King has fallen on the tale of a mule which, from overfeeding, gastric fever, or, but say, saying to himself: "My father, gently, was a high-mettled racer, and I am his own child in speed and spunk." Next day he was sick and worry: he then exclaimed: "I must have made a mistake; my father, after all, could have been only an ass." A man, after eating a good dinner, may feel exceedingly jovial for, next day (I don't mean you to drink his like on me) he is surly and grum, his stomach and liver are sluggish, he is morose, despondent and "out of sorts" generally. For indigestion, biliousness and all derangements of the Stomach, Liver and Bowels, Dr. Pierce's Golden Medical Discovery is an unequaled remedy. Contains no alcohol to inebriate nor syrup or sugar to ferment and derange the digestive processes. It cleanses the system and cures pimples, blotches, eruptions and all Skin and Scalp Diseases, scrofulous affections, as Fever-sores, Hip-joint Disease, Swellings and Tumors, yield to its superior alterative properties.

WIFE MURDER.

Shocking Tragedy at Council Bluffs: A Woman Beaten and Shot.

A SIXTEEN-YEAR-OLD DOUBLE MURDERER.

A Protestant Congregation in Ireland Turns Catholic.—The Barnwell County Difficulty.

By Telegraph to the NEWS.

Murder of a Wife.

COUNCIL BLUFFS, July 16.—The residence of Hazel Hall, a dissolute old character, was the scene this morning of an awful tragedy. Hall came home drunk last night, beat his wife and threw her out of doors in her night clothes. This morning at daylight the woman entered the house to get her clothing. Hall set upon her, beat her to the floor with a revolver and then fired a bullet into her head. Several neighbors heard the shot and ran in. George Bennett attempted to disarm the murderer, but died on receiving a bullet in the hand, and Hall emptied his revolver at the others without effect. He then went into the house and cut his throat. The wife died in a short time, but Hall may recover.

Parricide and Matricide.

CHICAGO, July 16.—The *Times'* Aina, Ills., special says: William Sullivan, sixteen years old, shot and probably fatally wounded his father and mother last night. He has been jailed. The boy appears perfectly hardened and said he wished the old folks out of the way that he might get possession of their property.

They Turn Catholics.

LONDON, July 16.—There is a curious condition of affairs at Shillbereen, Ireland, where a large number of the congregation of the Rev. Mr. Hepsty, a Protestant clergyman, have renounced their faith and joined the Roman Catholic church. They appear to have been prompted to the change by the Archbishop. Crowley was recently convicted of intimidation on the testimony of Mr. Hepsty, who is unfavorable to the Irish national cause.

Barnwell County Difficulty.

CHARLESTON, S. C., July 16.—A dispatch from Blackville says: The white people of Barnwell County have prevented any further trouble at the Keurse settlement. Most of the determined of military who went to Keurse have departed. Their captain said today: "I have not the slightest doubt but there would have been very serious trouble at Keurse had our squad not arrived promptly on the field. The riotous negroes dispersed. Some of them will be arrested."

The Hatchet Buried.

New York, July 16.—The World says the sugar trust people and the local authorities of the State have buried the hatchet. Such was the story circulated through Wall Street late yesterday afternoon, and investigation proves that it had some foundation, in fact J. D. Searles, treasurer and general manager of the trust, admitted that the lawyers and attorney-general of the state had had several conferences. Mr. Searles, however, said that no details were agreed upon, but did not deny that the reorganization would be made under this State, instead of under a Connecticut or a New Jersey charter. This, if true, means that hereafter the old or new corporation will not be indicted with law suits and will pay taxes into the treasury of New York.

Fought in Darkness.

BIRMINGHAM, July 15.—George E. Perry and Jeff Smith, colored, fought a duel near Attic City, six miles out, at 9 o'clock tonight. They had agreed upon a weapon, and agreed to settle it by going out into the darkness, marking off ten paces and shooting at each other until one fell. At the third shot Perry fell, shot through the body and died in a few minutes. Smith escaped.

Son of Tiam.

BIRMINGHAM, Ala., July 16.—J. B. Winslow, alias Charlie Davies, arrested at Columbus, Miss., today, has been identified as Babe Burrows's chief lieutenant in the train robbing escapades.

Condemned.

TOPEKA, Kas., July 16.—Five thousand delegates attended the convention of the State Temperance League, called to express an opinion on the original package decision of the Federal Supreme Court. Energetic speeches were made, and resolutions adopted condemning the decision, and demanding of Congress the passage of a bill to place the entire control of prohibitory laws entirely with the state and beyond the interference of the National government.

A Good Showing.

NEW YORK, July 16.—The White Star steamer *Teutonic* arrived this morning, having made the passage from Queenstown in five days, twenty-one hours and fifty five minutes. This places the *Teutonic* second among the ocean racers.

The Strike in Chili.

LONDON, July 16.—Advices from Chili state that the strikers in the nitrate district number 7000. A conflict occurred between strikers and troops in which forty strikers were killed and wounded.

Chicago at the Top.

WASHINGTON, July 17.—Superintendent Porter has received a message from the census supervisor of Chicago, stating that his count makes Chicago's population 1,101,000. This puts Chicago ahead of Philadelphia.

The New Cabinet.

CASTRONCN, July 16.—A new cabinet has been formed as follows: Prime minister, without portfolio, Hinoko; minister-general, Itoh; treasurer Mutsuki; commissioner of crown lands and public works, Shiowright; secretary for native affairs, Saiur.

Routed.

PARIS, July 16.—Gaulois says: An engagement occurred between natives and the French expedition to the Upper Niger, and the French were routed. It is feared that the natives have blocked the line of retreat of the French.

Unfounded Reports.

PARIS, July 16.—A semi-official note is published this afternoon denying the alarming reports received from Senegal.

A Family Burned.

VALPARAISO, Ind., July 16.—The residence of John Hamlett was burned this morning. His wife and four children were burned to death.

Catholic Subjects.

ROME, July 16.—While the Quirinal congratulates itself upon the latest victory won by the Italians in Abyssinia over the rebellious but still unconquered chief Ilima, the Vatican rejoices to see Russia and England negotiating with it on behalf of their Catholic subjects in Poland and the British colonies. An English confidential agent has arrived here with instructions to negotiate with the Holy See in order to arrange to extend to other British possessions the religious "Modus Vivendi" established by General Simonoff for the Island of Malta. It is not probable that the Vatican will promptly grant the request, for it has been somewhat disappointed in its hope that the British cabinet would, after the satisfactory arrangements regarding Malta, renew at least semi-official relations with the Vatican.

The Russian government is acting with greater assiduities. It has sent back Mierulski as a representative of the Czar. The Russian diplomat has held a long conference with Cardinal Rampolla, foreign minister of the Pope, and he is evidently instructed to press for a solution of the questions covering the Polish Church.

The First Step.

Perhaps you are run down, can't eat, can't sleep, can't think, can't do anything to your satisfaction, and you wonder what ails you. You should heed the warning—you are taking the first step into Nervous Prostration. You need the Nerve Tonic, and in Electric Bitters you will find the exact remedy for restoring your nervous system to its normal, healthy condition. Surprising results follow the use of this great Nerve Tonic and Alterative. Your appetite returns, good digestion is restored, and the Liver and Kidneys resume healthy action. For sale at A. C. Smith & Co.'s drug store. 6

The New Discovery.

You have heard your friends and neighbors talking about it. You may be one of the many who know from personal experience just how good a thing it is. If you have ever tried it, you are one of its staunch friends, because the wonderful thing about it is, that when once given a trial, Dr. King's New Discovery ever after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any Throat, Lung or Chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time, or money refunded. Trial Bottles free at A. C. Smith & Co.'s Drug Store. 6

Incurably Cured Bright's Disease.

S. D. VanDeusen, of Demarest, N. J., says Aug. 24, 1889: "Dr. David Kennedy's Favorite Remedy, of Rondout, N. Y., has cured our daughter of Bright's Disease. After all other nerve had failed she was so swollen that she measured 45 inches around the waist, and 8 inches below the knee. To say that we feel thankful for such a boon as Favorite Remedy is but a poor expression of the feelings of grateful parents.

"Just as Good."

Say some dealers who try to sell a worthless preparation when a customer calls for Hood's Sarsaparilla. Do not allow any such false statements as this induce you to buy what you do not want. Remember that the only reason for making it is that a few cents more profit will be made on the substitute. Insist upon having the best medicine—Hood's Sarsaparilla. It is peculiar to itself.

HOTELS.

Pacemaker and Broncbiile Carry off the Chief of the Roman Race.

It is not generally known that Pacemaker and Broncbiile carry off one-third of the Roman race, but such are the facts, and what is more surprising, both of the above diseases result from neglecting a common ordinary cold. A cough should never be neglected. It is by every loss you risk call you cough lozenge, and it effectually you cough. Bullard's Hoarhound Syrup is the best remedy in the world for Coughs, Bronchitis and all throat and lung troubles.
