The new Presbyterian church organ will cost \$10,000, a figure that will se-cure a very fine instrument. The or-gan in the First Congregational church, ane of the best in the west, cost about \$11,000 10 years ago when such instruments were more costly than they are now, and with the improvement made since in organ building a considerably laregr one could be secured at this day for the same, or even less figure. The First Presbyterian church has always made a specialty of music, and the con gregational singing there has for some time attracted attention

Goy, Renjamin B. Odell of New York is to leave shortly on a trip to the Paeffic coast, and may pass through Salt Lake, Gov. Odell has made himself hated and feared by the Tammany ring and other corruptionists of New York during his term of office. Odell's entrance into politics was in Orange county, New York, in opposition to what was called the "machine," but later he recognized the value and need of party organization and became a member of the faction he intended to defeat. Then he started out to turn a Democratic stronghold into a Republican county, which he accomplished in the brief space of two years.

The permanent headquarters of the Commercial club will be in the rebuilt Short Line building on West Temple street, as was indicated in a recent issue of The "News." That was definitely decided at last night's meeting of the board of governors of the club. The south half of the second floor will be taken, the floor space to be occupied being 8,025 square feet, and the apart-ments will be ready by April 15. A 10 years lease was decided on, and Messrs. Mason, Weitz and Drachl were appointed a committee to secure the lease. En-trance to the rooms will be from the main stairway on West Temple street, and the office at the right of the entrance. In front will be a reception and sitting room, and beyond a billiard the three rooms being thrown into one when the occasion requires it. At the rear comes a large dining room, with a private diningroom on the side. Shelp, Strevell and Silver were appointed a committee on plans, A letter was received from the treasury department at Washington offering to supply the club with all commercial statistics that might be desired. Six. teen new members were received, making the total membership of the club 149. Those favorably voted on last night are W. J. Menzies, Jacob Moritz, W. P. Kaiser, O. J. Salisbury, Hoyt Sherman, J. D. Murdoch, Thomas Weir, H. L. Eldredge, N. Treweek, W. A. Overbeck, Moylan C. Fox, George Mueler, B. F. Bower, Albert Fisher, Fred J. Hill and E. E. Calvin

#### Petition for New Park on Canyon Road-Band Concerts for Liberty Park.

band, asked permission to give free band concerts at Liberty Park during Every member of the council was present at the meeting last night and the seasons of 1902 and 1903. He agreed much important business, was transto give at least eight concerts during the coming season and more if possib to do so, in consideration of the city giving him the exclusive refreshment

HEALTH DEPARTMENT ASSIST-ANTS. A communication was received from

City Physician King, calling attention to the necessity of additional help in | motion by Daveler, amended by Robthe health department in order to successfully carry on the work of cleaning up the city, and asked that he be allowed three more men in the depart-

Robertson moved that the petition be granted, and that three men be em-ployed at \$2.50 per day to serve during he pleasure of the council. He argued that the department was short of mer because of the action of the old council abolishing two offices, and that the city is in a very filthy condition: that there is more contagious diseases at present than there has been for years, and that the department was crippled because of lack of men.

Cottrell opposed the matter because thought the health department had by the board, the contract was ap proved by the council. cen asleep the past two years and had neglected its business and if it had one its duty the city would not such a condition. He contended that if he health department would do its duty now the people would co-operate with it and no additional inspectors

favorably upon the petition of E. Jen sen et al that the lines be established would be necessary. Hewlett favored the petition, for the reason that spring is the time to clean up, and the city is in a fithy condition n First street between Center and areen streets, the work to be done at from the accumulations of the past winter and it should be cleaned up. the discretion of the city engineer and t a cost not to exceed \$1,000. The re Fernstrom argued in favor of the

ort was adopted. The report of the committee on mu cipal laws recommending the passage Tuddenham's resolution authorizin Robertson accepted the amendment and replied to Cottrell's statements against the health department. Cotthe superintendent of waterworks to put in meters in the business districts as adopted providing the meters are already on hand.
