

walk unlawful, and urged action to prevent. Cohn moved that in future no peddler's license be issued except on application to the Council direct. Adopted.

A communication from the trustees of Mount Olivet cemetery was read, in which a claim was made to a portion of the waters of Emigration creek, which the Council was piping to the city. Referred to committee on irrigation.

The special committee who were appointed to act as a board of equalization in regard to the assessment for improving Commercial Street, reported there had been no complaints to adjust. They also reported a bill for an ordinance confirming the assessment. Adopted.

Later the bill was taken up and passed.

The city engineer submitted the following estimate of the cost of grading, curbing, guttering and paving First East Street, between South Temple and Third South Streets, with asphalt:

#### ABUTTER'S PROPORTION.

Grading.....	\$ 1,350
Curbing.....	5,280
Gutters.....	3,872
Paving.....	79,200
Conduits for irrigating waters.....	2,640

Total.....\$92,342

#### CITY'S PROPORTION.

Grading.....	\$ 1,920
Curbing.....	640
Gutters.....	485
Paving.....	16,920
Catch basins and conduits.....	3,520

Total.....\$ 24,485  
Total cost.....\$115,827

The engineer stated that in paving any of our streets provision must be made for irrigation waters, which he recommended be carried in open conduits instead of through buried pipes. He estimated for wood, except at street crossings, where the figures were for vitrified brick. Conduits of stone would be preferable to wood and of less ultimate cost, and he recommended that this matter be given attention. The report was referred to the committee on streets.

Judge Laney presented a report of business transacted in the police court during the month of August. The report showed that during the month 375 cases were tried, and the fines assessed amounted to \$3793.40, of which \$2,342.15 was paid in cash and \$1456 in labor. Referred to the committee on police.

The gas company sent in a bill for \$137.92 for gas used at the City Hall and public buildings during the month of August. Filed.

A. J. Burt presented a bill for \$296, for furnishing 1980 meals to city prisoners at 15 cents per meal. Filed.

Mrs. Merrill sent in a bill for \$571.80 for furnishing 3,812 meals to city prisoners at the same rate. Filed.

The electric light company presented a bill for \$1,509, for street lighting during the month of August. Filed.

The committee appointed to confer with the street railway company relative to having the electric wires more securely fastened at the junction of cross streets, recommended that the electric car companies be

required to erect substantial pole supports at such junctions. Adopted.

#### THE USE OF SEWERS.

An ordinance amending sections 8 and 9 of an ordinance regulating the use of sewers, etc., was taken up and passed.

The ordinance regulating the erection of telegraph, telephone, electric light, electric railroad or any other poles on any of the streets of this city, was passed. The ordinance provides that any person desiring to erect such poles must first obtain a permit from the engineer, and no poles are to be erected so as to interfere with gas or sewer connections, or to interfere with the free use of the streets. A violation of the ordinance is punishable by a fine not exceeding \$100.

An ordinance amending the ordinance regulating the keeping of swine and cows within the city was passed. The original ordinance provides that no person shall keep more than three cows and two swines within that portion of the city bounded as follows: On the north by Seventh North Street; on the south by Ninth South Street; on the east by the reservation; on the west by Sixth West Street. The amendment provides that the ordinance is to be in force forty days after its passage.

#### BOARD OF PUBLIC WORKS.

An ordinance amending the ordinance prescribing and defining the duties of the board of public works of this city was passed.

The following appropriations were made:

J. W. Snell.....	\$ 144 76
Fred J. Palmer.....	351 28
William Henderson.....	13 75
Mrs. M. Merrill.....	571 80
A. J. Burt.....	297 00
S. L. City Gas Company.....	137 92
S. L. P. L. & H. Company.....	1,509 00

Total.....\$3,025 51

The council then adjourned for one week.

#### BOARD OF EDUCATION.

The board of education met in their new rooms in the Roberts-Elserbeck building, on First South Street, September 8th.

The Ladies' Literary Club represented that they had leased for some years past, the rooms now occupied by the school board, that it would be inconvenient for the club to move and they asked that they still might be allowed to use the rooms on Friday whenever it would not interfere with the sittings of the board. Referred to the committee on sites.

Several applications to teach were referred to the committee on school-work without reading.

George G. Blair, agent, offered to rent the Eagle Gate schoolhouse for the sum of \$350 a year, payable monthly. Accepted and contract ordered to be made.

The committee on examination reported the following named persons as being qualified for teachers and recommended that they be at once employed, as their services

were badly needed: W. A. Carey, A. G. Glick, W. F. Jameson, Ida M. Frye, Hattie Sears, Mattie E. McKay, M. D. Bowen, G. N. McKay, F. Stevenson, Jennie Carney, Frank Evans, H. P. Burt, Emily A. Batt, Hattie Randolph, E. S. Hallock, Lizzie Gibbs, Florence Cook, G. A. Roberts, W. W. Barton, D. S. L. McCook, Alta Westbrooke, H. A. Smith, Lillie Gwig, and they also recommended that temporary certificates be issued to the following persons, if their services are required, thereby qualifying them to teach in our schools for six months: Effie Reddle, Vickie Clayton, Mrs. Helen Krighum, Mrs. D. M. Kelson, Emma Pischel, Althea Wheeler, Rena Larsen, Lizzie Hyslop, Louisa Sid-doway, Olive Derbridge, Bessie Kimball, Ada Van Woome, Franc K. Wright, A. E. Knucky.

Report accepted.

The committee on the employment of teachers made the following recommendations:

First—They recommend that the following designated grades of teachers be employed in the schools of said city for the ensuing school year, to wit: Principals, assistants to principals, intermediate grade, second primary, and first primary.

Second—That the following prices be paid to teachers other than principals, to-wit:

1. For first year's teaching, not exceeding \$50 per month, for school year of ten months.
2. For second year's teaching of experienced teachers, not exceeding \$60 per month, for school year of ten months.
3. For third year's teaching, or having two years' experience, not exceeding \$75 per month, for school year of ten months.
4. For assistants to principals, not exceeding \$90 per month.

Third. They further recommend that the principalships be divided into first, second and third grades, to be determined from a consideration of the character of the labor to be performed and the responsibility to be assumed; and that their compensation be as follows, to wit:

1. Third grade principals, \$90 per month.
2. Second grade principals, not exceeding \$125 per month.
3. First grade principals, not exceeding \$140 per month.

Fourth. Your committee recommend that it be distinctly declared by resolution of the board, or otherwise, that the grades of teachers and compensation hereinbefore recommended do not apply to the principalship of any high school that may hereafter be established.

Your committee appends hereto a form of control to be entered into with school teachers in accordance with the amendments by the school board adopted.

Mr. Nelson made a vigorous kick against paying "not exceeding \$50 per month." He thought the minimum should be fixed at \$30, which was high enough, he thought, in some cases.

Mr. Johnson said he would not care to have it go out—to be published to the world—that we did not pay our teachers as much as we do our janitors. He would rather pay a little more than the teachers were worth than offer such a beggarly pittance. The whole scale clear
