Last Night's Dispatches.

EASTERN.

Rifle Shooting.

NEW ORLEANS, 21.—J. K. Renard won the Lilienthal cup, at the Long Range rifle shooting, and Captain James Buckley won the first prize, an elegant silver cup, at the glass ball match, defeating 24 contestants.

Suit against a Railroad Company.

MOUNT VERNON, Ohio, 21—Henry T. Porter, an attorney of this city, has commenced suite on his own account in the court of common pleas of this county, against the B. & O. Railroad Company, for services rendered during the past six years, claiming judgment in the sum of $57,816.

Important Religious Event.

NEW YORK, 21.—The *Herald's* Paris special says: From a person who professes to have intimate acquaintance with the Vatican, I hear that a movement is on foot which promises to be the most important event in the religious history of the century. This is nothing less than the secession, in large bodies, of members of the English Protestant church to the Roman Catholic church. The number of seceders is placed at as high a figure as 3,000,000, of people. Included in this exodus from the Church of England, are bishops, rectors, curates and deacons. Authorized delegates are, it is asserted, now in Rome, negotiating conditions upon which the secession will take place. The acceptance of the Catholic faith is promised on the following conditions:

First—Acceptance of all doctrines of the Catholic church.

Second—To solve the difficulties among the Anglicans relative to the ordination of bishops, ministers and deacons; consent to receive fresh orders in the Roman church under certain conditions.

Third—All new priests to undertake celibacy.

Fourth—Ministers already married shall not be asked to quit their families, but shall be debarred from hearing confessions.

Fifth—New Catholics to be placed for a period of 20 years under a special heirarchy in order to smooth the many differences of opinion that may arise during transition. This plan is modelled on that adopted by the church in the east. In Armenia, for instance, every city has its special heirarchy.

A Denial.

Bishop McCloskey sends to the Associated Press the following: "I give my unqualified denial to the articles which have appeared in different papers against me.
(Signed)
"SAML. McCLOSKY,
Bishop of Michigan.
"New York, April 20, 1878."

Disbursing Coin.

Special dispatches state that a number of banks and business houses in Pennsylvania are disbursing coin.

Robbing a Safe.

CINCINNATI, 21.—Chas. Dimmit, who has been on trial at Batavia, Ohio, for robbing a safe of the county treasurer of $24,000, was, yesterday, found guilty and remanded for sentence.

Fatal Shooting Affair.

COLUMBUS, GA., 21.—Col. W. L. Salisbury, banker, mayor *pro tem.*, and owner of the *Enquirer* and *Sun* in Columbus, was fatally shot in the back while entering the train at Seale, Alabama, on Saturday, by Dr. P. M. Palmer. The latter had sued Salisbury for $250,000 damages to character by publications, and the jury awarded him one cent. Salisbury died to-day. Palmer fled. A reward of $500 is offered for the arrest of the murderer.

Disastrous Storm—Great Destruction of Property.

DEADWOOD, 21.—The severest storm ever known in the hills has been raging since the night of the 16th, of heavy snow, rain and hail, doing much damage to the placer flumes and shafts in the gulches by flooding. Operations in the quartz mills are almost entirely suspended. The roads are impassable, and as the roads and bridges are washed away, communication between the camps is cut off. Many buildings in the course of the overflowed creeks were washed away. The snow is still falling. Belle Fourche river, heretofore crossed by the Bismarck stage, is now three miles wide and very deep, the passengers being ferried across in skiffs, the coaches being unable to cross at any point.

The Indians.

The first appearance of the Indians, in three months, was evinced last Saturday. Deputy Sheriff Wilson, arriving from Belle Fourche, reports his narrow escape from a party of hostile Sioux, evidently *en route* to join Sitting Bull.

$100,000 Fire.

AUGUSTA, Ga., 21.—This morning, a fire broke out in Macon, in Wheeler's saloon, a wooden building between the Brown House and National Hotel. The Brown House was totally destroyed; the National Hotel is not materially injured. Most of the goods in the stores under the Brown House were saved in a damaged condition. The engines worked all day. The fire is entirely under control. The estimated loss is $100,000; the insurance on the Brown House is $15,000.

Negro Emigrants for Africa—Intense Excitement.

CHARLESTON, S. C., 21.—The negroes of Charleston have been intensely excited for several days past in hourly expectation of the sailing of the bark *Azor* with the first ship load of emigrants sent to Africa by the Liberian Exodus Association. Various circumstances, however, have delayed her departure, the main impediment being the want of cash and the propensity of the blacks, despite all precautions of the customs officers, to crowd a larger number of passengers between decks than the law allows. The task of examining the ship and landing the surplus emigrants was performed no less than three times, and it was not until a guard was put aboard by the collector that the bark could be kept in a condition to be properly cleared. Yesterday, however, all the arrangements were completed, and about 8 o'clock this morning, the *Azor* was being towed out to sea by the tug *Wade Hampton*, being accompanied to Barley by two harbor steamers crowded with black excursionists, while the whole battery and wharves were thronged with thousands of negroes, shouting and waving their hats and handkerchiefs as the bark bore out to sea. The *Azor* carries 250 passengers, about one-fifth of whom are young children.

Washington Gossip.

WASHINGTON, 21.—Current political gossip has recently brought to the surface in this city a suggestion, said to have originated on the Pacific coast, that the best way to get rid of polygamy would be to annex Utah to Nevada. The constitution of that State would, it is argued, quickly dispose of the problem without further trouble to Congress.

Gossips also predict that a formidable movement is soon to be made to admit Washington Territory as a State into the Union, and thereby provide two more republican Senators. It is scarcely necessary to say that such a movement would have no possible chance of success in either branch of Congress at present.

Senator Jones, of Nevada, has gone to New Orleans to look after his ice manufacturing interests for a few days. He is expected back next Thursday.

The committee on agriculture have agreed to report, with favorable recommendations, the bill introduced in the House providing for the better protection of cattle in transportation. The bill requires that cattle shall be fed at least once every 24 hours.

WESTERN.

Treasure Recovered by Two Divers from a Wrecked Steamer.

SAN FRANCISCO, 21—The schooner *Caroline Medan*, Capt. Winant, has returned from the wreck of the steamer *City of San Francisco*, with about $16,000 in silver bullion recovered by the divers. The expedition was fitted out by Capt. Winant at the solicitation of two divers, James Steel and Daniel McGlade. They report the wreck a confused mass, and the cargo ruined. The recovery of the bullion was attained with great risk on account of the exposed position of the sunken steamer.

FOREIGN.

GREAT BRITAIN.

The Cotton Operatives—Sensible Advice.

LONDON, 21.—A numerously attended meeting of delegates of the amalgamated association of operative spinners, winders, and other classes of operatives was held at Manchester, to-day, unanimously passed a resolution that the meeting, while deeply sympathizing with the efforts to resist the proposed reduction of wages, and deeply the distress that will ensue hereby, instructs the men to accept the terms offered until a more favorable opportunity presents itself. It is understood, however, that the meeting did not resolve to refuse support to those who may persist in the strike.

Eastern News Items.

A dispatch from Bombay says the first brigade will embark for Malta on the 29th inst.

The British government is making arrangements for laying a special cable from Greece to Marmora.

The Russian occupation of Bucharest is becoming more and more unlikely.

In consequence of the remonstrances of the great powers, the Egyptian government has paid $550,000, the amount of judgments obtained against it in the tribunals by creditors.

The *Journal Des Debats* believes the proposal for the simultaneous withdrawal of the Russians and English from the neighborhood of Constantinople is merely a Russian attempt to isolate England, who will probably reject the proposal.

A telegram from Berlin says: It is stated that the Emperor William will abandon his proposed journey to Wesbaden, in view of the possible meeting of the congress at Berlin.

BRITISH GENEALOGY.

LATTER-DAY Saints from Great Britain who require the genealogies of their forefathers (originally natives of England, Scotland, Wales, Channel Islands, or Isle of man) are hereby respectfully informed that, with the sanction of the proper authorities, I have undertaken the important task of collecting the same for religious purposes, from those countries.

Having traversed Great Britain extensively by land and sea, in many capacities, I rely on the earnestness and integrity of the British race of both sexes, for support, and offer my services to them as an humble instrument in the hands of God.

All persons desiring to employ me should apply immediately as this is a rare opportunity in connection with the great events of the Latter-day Work.
