MAMMOTH MAKES WONDERFUL GAIN

Was the Star Performer on 'Change This Morning.

STOCK SELLS UP TO $3.25.

Grand Central Falls Off—Northern Light Takes a Drop—Prices Lower—Value in Demand Again.

TODAY'S METALS:
SILVER 58
LEAD $4.40
CASTING COPPER 17.

Still a performance on that price by Mammoth this morning has seemed over-stimulated on the floor of the Salt Lake Exchange.

It was known before the call that no sellers were anxious, and the shorts were anxious while there holding the stock sailed considerably. But even then were not prepared for the tremendous rise.

The first sale was made at $2, and from that time on it was a steady advance with everything sold over $2.50 was snapped up as fast as it came into the market. It closed very strong at $3.25 and $3.30 asked.

At Saturday's call it sold as low as $2.05, on that day's account, and Monday's opening was at $2.75, on the early Saturday's highest and the $3.25 on that the quite other than was nearly twice as high as the stock is selling on Saturday, and another advance is predicted at tomorrow's call.

Many of the shorts are in a tight and all orders were seen from the stock closing week of the sheet.

There seems to be no reason to attribute it to a little under $. Value gets value on the front, would hand you going at a reasonable figure and coming down as far, the others.

Price was weaker, selling down to 16c.

You all lots of no three cents of Dale-West sold at $1.45 and $1.50.

Four Aces was weaker, a thousand shares selling at 2c cents.

The other stocks were mostly weaker, or showed no strength.

The total quantities were as follows:

TRADING IS FAIRLY LARGE.

Improved Condition of Stock Exchange Affairs in Wall Street.

Gains in Several Lines—London Shows Better—Live Stock Market Lower.

New York, Oct. 9.—The opening at the stock exchange was with a higher level of prices. Trading was fairly large, and the standard stocks were in demand. London's improved prices for Americans were reduced in good order to the intermediate. An inquiry developed for some of the local issues and Federal steel, National steel, Republic steel, and steel and wire sold up about 10½ per cent. Pullman equipment, 7 per cent, off, but such jumps as Sugar, Tobacco, Chicago Gas, Leather, Louisville and Nashville, were not large. But other stocks showed good advances, notably St. Paul and Burlington, Sugar and Brooklyn rapid transit showed the greatest activity. Sugar sold up 3 per cent for Louisville, which attracted a good deal of attention.

National Lead was an exception to the general tone of the market, it has been changed hands not for account but was sold short and bought. The stock has been offered in a few strikes.

Prices of the leading bonds were checked and fractionally lower.
