THE MINING MARKET.

The Bulls and Bears Play Well as Change Today.

TRADING GOOD ON BOTH SIDES.

The Listed and Unlisted Stocks Treated With Transfers—Bids and Spots.

As we keep the case for the past week Alta led out in the trading on Change today, with an instalment of 100 shares. Little was the price stock sparkled on, but only in tenths of a cent at shares which went at 9½ cents. Monday of last week Alta touched 9 cents, but it was the first time that a sale of this stock had been recorded in its time of death was between 10 and 11 cents. Yesterday 200 shares, which brought the entire amount of sales to 300 shares, at 9¾ per share. Five hundred shares of the Utah Block closed the day's sales on the listed property.

A very array of unlisted stocks were called for and one of them quite a number moved in the trading. Yesterday Dalton, Hearst, Hyer, Ross, Judge Anderson, Lee Moffitt, Norman Hart and stock in the Philadelphia Gold and Silver Mining Company. The latter was quite active, it seems to be the Spots, some as it swung in strength of a very yet chary. One of the tickets offered to trade on the shares of that concern closed at 10 cents, but it seems can be secured for much less money.

The closing figures were as follows:
