FOR "PURITY"

Origin of "Whited Sepulchres" in Gotham Object to Fight.

BETWEEN CORBETT AND McCOY

It Is Not Much Question that the Boxer Will Be Pulled Out.

PURITY ROLL UP THEIR EYES

Over Their Heads to Only Horror in the Sports are Unknown and Will Have the Contest.

New York, Aug. 28.—The World says: The Corbett-McCoy fight will not be in Gotham, for the new date set is a few days later, is a fact now generally admitted to make reporting easier.

The only problem to be an obstacle is to hook up of the parties to a contract to draw and the mechanics of the Horseshoe club, who have agreed to draw and the mechanics of the club are more prompt and more prompt in order to follow such a stand not favorable to the fight.

The concert and backers of the club are not such cowards as to be afraid that they were keeping strictly within the limits of the law and that they had nothing to fear. But they are afraid for all that, and the reports had effects for sale in New York are not received with applause. This attitude of the fancy is that "fashion people will be able to go in spirits of good humor." Fashion people are humane and charitable and prefer to be spectators of a battle in which they do not feel that they are to be the Kris-Lars. It is the hard-cought champion who will fight to Buffalo in the opinion of the fancy. It is believed that the fight will stick to Buffalo in spite of the decision staying with the Horseshoe club, which is not enough sign to cause the "Antis" to smile either.

The changing has gently note. The Horseshoe worked men before the Corbett-McCoy and it is believed by some that Dalgan that it will be a matter of the Horseshoe club to take up the fight of the big battle. Dalgan say it is pretty safe to prophesy that it will be a matter of the big fellows will fight in the Horseshoe they change their minds and the fight will come off from this city.

Corbett and McCoy are now in training for the fight. Corbett is now at Asbury Park, where he has been training for the last two weeks, and McCoy is at Hot Springs, Va., where he has been training for the last two weeks. Corbett is in good shape and McCoy is reported to have put in the time since he left New York to the utmost of his ability. Corbett is now at Asbury Park, but he will come to New York on Tuesday and will remain in Corbett's hotel in Broadway. Corbett will be in good shape when he comes to New York, and McCoy will be in good shape when he comes to New York
