TABERNACLE CHOIR CONCERT.

Splendid Program to be Given Tonight in the Grand Opera House.

MISS LUND, ORGANIST, RESIGNS

Given Handsome Testimonial—Political Situation in Junction City—District Court Cases.

Ogden, Utah, Oct. 4.—The Grand Opera House should be packed from pit to dome tonight by the music-loving public of Ogden to greet the tabernacle choir people, and to show that the grand work done by them at the Lewis and Clark exposition is appreciated. Ogden has cause to be proud of the choir and its leader, Prof. Ballantyne. At Portland standing room was at a premium, in the large auditorium, the two evenings the choir gave concerts there, and the public and press were profuse in their praise of the choir's magnificent singing. Though the choir may be heard every Sunday in its regular work, yet few realize its power as a body of singers unless heard in a concert program. This will also be the last opportunity to hear Miss Emma Lucy Gates, Utah's prima donna, previous to her departure for further study at New York.

The program as prepared for tonight follows:

1. "God is our Refuge" ..... Buck
   Ogden Tabernacle Choir.
2. Violin and Piano, Duet ... Selected
   Prof. J. J. McClellan and Willard Wiehe.
3. Solo, selected.....
   ..... Miss Emma Lucy Gates.
4. "In Thee, O Lord, Do I Put My Trust" ..... Jos. Ballantyne
   Choir.
5. Violin and Piano .....
   .....Messrs. Weihe and McClellan
6. "Inflammatus" ..... Rossini
   Miss Gates and Choir.
7. Soldier's Chorus ..... Gounod
   Choir.
8. "Irrigation Ode" .....
   ..Choir, Miss Gates and F. E. West

It will take 25 minutes to sing the Ode alone.

CHOIR ORGANIST RESIGNS.

Miss Della Lund Given Handsome Testimonial for Faithful, Devoted Service.

At the rehearsal of the Ogden tabernacle choir last evening Miss Della Lund tendered her resignation as choir organist to take effect at once, which was accepted, with regrets. The choir has appreciated Miss Lund's excellent, faithful services in the past and as an expression of that appreciation, Vice President Charles J. Ross in behalf of the choir presented Miss Lund with a beautiful solid gold brooch set with pearls.

Miss Lund has been organist for the choir for a number of years, and has done much in assisting Prof. Ballantyne to bring the choir to its present high standard, but she felt that because of her time being so occupied in teaching music she could not devote the time it requires to the choir hence rather than neglect the responsible position, tendered her resignation. Her successor as organist will be Mr. Walter Poulton of Salt Lake City, who has been assistant organist to John J. McClellan of the Salt Lake Tabernacle choir. He is thoroughly competent to fill the position. He will come to Ogden each Thursday to play at rehearsals and every Sunday.

STRUGGLE FOR MAYORSHIP.

Both Parties Putting Up Their Strongest Men for Coming Election.

Politics are beginning to liven up some the last few days, and the party leaders are beginning to bring forth their strong men for the various positions. The Republicans will hold their primaries on the evening of Oct. 9 for the selecting of the delegates to the city convention, to be held one week from Saturday.

The Democratic central committee met last evening and decided to hold primaries on the evening of Oct. 12 for the naming of delegates to their convention, to be held Monday, Oct. 14.

The greatest interest centers around the mayoralty nomination. The question is, who is going to succeed Wm. Glasmann as mayor of Ogden? Many names have been mentioned in connection with this position on both tickets, but the matter seems to be simmering down to Thomas Carr, president of the present city council, as the Republican nominee, and Max Davidson, also a member of the council, as the Democratic standard bearer. Both men are strong and would make a hard fight.

DISTRICT COURT CASES.

A. R. C. Smith Loses Damage Suit and Made to Pay Plaintiff.

In the case of John T. Thompson et al as trustees of the Hooper City Irrigation district against Thomas McFarland et al, the remittitur of the supreme court, in which Judges Bartch and Straup concur, has been filed with the county clerk, the supreme court reverses the decision of the trial court, which is directed to dismiss the proceedings, costs of the appeal to be taxed against the irrigation company.

In the case of Michael O. Laughlin, against the Union Pacific Railway company, the defendant has filed a demurrer to the complaint.

Richard Olney et al have filed a $300 bond to secure the costs in their suit against the Great Western Salt and Soda company.

Information was filed in open court against Ed. Simpson, charging him with felony, that of passing a worthless check.

Information was also filed by District Attorney Halverson against Ed. Wallace and J. F. Smith, charged with forgery. It has been known to the sheriff's department that Wallace is not a new hand in the forgery line. Three years ago the name of Walter Chase was forged to a check, it is claimed, by Wallace, which he passed on Christensen's shoe store. Mr. Chase hearing of Wallace's arrest, went to the county jail to see the prisoner. He positively identified him as the man who forged his name to the check, and states that he believes he is the man who stole the saddle from Preston Blair about the same time. Sheriff Bailey is further investigating the matter, and should he consider that he has sufficient evidence to convict the man, another charge of forgery will be placed against him.

The case of A. R. C. Smith against Gideon Alvord was completed last evening and the jury rendered its decision by answering certain questions put to it by the court, each question was answered against the plaintiff, and the only damages assessed was in favor of the defendant, who was awarded $10 damages because of parts of plaintiff's trees being thrown on defendant's land.

IDLEBERG CANYON RESORT.

Hereafter the Bamberger canyon resort will be known as Idleberg, which name was selected from the list of 1,500 suggestions offered by persons throughout the country. The name Idleberg was constructed from the name Idlewild, suggested by eight persons, and the prize of $25 will be divided between them. They are: Mrs. C. Lee Jones, 821 east Fourth South street, Salt Lake; Miss Wylma Leech, Omaha, Neb.; Miss Ethyl Stanley, Miss Roa Kelley, Miss K. Vandyke, Mrs. R. L. Proudfit and Martin Connell of Ogden.

BRIEFS AND PERSONALS.

Judge Howell and Stenographer Barker went to Morgan today, where a session of the district court was held.

A raid on the Chinese opium dens was made yesterday afternoon by Detective Pender and Officer Hutchins, and three men, Jack Burke, Ed Brown and Harry Andrews, were arrested.

W. J. Charles, who was stricken with paralysis on Friday last, is reported in a precarious condition and is not expected to live. Mr. Charles is one of Weber county's pioneers. He came here in 1850. He has been in the contracting and building business for a number of years.

At a meeting of the Socialist party it was decided to call a convention in a few days to name candidates to represent the Socialist ticket at the city election.

Yesterday the directors of the Ross book store presented Luman Shurtliff, son of President L. W. Shurtliff, with a check for $35, prior to his departure for Great Britain on a mission. Mr. Shurtliff has been a trusted employe of the store for some time past, and the offering was in appreciation of his valuable services.

W. L. Wattis of the Utah Construction company will leave this evening for Nevada to look over the company's work in that field. He will be gone for several days and will therefore not go to New Mexico, as he had intended, for some time yet.

Plaintiff alleges cruelty, consisting of defendant threatening to kill plaintiff, pushing her out of doors into the rain in her nightclothes, etc. She asks for the custody of one minor child, Nettie Hallett, aged five years, and for $20 a month alimony. Defendant denies all the charges of cruelty and sets out that he is willing to provide a home for his wife and child and to provide them with all the necessities of life to the full extent of his ability, and prays for a judgment of dismissal of the case. The parties were married in Provo, Jan. 13, 1897, and are residents of Pleasant View. Mrs. Hallett has resided in Ogden with her mother, Mrs. Mary Dora, for some months.

CACHE COUNTY AFFAIRS.

O. S. L. Local Agent Promoted—Death of Mrs. Eliza Twissell.

Special Correspondence.

Logan, Cache Co., Oct. 3.—W. W. Woodside, who has been agent for the O. S. L. in this city for the last 20 years, has been promoted to the position of traveling auditor. Mr. Woodside's relations with the people has always been the most cordial and he has been an untiring, industrious worker for the railway company, and his promotion, though long deferred, is fully deserved. The people of Logan will regret to lose Mr. Woodside, but he can count on their best wishes for his future success. Robert Morton, a former assistant of Mr. Woodside, will succeed him as agent.

MRS. TWISSELL DEAD.

Mrs. Eliza Twissell of the Second ward died Saturday morning from the effects of a paralytic stroke received about a year ago. Mrs. Twissell was a native of Wales, where she was born in September, 1839. She married William Twissell in London in 1870, and came to America soon afterward, settling in Kansas. In 1892 Mrs. Twissell came to Utah to visit her brother, John T. Thain of this city, and decided to locate here. She is the mother of three children, one of whom survives her. The funeral was held in the Second ward hall today.

Mrs. Fannie Curtis, an old-time resident of Logan, is spending a few days in Logan, visiting her children who reside here. Mrs. Curtis has resided in California for some time past, and will return there for the winter.

RAILROAD MATTERS.

The residents of Benson want a railroad. It is understood that they have made a proposition to the sugar factory people to grow 1,000 acres of beets if they will construct a spur from Hyde Park on the east, or Peterboro on the west, into their district. The spur from either place would only be about three miles long.

It is understood that the people of Wellsville and Hyrum have the assurance from the O. S. L. company that the branch will be extended from Wellsville to Mendon, thus completing the loop, and that regular train service will be opened up that way, practically abandoning the line between Logan and Mendon. It is understood, though, that the running time will be so shortened that Salt Lake and Ogden will be reached in about the same time as at present.

CACHE COUNTY AFFAIRS.

The county commissioners met in regular session yesterday.

Sophia Christensen was allowed $4.25 account taxes, doubly assessed, and Wellsville Co-op. $3.04.

The clerk was instructed to purchase a ticket from Logan to Chicago for Mrs. Link, an indigent who goes east to be cared for by her relatives.

J. E. Wilson, Jr., filed bond for the construction of a cement bridge over Cub river at a cost of $2,219. The span of this bridge is 30 feet, and it is the first one of the kind to be erected in the county.

John Bingham resigned as road supervisor of Trenton precinct, and James Brown was appointed to succeed him.

Cyrus Jones resigned as registration officer of the Fifth precinct, Logan, and Clara Smith was appointed to succeed him.

A special session of the board was called for tomorrow at the request of the Bell Telephone company to discuss the latter's petition for franchises now before the board.

School at the Woodruff building has been suspended for two or three days on account of the contractor's failure to complete the heating apparatus, according to agreement. It is likely that he will be called upon to pay a forfeiture of $10 per day for the delay.

Contracts for erecting the Mechanic arts buildings at the Agricultural college will be let today.

Special Correspondence.

Richfield, Sevier Co., Sept. 29.—The following business was transacted by the District court today:

J. C. Horton, a traveling man, charged with illicit relations with Mary Bradley of this place, entered a plea of guilty and the court imposed a fine of $100, which was paid. Miss Brandley is also charged with the same offense and yesterday she waived the preliminary hearing and it is expected that she will also enter a plea of guilty when her case is called in the district court.

In the case of the city of Richfield vs Sarah Borgquist tried yesterday, in which the defendant was convicted of throwing rotten eggs into the buggie shed of W. F. Asimus, the court imposed a fine of $8.50. This is just one dollar more than the fine imposed in the city justice's court.

Upon application of counsel, the defendants in the case of Asa R. Hawley vs Beutler & Peer were granted an extension of 20 days in which to file their answer.

Anton C. Nielsen was granted a decree of divorce from Lydia H. Nielsen on the grounds of adultery. The division of the property was agreed upon by stipulation betwen the parties. About two hours after the decree was granted the divorced wife applied to the county clerk for a license to marry James Bridges, the co-respondent in the case. Immediately after the granting of the license they were married by the county clerk.

Today services were held over the remains of another of Manti's old residents, Johannah Jensen Block. Mrs. Block has been a faithful Latter-day Saint and was always on hand when her aid was needed, especially in sickness.

Thursday and Friday there was a severe storm here, which delayed threshing for a few days. The weather has been considerably colder since and last night there was a heavy frost.
