BATTLING NELSON TO GO ON STAGE.

Wise Manager Billy Nolan Secures Good Engagement for the Great Dane.

HIS SALARY $1,500 PER WEEK

With the Privilege of Taking 30 Per Cent of the Gross Receipts—Incidents of the Battle.

A prominent sporting authority of San Francisco said of the recent Britt-Nelson battle:

"Nolan outgeneraled, and Nelson outfought the Britts."

The result of the big battle proved that Billy Nolan is a wise manager. He has proved just as wise after the battle, and proposes to see that Nelson corrals all the cash possible. Immediately after the Dane's victory was flashed over the wires, hundreds of telegrams poured in on him, among them being scores of offers for theatrical engagements. Nolan at once set to work picking out the best of them and finally decided to take the offer made by the manager of a company playing in San Francisco at the time.

According to Manager Curley, for Willie, who was in Nelson's corner, and who was with the little fighter for a day or so after the struggle, the contract signed by Nolan and Nelson is for an engagement with the company for the entire season. The Dane is to receive the snug sum of $150 per week. As it is further agreed that if 30 per cent of the gross receipts per week amount to more than $1,500, Nelson is to receive that.

The company is about to leave San Francisco and it is expected that it will be in Salt Lake in two or three weeks. Then we will all have a chance to see Battling Nelson. Curley told Nelson that when he (Nelson) came to Salt Lake he need have no fear lest anyone he was from Chicago or Hegewisch as the Salt Lake fans claimed him.

Curley related a couple of incidents during the fight that showed Nelson's coolness, confidence and wonderful powers of endurance.

At the end of the rounds Nelson would go quickly to his corner and sit erect in his chair. There was no laying on the ropes. After one fierce round when his nose was bleeding Nelson coolly picked a towel from the floor and began wiping his face.

"Don't do that Bat," said Curley, "that's what we are here for. You take a rest." To which Nelson replied after gazing at Curley for some seconds: "Say, Jack where in thunder did you get that crazy looking cap?"

At the close of the fourteenth round, one in which there was much desperate fighting, and one in which Nelson had Britt all but out, the vast crowd rose to its feet and howled with delight. Nelson half arose from his chair and gazed about him in an interested manner. He turned to Curley and remarked:

"Jack, old man, we would be a long time in Hegewisch before we would see anything like this, eh?"

Curley said that Nelson was "jollying" throughout the fight. He knew he had Britt beaten from the first, and that at no time did the Native Son have Nelson in distress. Curley gives a little different account of the knockdown in the third round than that sent out by the operators at the ringside. He said that Nelson was coming in quickly when Britt landed a right punch to the Dane's jaw. The latter was off balance and fell to his knees, but bounded up like a rubber ball and went after Britt in such a savage manner that the sound of the gong was mighty welcome to James Edward.

Curley left last evening for Chicago. He will return in a few days and look after Willie's interests for the coming fight with Big Dan Ruhlin.

DATE OF FIGHT CHANGED.

Wille and Ruhlin Will Meet at Saucer Track on the 28th.

Sept. 28 instead of Sept. 27. Thus has the date of the Wille-Ruhlin fight been changed by Manager Bean with the consent of Messrs. Curley and Madden.

The change was brought about for various reasons. In the first place it was discovered that the Republican primaries were to be held on the 27th, and then Manager Hoagren of the track wanted the fight to take place on the 28th. The change makes no difference to the fighters or the public. It will give Wille and Ruhlin another day in which to rain, and both realize that they must be in good shape.

Wille is now in Ogden canyon, putting in hard licks each day. Madden has secured training quarters for Gus down at the Salt Palace where Salt Lake fight fans may watch the big fellow work.

Will Try Once More.

After being closed for some time, the Denver bike track is to be opened again, the first race being scheduled for next Sunday. The track has had a rather tough experience this summer, but another attempt will be made to make the game go in the Colorado metropolis.

A. A. McLean, formerly manager of the Charles River track, is the man who will promote races in Denver. He says he has quite a number of eastern riders to compete in the events he has arranged.

CLOSE OF BIKE SEASON.

Monday, Wednesday and Thursday Evenings of Next Week the Last.

On Monday, Wednesday and Thursday evenings of next week there will be bicycle races at the saucer track. Manager Heagren announces that these will be the last of the season.

The feature of Monday night's program will be the match race, French style best two in three half-mile heats, between Iver Lawson and W. E. Samuelson. Manager Heagren says that there are several eastern cracks in Denver, and that they are coming here and will be here for Thursday night's meet. Heagren will then put on a motor paced race between Hardy Downing and J. F. Moran.

Club Elects Officers.

For the coming year there will be a new set of officers in the Salt Lake Gun club. The club has held a meeting at which the following were elected to office:

President, D. W. W. McCurtin; vice president, W. W. Mitchell; secretary, H. H. Green; treasurer, J. W. Walker; captain, Cal Callison.

It was reported that the club was in splendid condition, and the future outlook decidedly encouraging. Shooting will begin next Sunday for the Peters cup, and it will be a handicap affair.

ON THE RACE TRACK.

Surprise of the Season When 200 to 1 Shot, Brother Frank, Won.

New York, Sept. 14.—The surprise of the season occurred at Gravesend today in the victory of Mrs. C. E. Durnell's Brother Frank, a 200 to 1 shot, in the fifth race. Brother Frank met and defeated some fair 2-year-olds. The race was a handicap at about six furlongs, and seven starters went to the post, with Dobar an 11 to 5 favorite. The start was fair and Wiley got off in a good position with Brother Frank. After following the pace in the stretch he came away and won, driving, by three-quarters of a length from Bellsnicker, with Zensan third. Brother Frank has been racing nearly all year and in most of his races finished last. Results:

First race, about six furlongs—Gracefull won, Majolam second, Diamond Flush third. Time—1:10 1-5.

Second race, five and a half furlongs—Ingleside won, Bribery second, Nostromo third. Time—1:09.

Third race, mile and a sixteenth—Don Royal won, Race King second, Jacquin third. Time—1:45 3-5.

Fourth race, about six furlongs—Nanie Hodge won, Right and True second, Jocund third. Time—1:10.

Fifth race, about six furlongs—Brother Frank won, Bellsnicker second, Zienap third. Time—1:11 2-5.

Sixth race, mile and a furlong—St. Breeze won, Monacorden second, Bleinneworth third. Time—1:55.

JOE LATTAMORE DROWNED.

Rubber for Northwestern 'Varsity Football Team Died While Swimming.

Chicago, Sept. 15.—Joseph Lattamore, who had been head rubber for the Northwestern university football teams for the last three years, was drowned yesterday in Spring lake, near Waukesha, Wis., where the candidates of the team are practising. Lattamore started out in a boat to go swimming. Upon his failure to return several hours later, search was made and Coach McCormick discovered Lattamore's boat stranded in shallow water. In it were his clothes, but Lattamore was nowhere to be found. Until late at night the football players and several local residents worked to discover some trace of the body, but their efforts were futile.

Lattamore began his career of training athletes 12 years ago at the University of Pennsylvania under George Woodruff. Eight years ago he entered the Northwestern academy and was appointed head rubber for the university teams. During that time he finished preparatory course and entered the college of physicians and surgeons, and was to have been graduated next June. During the summer he was employed as a baseball trainer at Atlantic City. His mother and sister live at Lawndale, N. C.

THREE JURORS CURED

Of Cholera Morbus With One Small Bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggists sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one twenty-five cent bottle cured the three of us." For sale by all druggists.

DERBY DAY WILL OPEN THE FAIR.

It Will be on Monday, Oct. 2, and "Salt Lake Day" Will be On Tuesday.

NO "BOOKMAKERS" AT RACES.

Every Species of Gambling Will be Kept Off the Fair Grounds, Says President McDonald.

After giving the matter considerable thought, the directors of the Deseret Agricultural & Manufacturing society have decided to depart from their original idea of making Monday, Oct. 2, the first day of the state fair, Salt Lake day. It was the original intention to combine Salt Lake day and Derby day, the idea being to attract as many people as possible to the grounds for the opening.

A discussion of the matter, however, brought out the fact that it might work some hardship on the merchants and business men of the city if they closed their places on Monday. A great many people now use Monday, the Sunday holiday having intervened, for their shopping. The big stores often have special sales on Monday, too, and, everything considered, it was thought to be asking too much to request them to close.

SALT LAKE DAY, TUESDAY.

The business men of the city have been so generous with the fair in the past that the management would not do anything calculated to inconvenience them or cause them a loss. Salt Lake day has been moved over to Tuesday. On this day it is probable that the business houses of all classes will be closed early in the afternoon in order to give the employes an opportunity to visit the fair. The same rule will doubtless apply to the municipal and state offices.

DERBY DAY FIRST.

Derby day, though the opening day of the fair, will not, as is so often the case, be the least important. The greatest race of the fair, a mile dash for runners, for which a purse of $200 will be hung up, will be the prime event on the card. But there will be other interesting races, too, among them being a 2:20 pace, a four-furlong dash and a country race, all for handsome purses. The entry lists are already well filled.

NO "BOOKMAKING."

Speaking of the races, President McDonald was asked this morning if it was the intention to have bookmakers at the fair. "Certainly not," was his reply. "The fair is a state institution, and the state, through the officers of the Deseret Agricultural & Manufacturing society could not afford to give its endorsement to a purely gambling proposition, such as the bookmakers would make it. We have refused handsome offers for the bookmaking privilege. There will be only a mutual pool selling arrangement, as in former years."

ALL GAMBLING TABOOED.

This decision on the part of the management, tending as it does to improve the character of the amusement and place it beyond any suspicion of jobbery, will go far towards restoring the confidence of the public in the honesty of horse racing.

PRIZES FOR FLOWERS.

It was decided yesterday to encourage the boys and girls of the state to take an interest in agriculture and floriculture by offering prizes for the best displays of flowers, potted plants or vegetables raised by any child in the state of school age. The prizes, which will aggregate $15, were offered at the request of Mrs. Ledyard M. Bailey, chairman of the home and education section of the Ladies' Literary club.

Race Director Curtis is now in Cache county, the home of many of Utah's finest horses, making arrangements to secure many of them for racing and exhibition purposes. He will be absent until Monday.

TRIB.

Read what Judge A. L. Currey, a prominent judge of Baker City, Ore., says of "TRIB:"

"I have given your "TRIB" a fair trial and followed directions fully, and now desire to tender you my unsolicited word as to its efficiency. Let me truthfully say that I feel entirely different in every way. It seems strange, indeed, to me to be ready and waiting for these square meals a day, good sound, pleasant, refreshing sleep, no nervous nightmares and a degree of self-reliance that used to require more than one cocktail to induce. I did not take 'TRIB' from a moral standpoint, but it was a choice between liquor, the pine box and 'TRIB,' and 'TRIB' won out in a fair contest. I positively have no appetite for intoxicants and to judge others by myself, anyone can derive the same benefit. 'TRIB' has made many happy homes."
