NELSON BRANDS REPORTS AS FALSE

No Truth in Statement That Nolan Has Not Settled With Him.

BATTLING GOT HIS MONEY.

His Manager Hated By Gang of Grafting Men in San Francisco Who Want to Make Trouble.

Reports are being persistently sent out from San Francisco to the effect that there is a wide split between Battling Nelson and his manager, Billy Nolan, and that Nolan has failed to settle up with the champion.

Nelson denies the story emphatically. He ought to know. At a quiet little dinner the other day, the matter was being talked over and Nelson said that the story as sent out from the coast was a rank falsehood.

"The trouble is simply this," said Nelson. "They tried to job us out there and were given a good licking. Nolan was a little too much for the wise guys and would not stand for their rank work. They hate him because he will not stand for their taking out $1,000 forfeit. The forfeit is held up because I did not appear in the ring at 1:30 p. m. The articles of agreement called for appearance between 1 and 3 p. m. Even if I had not climbed through the ropes until that hour they would have had no right to the forfeit. They used me didn't they?"

"Well, you beat 'em all, anyway," remarked Bob Lundie.

"Yes," replied the champion. "It was rather a queer deal. The club promoting the fight was practically the Olympic club. I had three Olympic club members in my training camp and to my corner. I fought for the Olympic club, fought an Olympic club member—James Edward Britt."

"Yes, and you beat 'em all," said Lundie.

Going back to the original subject Nelson said:

"Those fellows over there thought it would be easy picking to grab a few thousands of my earnings, and they did get their hooks onto some of it. They thought we would say nothing and stand for the grab. The picture machine money is tied up, but I'll bet a thousand that until I get my money out of it the pictures will never be exhibited.

"Talk about Nolan not settling with me. It's all rot. I have received my cut of the money, all that is coming to me except those who are trying to rob me. Nolan remained on the coast to settle these matters, and they hate him and are trying to break us up because Nolan is too wise for them. Break us up! Yes, they stand a fat chance—I don't think."

Nelson opens a week's engagement at one of the local theaters today. With Bobby Lundie he boxes three rounds, and gives an idea how he defeated Britt by his great infighting.

GRANEY HAD A BET.

That's Why He Called All Wagers Off—Wanted to be Fair.

Eddie Graney replies to those sporting scribes who have found fault with his action in declaring off the bets on the Britt-Nelson fight which were made before he was selected to act as referee by saying that he had more than one reason for his action, the chief being that he had his own money bet on Nelson. While Jeffries was still supposed to be the referee Graney bet $1,250 to $1,000 on the Chicago boy. When he was chosen as third man he felt compelled to call off the bets.

Graney's other reasons were based on just as fair principles. He believed that many other people had bet on the fight with the understanding that Jeff would referee.

Graney figures that he lost $1,000 by entering the ring to determine the merits of the two great fighters. No one doubts Graney's honesty of purpose and all admit that he refereed the contest impartially. Some of the sporting writers have expressed doubt as to his wisdom and others have questioned his authority.

Your Heart

May Be Weak. One Person in Four Has a Weak Heart.

One of the surest signs of a weak heart is shortness of breath after exercise.

Your heart is not able to pump the blood fast enough to your lungs.

Some of the other symptoms of Heart Trouble are: Pains in the Side, Back and Shoulder; Fainting or Weak Spells; Dry Cough; Swelling of Feet and Ankles; Cold Feet or Hands.

No one can afford to allow a weak heart to go without medicine, because weak heart means poor circulation, and poor circulation means weak lungs, stomach, liver, kidneys, etc.

If, therefore, you suspect heart trouble, begin taking Dr. Miles' New Heart Cure. The Heart Cure will do you good, as it is a splendid tonic for the blood and nerves, and will revitalize your entire system.

Finally, remember, Dr. Miles' New Heart Cure is sold under a guarantee that the first bottle will do you good.

If it doesn't—your money back.

"I was afflicted with heart trouble for three years, would be apparently all right, and without a moment's warning would fall as though shot. The attacks were frequent, and a terrible dread possessed me, as I never knew when or where, nor under what conditions I would be attacked, and whether I would survive them. I consulted and was treated by some of the most eminent physicians of the state. Not finding relief from this source, I began taking Dr. Miles' New Heart Cure, and began to improve at once. I used ten bottles, which entirely cured me, as I have not had an attack for five years."—MRS. ROSA DRESHACK, Leipsic, O.

ECZEMA

ITCHES AND BURNS

The return of warm weather means a return of torture to Eczema sufferers. The blood is charged with burning acids and acrid matter which is forced to the surface through the pores and glands, forming pustules which discharge a sticky fluid, and the itching is intense.

The doctors said I had pustular Eczema; it would break out in small white pustules, mostly on my face and hands, discharging a sticky fluid; crusts would form and drop off, leaving the skin red and inflamed. I was tormented with the itching and burning characteristic of the disease for five years, and during the time used various medicated soaps, ointments and washes, but these applications seemed to make me worse. After taking S. S. S. a short time I began to improve; the itching did not worry me so much. I continued the medicine, and soon all the ugly eruptions disappeared and my skin is now as clear as anybody's. I have not been troubled with any breaking out since.

Urbana, O. E. E. KELLY.

Sometimes the disease is in the dry form, and bran-like scales form on the skin, but the cause is the same—humors in the blood. Salves, cooling washes, powders and the like can do nothing more than relieve the itching, because they do not reach the acid-laden blood, the seat of the trouble. S. S. S. cures Eczema and all skin diseases by neutralizing the acids and carrying them off through the proper channels. When S. S. S. has done this the symptoms pass away, the blood is cooled and the disease is cured permanently. Nothing acts so promptly or surely in skin diseases as S. S. S., and it at the same time acts as a tonic to the entire system. Book on Skin Diseases and any medical advice without charge.

Lineup of Salt Lake team:

Goal, Hatton; backs, Russell, Sandford; halfbacks, J. Sneddon, Sansbury, P. Sneddon; forwards, Marshall, Nathers, Service, Salt, Churchill.

ON THE RACE TRACK.

Audubon Boy Paced a Wonderful Mile At Readville.

Readville, Mass., Sept. 22.—More than 3,000 enthusiastic followers of harness racing saw Audubon Boy pace one of the most wonderful miles ever made, under adverse conditions, at the Readville track today. Time, 1:59¼, equalling the record made by Star Pointer seven years ago. Audubon Boy started to beat 2:00¼.

Weather conditions favored record time, but the protracted rain earlier in the week left the track heavy. The assistance of a pacemaker was useless, Audubon Boy having distances his pacemaker before the half-mile post was reached. In making the trial for the record, James Y. Galcomb, owner of the chestnut stallion, refused to use a wind shield or to have a running horse draw a cart with canvas attached between the wheels in the lead, preferring to make the attempt in the same way that Star Pointer gained the world's record of 1:59¼ at the Readville track seven years ago. This is the present record with the runner or pacemaker going at one time, Dan Patch, in 1902, paced a mile in Readville in 1:59¼, under similar conditions, but, as he went to beat that time, it was recorded as a losing performance. Since then Dan Patch has gained a record of 1:56, but this mark was made with a running horse in the lead.

It was a little after 4 o'clock when Audubon Boy tried for the record. The first quarter was made in 29 seconds and the next in 28½ seconds, making the time for the half-mile 57½ seconds. When the time was announced the crowd cheered. The third quarter was reached in 1:27½, but before this it was seen that, whatever the time of the mile, Audubon Boy would have to make it entirely unassisted, the pacemaker then being 100 yards in the rear. Galcomb did not make a stirring drive at the finish and was 31¼ seconds coming to the wire, making the time for the mile 1:59¼, just equaling Star Pointer's time, and giving Audubon Boy that mark inasmuch as his attempt was for the purpose of beating 2:00¼.

As a result of Audubon Boy's performance today, a match between the east and west is considered probable. Audubon Boy representing the east and Dan Patch the west. It is said that W. Savage, owner of Dan Patch, will agree to a match of speed at Memphis, Tenn., next month, as Galcomb is anxious for a race.

THE BRAKE BROKE AND COACH WAS OVERTURNED

Driver and One Passenger Were Fatally Injured—Accident Occurred Near Klamath, Oregon.

San Francisco, Sept. 22.—Fred S. Stratton, collector of this port, narrowly escaped death, and two persons are dying, as a result of a wild ride in a runaway coach. Theodore Reynolds, the driver, and Miss Bussey, a passenger, of Attendale, Or., received injuries that will prove fatal.

The accident occurred Wednesday afternoon, between Chase's, 35 miles from Klamath, Or. The coach had left there and was proceeding toward Williams, when the brake broke and the coach was overturned. At that time the coach was on a very steep grade, approaching a precipice 500 feet above the Klamath river.

Collector Stratton was thrown 35 feet and landed on the brink of the precipice. When he regained consciousness Reynolds, the driver, was lying alongside of him, with his head split open. Miss Bussey was not far away, and she was bleading from the mouth and nostrils.

Other passengers, a Mr. Schuman of this city and Charles Moore, Jr., son of the secretary of state for Oregon, were also injured, but it is not thought very seriously.

Collector Stratton and the passengers who were not badly hurt hurried to the assistance of the persons imprisoned in the stage coach and succeeded in getting them out of the debris. All were taken back to Chase's and a physician was sent for, but it was seven hours before he arrived.

Meanwhile the driver and Miss Bussey became gradually worse, and when Mr. Stratton left the scene of the accident yesterday were believed to be dying.

Mr. Stratton arrived here this morning and is at his home in Oakland. He was badly shaken up and bruised.

BEWARE OF "FAKE MEDICAL COMPANIES."

Drs. Shores In their many years of practice in Salt Lake City, have never resorted to abuse of any honest physician—but on the contrary Drs. Shores have always welcomed HONEST competition—but when TRAMP DOCTORS and ITINERANT FAKIRS, hiding under the cloak of a "Fake Medical Co.," seek to trap the unwary, Drs. Shores feel it a duty to call attention to such frauds. EVERY DOCTOR ENTITLED TO PRACTICE MEDICINE IN UTAH HAS HIS NAME AND CREDENTIALS ON RECORD IN THE COUNTY RECORDER'S OFFICE. If you intend to consult a doctor, FIRST EXAMINE THE RECORDS AND SEE THAT HIS NAME IS THERE. It is an old-time trick to advertise a "Fake Medical Co." and parade one doctor as possessing great skill (who is either a non-resident of the state or is dead and buried), and then palm off some unscrupulous quack on the sick when they come to consult the doctor advertised. DID YOU EVER HEAR OF A GENUINE, REPUTABLE PHYSICIAN DOING BUSINESS WITH THE SICK AS A "FAKE COMPANY?" The "COMPANY" furnishes the cloak under which ANY QUACK can practice. If you go to see a doctor be sure to SEE HIM IN PERSON, and don't be satisfied with some one who "RIPRESINTS THE DOKE-TOR" on a salary of 200 per month.

Compare the picture of the doctor advertised with the face of the man who consults you—then ask him who he is.

Drs. Shores conduct their business under their OWN NAMES—If you consult Drs. Shores & Shores, you see the DOCTORS PERSONALLY. If you consult other doctors, BE SURE YOU SEE THE DOCTOR HIMSELF.

Sore Running Eyes For Years—The Result of Catarrh Quickly Cured by Drs. Shores & Shores.

STALEY WICKER, Bountiful, Utah.

MRS. HELEN WICKER of Bountiful, Utah, tells of her son's remarkable cure. She says: "My nine-year-old son, Staley, has suffered for the past five or six years with Catarrh—which greatly affected his eyes. They became sore, and constantly run—so much so that we were constantly wiping and dressing them. In the morning they would be full of matter—and before we could send him to school we had to work on them with warm water each morning—and then the water would run from both eyes all day.

"He had headaches, head and nose stopped up and was in a serious condition when we took him to Drs. Shores & Shores. Under Drs. Shores' care he began to improve immediately, and after a short course of treatment his eyes are entirely cured, clear and strong—his other symptoms have disappeared—and I think it such a wonderful cure that I want to tell all mothers what Drs. Shores have done for my boy.

Signed, "Mrs. Helen Wicker,' Bountiful, Utah."

So-called "Weakness" in men is merely a symptom of chronic inflammation in the prostate gland, brought on by early dissipation or by the improper treatment of some contracted disease. A complete and radical cure is, therefore, a question of restoring the prostate gland to its normal state, and this we accomplish promptly and completely without the use of internal remedies. Our treatment is a local one entirely. It is original and scientific, and has been proven absolutely effective by thousands of tests.
