Nearly a Tragedy.—There came near being a tragedy in the Sixth Ward the other evening. A lady had occasion to leave her house EVENING NEWS had occasion to leave her house August 23, 1877.

for a short time. She locked the door, put the key inside the window, and closed the sash again. In the meantime her husband went home, got the key, spened the door, entered the dwelling, and shortly afterwards secured the door again and left, everything being as he found it, save that the win-

dow was open. The good lady returned, and finding the window up, visions of housebreakers and robbers flitted across her mind, filling her with terror, and causing her to give several terrific screams and fall to the ground in a fainting Justice A. H. Baleigh is attending fit. A neighbor, an old man named Fisher, who cleans the street railroad track, rushed to the spot, and, seeing the prostrate form of the lady, he let his body half through the open window, to see the supposed burglar. While he was in that position another aged person appeared,

brisk. Harvesting is in progress there, but grasshoppers have taken the greater portion of the oats, and frost has destroyed a proportion of armed with a double barrelled shotgun, loaded with slugs. The new comer felt sure thar Fisher was the called for within one month, will be the wheat and most of the potatoes. identical burglar and cause of the the Dead Letter Office. If something would next go and trouble and that he was in the act swallow up the coal, Coalville would
