## LOCAL AND OTHER MATTERS.

THEATRE.—This evening the sensation drama of the season, of "Above and Below," which has some time in preparation, is the attraction. It will be presented with new scenery and appointments. Miss Rose Evans will appear as "Lizzy Goldberry," and Mr. M. Bates as "Harry Trueworth." Other characters by Miss Adams, Mrs. A. Clawson, Mrs. Graham, Messrs. Graham, Thorne, Marden, Dudderidge, Dunne, Forster, and Wilton.

WANTS MONEY MORE THAN MEN.—At one of the recent public missionary meetings in New York, Bishop Randall, of Colorado, is reported thus, to use the report's language, "He wants more money than men, for he knows of men if he could get money to support them."

That's his case certainly, if the bishop can get money the men to be supported by it may be sure to be forthcoming. Men, even bishops, may go a begging, but money seldom does.

LOST OR STOLEN.—This morning as Mass. George Bourne was on his way from the wholesale co-operative store to the residence of his parents on Third South St., he thinks he lost or was robbed of an English, double cased patent lever silver watch, which he carried in his vest pocket. The circumstances that when near the residence of Mr. Woodmansee, a strange man passed him, and at the same time he felt a jerk at his vest, and the party ran quickly away, that he looked and found his watch gone, and he believes his pocket was picked. If, however, it should be otherwise, and any person should find such a watch they will oblige an honest action by taking it to the boy's father, Mr. Geo. E. Bourne, at the hardware department of Zion's Wholesale Co-operative store.

RETURNED MISSIONARY.—Elder George Q. Cannon, of Payson, got back last night from his mission to the States. He left this city for the East in November last. He first visited Pennsylvania, and traveled through Lancaster, Chester and Berks counties. From there he went to Madison County, Indiana, from which latter point he started for home. He had but little opportunity of speaking in public, but was able to occupy his time in advocating the principles of the Gospel in private circles.

IRKSOME AND STUPENDOUS.—The New York *Herald*, commenting upon Utah legislative and other affairs, says, "Still the difficulty of dealing with polygamy remains as irksome and stupendous as before." Of course it does. The difficulty of dealing with anything which is not one's business, may naturally be expected to be irksome and stupendous. Nothing mysterious in that—it is one of the simplest of all natural laws.

CAN'T DO IT.—The veracious gentleman who sends dispatches from Salt Lake to the New York *Herald*, says through that paper, speaking of the Utah Legislature, there is not a representative of the people in that body. Now it is no use for that gentleman to try to get further from the truth, because "he can't do it."

Again, speaking of Statehood for Utah, he says, "With their limited population it would result in the flight of the Gentiles or a fight, as vast monetary interests have been built up which would not be abandoned without a great struggle. The non-Mormon population is entirely hostile to the proposed scheme, and do not wish to be sold out."

This is about as true as the other, and is simply what is elegantly termed "bosh."

VERY LITTLE TO DO WITH THEM.—The Omaha *Herald* is apprehensive that "in the proposed settlement of the Mormon question," the "Mormon" leaders "may wake up only when it is too late, to find that God has very little to do with the schemes of American politicians to persecute and rob an unoffending people." If the Almighty can't overrule, who can?

DOESN'T KNOW WHAT TO DO ABOUT IT.—The Washington correspondent of the New York *Herald*, writing Jan. 9th, says—

"The President and Senators West and Kellogg, of Louisiana, have received today voluminous dispatches concerning the Louisiana legislative troubles. The President, in conversation with a Senator today, said he did not know what to do. The reconstruction act fully justified interference by the Federal troops, while their presence aided the factions."

THE LONDON NEWS thinks the end of "Mormonism" is approaching. In this and many like cases the wish is father to the thought.

SAVE YOUR RAGS.—By making extensive building repairs and introducing new machinery, we have placed our paper mill in excellent running order. Of course we are desirous of keeping it running, that we may constantly supply to the community an excellent article of print, wrapping and other kinds of paper. To keep it running we must have rags, and in keeping up a supply of the same we are dependent upon the co-operation of the people of the Territory, in town and country.

Nobody can advance the plea now that they cannot take the NEWS, because they are too poor to pay for it, for, by a little care and economy, enough cotton rags could be saved during the year to pay for a subscription.

Then again, if anybody is in want of a Hymn Book, Book of Mormon, Doctrine and Covenants, Catechism or any other of the Church publications, all that is necessary, if the ready cash is not handy, is to bring along a sufficient quantity of cotton rags, old gunny sacks, &c.

We request our Agents in the country, the managers and others connected with the various co-operative stores to interest themselves in this matter, by obtaining all the rags they can and forwarding the same to this office.

The paper mill is a home institution and should be sustained by the people, by their interesting themselves in procuring for it the raw material from which to manufacture the paper.

From this time we shall expect the rags to flow in, in sufficient quantities to enable us to keep the mill running at all seasons, when the weather permits.

We reiterate it again. Do not burn up nor otherwise destroy your rags, but be careful of them, gather them up and bring them along to this office, and get the value of them, that you may have the pleasure of gazing upon them in another form, as you sit, of an evening, comfortably by the fireside, reading the NEWS.

ILLUSTRATED AND OTHER PERIODICALS.—Mr. Jas. Dwyer, of the Railroad News Depot, placed on our table the following publications today: "Godey's Lady's Book," for February; "Frank Leslie's Illustrated Newspaper," for Jan. 13; "Harper's Weekly," for Jan. 20th, which contains, amid numerous other excellent cuts, with accompanying life sketch, a portrait of the late Jas. Fisk, jun. We have also the "Chimney Corner," for Jan. 27th; the "Western World," for January, which has a portrait and a very fair life-sketch of President B. Young. Last, but not least, comes the "Budget of Fun," which is brimful of caricatures and witticisms.

It will be observed that the above are mostly dated ahead, which is characteristic of the enterprising Dwyer, who never means to get behind, but to be at least always up with the times.

A DELIGHTFUL morning to-day, after the pretty little snow-storm of yesterday, which left three or four inches of snow.

DIED.—The Ogden *Junction* of to-day states that Elder James McGaw, of that city, died, of heart disease and inflammation of the lungs, on Monday the 15th inst.

Deceased was born in Canada West, Aug. 27th, 1824. He joined the Church in Nauvoo, Illinois, and came to Utah in 1852. He filled a mission to Texas in 1854, and one to England in 1860, returning from the latter in 1863, having charge of a company of Saints across the ocean.

He leaves a wife and seven children.

A Boston workman, who says he has little sympathy with the foolish twaddle sometimes said and written about working men's rights, sends the following to the *Traveler* of that city: "Capital without labor is like faith without work—dead. Labor without capital is like work without faith—valueless. In the nature of things there is perfect harmony between them, and selfishness alone suggests any antagonism. Let capital beware, lest it alienate labor. Let labor beware, lest it cripple capital. Let capital say to labor, 'Lend me thy hands;' and let labor reply, "I will; but let me hold one of the strings to thy purse.'"

140,000

SINGER SEWING MACHINES

WERE SOLD WITHIN THE PAST YEAR.—*Scientific American*, June 10, 1871.

The Singer Manufacturing Company,

AT THE WORLD'S FAIR

—Constituted by the homes of the people—

Received the Great Award of the Highest Sales and have left all rivals far behind them, for they

Sold in 1870 127,833 Machines!

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1870 to the owners of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

| | | | |
|---|---|---|---|
| The Singer | 127,833 | Florence | 17,660 |
| Wheeler & Wilson | 82,211 | Gold Medal | 5,912 |
| Howe | 75,168 | Ætna | 5,806 |
| Grover & Baker | 57,402 | Empire | 3,560 |
| Weed | 85,002 | Finkle & Lyon | 2,410 |
| Wilcox & Gibbs | 28,880 | Parham | 1,760 |
| American Button-hole & Overseaming | 15,573 | Wilson | 500 |

And several other companies who sold a few Machines.

It will be seen by this table that the popularity of the Singer Machine far exceeds that of all others, their sale being more than double greater than even that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the Singer Company have lately commenced making, besides their old and well-established manufacturing machine, what is known as their "New Family Machine," which is selling at the rate of nine to one better than their old style." Their total sales for 1869 were 81,781 machines against the 127,833 of 1870, showing an increase of one-half in the latter year.—*New York Sun.*

One-half of our Gigantic Sales, now nearly,

THREE-QUARTERS OF A MILLION

Machines Sold,

AND ALL IN PRACTICAL USE, WERE MADE WITHIN THE PAST THREE YEARS.

But the greatest increase of our Sales over all other Machines, being within the past year. This is incontestible proof that

Our Machines are the Best in the World!

The New Family Singer Sewing Machine,

With Attachments for All Kinds of Work,

Is fast winning supreme favor in the household, as shown by the rapidly increasing sales, over all other machines.

This New Family Machine is now capable of a range and variety of work, such as was only recently thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, speedy and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the interlocked-elastic-stitch, alike on both sides of the fabric sewn; the only stitch which is universally approved, or is at all adapted to first-class work. Thus, beaver cloth, or leather may be sewn with great strength and uniformity of stitch, and, in a moment the widest and heaviest wearing instrument may be adjusted for fine work—even by a child—which delicate fingers have been known to perform. Even the careless and thoughtless have little or no trouble on this machine.

Send for Descriptive and Price Circulars.

We manufacture our own needles, oil and twist; furnish linen and cotton thread and oil—all of superior quality—but which can be relied on only when obtained through our Principal or Branch Offices, or Agencies.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFEGIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
