(Continued from Page One.)

SILVER'S FRIENDS.

[illegible] and hence for [illegible] the assets [illegible] of wood finance.

As [illegible] of views in the [illegible] which week [illegible] the [illegible] work of [illegible] will be [illegible] and [illegible] most [illegible] with good results.

It [illegible] well, however, to keep [illegible] in mind that the issue of [illegible] are [illegible] in the field, that [illegible] are as [illegible] as "[illegible] [illegible] the banks of Valentine," and that the most potent of all influences that gold and silver [illegible] the [illegible] are [illegible] against the great movement to check its headway and carry its victory.

Yet, with the financiers of Europe [illegible] with the best talent that [illegible] can command, with a subsidized [illegible] and [illegible] [illegible] [illegible]
