OUR OWN STATE.

OGDEN.

Special Correspondence.

Ogden, Feb. 1.—A license to wed has been issued by the county clerk to C. H. Wiseman of Weiser, Ney., and Mrs. Annie C. Butler of Salt Lake City.

A marriage license was issued last evening to Thomas Myers, aged 22, and Miss Zina Calvert Crane, aged 18, both of Ogden city.

Robert Gale and wife, formerly of Ogden and now residents of Montana, are in the city visiting relatives and friends.

The reports of the treasurer, secretary and librarian of the Ogden public library, read at the annual meeting Tuesday night, showed: Number of books now in use, 5,200; average number of visitors in the reading room, per month, 900; receipts for the past year, $776.81; expenditures, $76.42; average number of books in the schools who called for books of reference on subjects connected with school work, each month, 88.

At the annual meeting of the Public Library association Tuesday night the following board of directors was elected: Mrs. F. P. Marshall, Mrs. H. S. Tiscerson, Mrs. Val Gideon, Mrs. J. S. Dalton, Mrs. S. Smith, Mrs. Don Carlos, Mrs. A. H. Pratt, Mrs. Catherine Fletcher, Mrs. S. A. Bowden, Mrs. E. H. Geddes, Mrs. George McCornick, Miss Minnie Kiesel.

Hon. Thomas R. White, mayor of Merced, is in Ogden for a day or two.

Deputy Sheriff Morgan Shoss returned yesterday morning from an official and business trip to Boise City, Idaho.

H. G. Heisley, the attorney, left yesterday afternoon for Spokane, Wash., where he expects to locate permanently.

Congratulations are in order to George H. Dorliew, whose wife presented him with a token of love and affection yesterday—a bouncing boy baby.

There is yet more than a foot of snow on the ground in Ogden valley and the sleighing is still good. The snow was bleak through the canyon so far down as Wilson's saw mill, to which point sleighs are used. From the mill in Ogden the journey is made on wheels.

Mrs. Morrissey, a widow residing on Monroe avenue, while driving home from Wilson's ward Monday night, was thrown from the buggy and sustained a fracture of the bones of her right wrist.

The county commissioners were together yesterday considering matters connected with rights of way over the proposed new road to the sugar factory. They will hold another meeting today.

The program of the testimonial benefit to be tendered Prof. Joseph E. Ivins by the Ogden Choral Union, at the Second ward assembly hall, includes one by Elvira Lillie Walker, one by Mrs. Ada Ware, one by C. P. Porris. There will also be dancing and light refreshments.

Willard Hooper of Salt Lake, 49-depty in the county clerk's office, was in the city yesterday.

Charles C. Creamer, a well known and popular citizen of Ogden, has been taken to the asylum at Provo for treatment.

The farewell party given by the Confirmation girls in honor of Mary Herrick, who will leave Saturday on a mission to Germany, will be held tonight in the Union opera house. Fred's orchestra will furnish the music.

Manager R. S. Campbell of the Union Light & Power company, came up from the capital yesterday afternoon.

The people of Ogden feel kindly toward the Union Light & Power company, as evidenced by their expressions but they are almost unanimously of the opinion that a company or corporation should have a monopoly of the public utilities. A talk with any of Ogden's substantial citizens goes to show that they favor competition in the matter of electric lighting.

The Fifth warders will give a dance in the ward amusement hall Friday night.

A change in the weather brought a light fall of snow Tuesday night and yesterday, which melted almost as soon as it reached the ground.

MANTI.

Mrs. Joel Shoemaker left on Wednesday to join her husband at North Yakima, Washington, where Mr. Shoemaker is engaged in the newspaper business. She was accompanied by Miss Dorothy Billings.

The Young Ladies and Young Men's associations will give a party the coming week for the benefit of home missionaries laboring in the north and of the South. Attend the party and do more your mite toward the good cause.

Seventeen boys, more or less, were taken in by Marshal Ottosen on Wednesday night and sent to the cooler at dinnertime. They will appear before City Justice Ivgrsen at 2 o'clock this afternoon and explain why they were out at such an hour of the night.

Mr. Charles Nelson and Miss Eunice Billings were married at the bride's home at 11 o'clock Wednesday morning, January 25th. The newly married couple left on the noon train for North Yakima, Washington, where they will make their home. We join their friends in wishing them a happy and prosperous future.

Charles Andrews, of C. Andrews & Co., Neuha, was in Manti Thursday and gathered up a carload of hides and pelts around town, scattering between $500 and $600 among those who had these articles for sale. He reports the wool market as looking exceedingly gloomy at the present time.

Died on Sunday, January 22, 1899, Carie, daughter of Hon. and Mrs. C. P. Larsen, aged 19 years. Deceased had been ill for a long time, the immediate cause of her death being dropsy. The funeral services were held in the Council House on Tuesday afternoon and were attended by a large concourse of sorrowing and sympathizing friends. The speakers were President J. H. Mathews, Bishop Hall and Elders George H. Brach and J. J. Washburn.

Rev. Mila T. Maynard, one of the ministers of the Salt Lake Unitarian society, delivered an able and entertaining lecture at Tuttle's hall last Tuesday evening. The lecture was the first of a course which the Ladies' Literary society are presenting to the public. The attendance was very gratifying to the club and manifested a public interest in the worthy purpose which prompted the event. Mrs. Maynard is a delightful talker and handled her subject, "The Ideal Education," in an interesting and attractive manner. The audience gave close attention and at the close of the address evinced their approval by hearty applause.

The program for a concert to be given under the auspices and for the benefit of the South ward Sunday school, February 5, 1899, at the assembly hall, commencing at 7 p. m., includes a duet by Brothers Mathews and May Anderson, recitation by William O. Livingston; music by the Brox band; drill by little girls, conducted by Abbie Swensen; solo, by A. Labes; music, William and Tom Westenskow; recitation, Kate Scanlon; song, Male quartette; recitation, James Mark; music, William and Tom Westenskow; song, "Chain" music by George Dent and company; recitation, Enoch Jorgenson, and a cantata.—Sanpete Democrat.

SPANISH FORK

Special to the "News."

Spanish Fork, Feb. 1.—Sarah Jane, a 14-year-old daughter of David D. and Ourilla Barnes, of this city, died suddenly from hemorrhage of the lungs. She was the only daughter in the family, and a niece of Prof. Geo. H. Brimhall.

The Scotch and the Dutch had their reunions in the Grand hall last week.

Alma B. Foster and Geneva Lake of this city were married in the Temple on January 25th.

There is considerable sickness among children, but comparatively few fatal cases.

It has been snowing for nearly twelve hours and still falling.

The inclemency of this city had a gathering in the Icelandic hall last night and elected a committee of nine to arrange for their national festival, which is to take place on August 2nd.

NEPHI.

Special Correspondence.

Nephi, Utah, Feb. 1, 1899.—W. S. McCornick came down from the capital this morning to attend a meeting of the directors of the First National bank.

Snow to the depth of six inches fell here last night and still continues. It imposes a generous supply of water for the coming season.

The Hardscrabble house, for thirty-five years the leading hotel of this city, changes hands today. Uncle Henry Goddesmeyer, one of the pioneers of this section and popularly the best known man in Southern Utah, opened its hospitable doors to the traveling public in the early station, but owing to advancing years, he now retires and Joe Whitney, a young man of energy, takes the helm. The old landmark has undergone a complete renovation, including a new roof, and the new management intend to make it as up-to-date hotel which will fill the requirements "from left coast" to this city.

Judge E. V. Higgins left for Salt Lake yesterday. He will open the term of court at Fillmore, February 7th.

Most effects of war among men have lately received calls to 60 relatives, and in several cases it is for a second term, but as far as known it is their intention to accept the invitation. Nephi has felt justly proud of her representatives abroad, and those now recruits win by no means lower the standard.

GUNNISON.

The question of organizing to secure a sugar factory was thoroughly discussed at a meeting held Saturday evening. A committee consisting of C. A. Hudson, C. A. Short, C. E. Thurgood, Henry Robbins and Thomas F. Kearnes was appointed to take the necessary steps. This committee will report at another mass meeting to be held Saturday, February 4th.

The meeting of the taxpayers of Gunnison school District was held to vote upon the question of bonding the district for $7,000 to build five school houses. From the talk heard during the past few days it was expected that the opposition to bonds would be very strong, but it did not materialize to any great extent. Yes, from the face, the ballot being 76 for, and 36 against. No better action for the public good ever was taken in this town. With the new school houses and the outlook for the future, Gunnison will be a desirable place to settle in.

An educational meeting was held here Sunday evening that was largely attended. An excellent program was carried out to the pleasure of all present. W. D. Livingston of Manti and County Superintendent Nelson were the speakers of the evening. Both talked on the importance and value of education and the duty of the people in providing their children with proper school facilities.

The stockholders of the Gunnison Co-op held a meeting last week and re-elected officers and a board of directors. J. A. Tuttle is president, E. J. Kearnes treasurer and secretary, and N. C. Kearnes and O. R. Bradford directors. The latter is also manager. A dividend of 10 per cent on the capital stock for the past year was declared.

H. A. Kearnes sold fifty head of fine Hereford cattle this week to Levan parties. They brought good prices. A number of stock buyers have been in recently.—Sanpete Democrat.

ORANGEVILLE.

Special Correspondence.

Orangeville, Utah, Jan. 31, 1899.—Our town has been visited with an unusual thing during the last twenty-four hours, which has swept everything clean. What little snow that we had is all gone, and the frost is leaving the ground, and it appears as though we shall have spring next month. In fact, there is some ground that would do to plow and sow now.

We anticipate building a school house next summer. We are very much crowded in the little old schoolhouse we now occupy, as we have a school population of over 230. We have four schools now running and need a fifth teacher. We are renting rooms for two of the schools at present.

We are going to have a session of Black Hawk Stake Academy on Friday and Saturday in this place and a good time is anticipated.

The health of the people here is good at the present writing.

RICHFIELD.

The temporary restraining order granted by Judge McCarty last week in favor of Judge Wallace, in the Rotherlock embezzlement case, was put partially into effect Friday by Sheriff Nelson and Joe Whitney, Deputy Sheriff, and will into full force Saturday by being served upon Rotherlock, Middleton and the other defendants.

Judge McCarty will hear arguments next Monday at Junction in favor of or against making the injunction permanent.

There is a hitch in the proposition of the First National bank of Richfield getting ready for business, and the opening of the institution may be delayed a little beyond the time reported.

Hans Tuft, one of the men who had subscribed liberally to the stock of the new bank, have changed their minds and withdrawn their subscriptions.

Those who remain in the enterprise say it will be reorganized at once, and that there will be little if any delay in getting the institution in readiness for the opening about March 1.

The latest enterprise to be put on foot is a telephone line connecting Richfield and Salina. The line will be put in and operated in the interest of the Standard Telephone company of New York, local parties furnishing the poles and taking a certain number of private boxes. Work will be inaugurated immediately.

An effort will be made soon to establish connection between Salina and Richfield, and later include other towns in a system.—Sevier Valley Times.

MORGAN.

Representative Welch came up from Salt Lake City last Thursday to visit his family.

Mr. Oscar Olsen of Peterson who is one of Summit county's popular teachers is spending a week in visiting our schools. He brought to Oakley a chest of sermons.

The Peterson school was the center of attraction last Friday. It was visited by four schools, viz: South Morgan North Morgan, Milton and Littleton. All seemed to enjoy looking through the building.

Delivered to the Salt Lake Temple on Wednesday last, Mr. Joseph Spendlove of Littleton and Miss Emma Spurlock, of Mill Creek, were married. They returned to Littleton on Saturday, where they will make their home. All join in wishing them a pleasant journey through life.

Milton could will celebrate Washington's birthday in grand style. A committee has been appointed to give the old folks a royal good time and, weather permitting, a grand sleigh ride, headed by the Milton brass band will be one of the features of the day.

TEACHERS INSTITUTE.

A program for February 4th was partly arranged which is as follows:

Regular institute at 9:30 a. m.
Public meeting at 1 p. m.
Banquet at the hotel at 5:30 p. m.
Social ball at Milton 7 p. m.

The afternoon session will consist of roll call, recitations and speeches. Miss Babcock will occupy a part of the time in the afternoon. Other educators will be present.

The banquet will be directly after the afternoon meeting. A few well prepared toasts will be given along with extra musical selections. Joshua Willgoss will start the smiles around the tables. He is the toast-master. All are cordially invited to all of the meetings.—Morgan Democrat.

LOA.

Last week the three weeks old baby of Mr. and Mrs. Isaac Blackburn, died after an illness of about seven days.

Thursday the little son of Mrs. Hannah Taylor of Fremont passed from the stage of existence. The great loved were sickness and death are unknown.

Last Wednesday morning Nora, the 10 year old daughter of Mr. and Mrs. Elvies Gulf, passed peacefully away to the great beyond.

Representative Moneblad has introduced a bill to change the boundaries of our county, so that it will include the Fish Lake country and more of the Rocky mountain country. The measure should go through, and has a good chance of doing so. All the ranchers, prospectors, sure settlers and all such people in the two tracts are the property of Wayne county people. The supplies of irrigation water that run from them are used on our lands. We are closer to Fish Lake and can better look after the fish on that account. Besides the Wayne county men are to Fish Lake for every one that goes from Sevier. The change should be made now, for it is unjust to Sevier county to longer have to care for Fish Lake, which brings us no much and so little to them. —Loa Advocate.

PRICE.

Special Correspondence.

Price, Utah, Feb. 1.—Price, the "metropolis of eastern Utah," is very quiet at present. Our business men are not doing a rushing business, but from all indications they are making a living. Freighting could be better, the strike among the freighters now for higher wages has cooled down, without doing anybody any good, or improving existing conditions. Merchants of all kinds are not doing very much at present, but they are trading up, and no doubt will have plenty to do to wind up. The weather is beautiful the last few days; the snow has all melted.

Ecclesiastically our little ward is in a prosperous condition. The new Stake presidency, put in at the last quarterly conference of the Emery Stake, seems give quite satisfaction on the part of the viewers. Brothers Timothy and Hodge from Vernal, Uintah county, are among us, doing a good work. On the interest of the Y. M. M. I. A. the young folks are preparing to give the people a pleasant evening at the next concert session, to be held Sunday evening, Feb. 5th. The Sunday school is flourishing. The officers and teachers are at present rehearsing the original drama, "Lorenzo Dow's Trial," which they will render Feb. 20th, 21st, for the benefit of the Sunday school. Much can be said in praise of our Sunday school, but space forbids. The effective interest they take in our Sunday school, and the officers and teachers are deserving much praise for their whole hearted work in the good cause.

The anti-Mormon remedy seems to have no material effect on the people here, which speaks volumes in favor of the Mormon church.

The market improvement in the Deseret News lately is highly appreciated by its readers here.

A few days ago we got on a snow bird today and undertook to run the town to suit themselves, but Marshal Ottosen and Sheriff Allred put a sudden stop to their frolic-some capers. These sought-for boughs will be more careful in the future.

SALINA.

Special to the "News."

Salina, Feb. 1.—Jim J. Hayes of Pleasant Grove is now visiting his old friend, Robin Cross.

William C. Murphy buried an infant child yesterday.

Frank Hepburn, with his opera company, played here last night to a small but appreciative audience.

C. J. Cahlin, of Omaha, stock buyer, of Florence, Nebraska, are guests at the White House.

The roads are dry and dusty—the weather is spring like, and should the weather continue fine, the farmers expect to put in their grain this month.

MILLVILLE

A fine shoemaker ball was held in Millville last Friday evening. A large number of picturesque costumes were in attendance.

Mrs. Martin Shaffer and "Aunt" Sarah Weaver are quite ill with the grippe, while little Willie, child of Mr. and Mrs. Shaffer is very sick with whooping cough.

A most enjoyable surprise was held in Millville Friday evening in honor of Mr. Joseph Jessop. A large number of the gentleman's friends assembled at his home and passed the evening very pleasantly.—Logan Nation.

OUR NEIGHBORS.

OAKLEY, IDAHO.

Special Correspondence.

Our quarterly conference was held here on Jan. 22 and 23. None of the brethren from Salt Lake City was with us, so the time was occupied by local Elders. Four baptisms in Oakley have occurred from sickness. The main subjects spoken of were our duties as Latter-day Saints and the spreading of the Gospel to the nations. A good feeling prevailed, and all seemed to enjoy themselves.

Elder Lorenzo Nichols of Brigham City is here laboring in the stake in the interest of the Mutual Improvement Associations. The fruits of his labor are apparent, and we believe he will be long taken in the work than was ever before manifest.

Our schools are crowded to overflowing, and the great need of the day is more school houses.

The Stake Academy is enjoying a prosperous year, under Prof. A. F. O. Nielsen as principal.

There has been more sickness here, but not many deaths thus far this winter.

The "Diamond Field Jack" case, which has attracted so much attention, is being watched with great interest. It is hoped that it will soon be settled, as it has cost this county a great deal of money.
