FROM MISSIONARY FIELDS.

A West Virginia Conference.

Simonton, Gentry Co., Va., July 31, 1898.

To the Editor:

Permit me to report the conference held at Salt at the Gilbertville church, on the 23rd and 24th of July.

Elders Thomas C. Romney and Milton Hyde were present and presided. The church was in attendance. The church is now in excellent shape. We had a good number of the Saints at the church and quite a number of new friends came in to the meeting. The Spirit of God was with us during meeting, and we had a good time. Bro. Hyde is a good man and will do good work in the mission field. We have had a good number of baptisms since we last reported, and more friends are inquiring after the truth. We have had a good time since we last reported. We have had a good time with the Saints. We have had a good time with the Saints. We have had a good time with the Saints
