Cash on hand	$19,474.91
Receipts	21,970.57
Total	$40,945.48
Cash and auditor's fees for quarter ending this quarter	$ 480.20
Money in hands of treasurer	21,215
Money in hands of collector	17,250
Delinquent fees received	27.50
Fees from fees received	15.00
Money from licenses	25.00
Fees from licenses	250.00
Fees collected	1,000.00
Total expenditures	$19,240.20
Cash on hand	$21,705.28
Warrants outstanding	1,000.00
Total	$22,705.28

Warrants amounting to $11,750.00 were paid yesterday to the county treasurer and he took up and cancelled the same. The total indebtedness of the county now stands at $11,000.00.

The total assessed valuation of the county is $11,571,295. The total amount of taxes to be collected is $115,712.95. The total amount of taxes collected to date is $100,000. The total amount of taxes delinquent is $15,712.95.

The county office has issued 1,000 licenses during the quarter, which is 250 more than the previous quarter.

The following is the amount of fees received by the various officers for the quarter:

Treasurer's office	$ 75.00
Auditor's and clerk's office	600.00
Recorder's office	4.50
Sheriff's office	200.00
Total	$1,195.00

The income in addition to the third quarter was as follows:

Sheriff's office	$ 15.00
Treasurer's office	245.20

The decrease in the treasurer's office is due to the fact that the greater portion of the work on his bonds of the county was done last quarter, and not by saving that month, while last year it was paid for and performed during this quarter.

In the recorder's office during the last quarter of the year there was an increase of 50 per cent over the previous quarter, which is expected to be made by the last quarter.
