DANGER IN WRITING.

EXPERTS SAY THAT SLANTING SCRIPT CAUSES DISEASE.

A Statement In Favor of Vertical Script Based by the Highest Medical Authorities—Results of Extensive Experiments With School Children.

[illegible]

"Was sitting four of a nice looking girl one night in some days ago I have of cold as incident. Mr. Gilmore, who was a founder on Washington street, said Illinois, to Dr. In relating it to me he mentioned an object whereon. The experiment, Illinois, I made 200, one had vertical hand in the left and right eyes. The knowledge gained of the Will, the, and the Dr. Gilmore, Illinois, Dr. Gilmore, Illinois, Dr. Gilmore, Illinois,
