RECORD," with spaces for name of person sealed, birth, death, time, place, etc.

The fourth form is a "BAPTISM FOR THE DEAD RECORD," with spaces for names, dates, birth, death, baptism, confirmation, etc.

The fifth form is a "RECORD for BAPTISMS, ENDOWMENTS, ORDINATIONS, and SEALINGS for the DEAD."

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

These records are well printed, and ruled on good ledger paper, substantially bound in full sheep, English rum, or Beck. We can furnish them of any size, from one to five quires, or larger, but probably five quires is as large as will be desired. We can also furnish the various forms in a record, proportioned to each other, to order.
