WAS A FIVE INNING GAME.

Small Crowd Witnesses the Match That Was a Clean Exhibition of Good Baseball.

A very small but select crowd witnessed the game of baseball at Lagoon last evening. The occasion was the game between the Y. M. C. A. nine and the Ogden team. Five very neat two steps were danced up for the benefit of the spectators and just as the sun went down the score stood 6 to 3 in favor of the nine visitors at the crack. It was the most exciting game of the season and the combination the entertainment will not be remarkable, at least not on a distance of three miles away from home.

Bailey handled the ball for the Ogdens and delivered a better game than everyone else on the place combined. Gillis, who pounded in the balls for the Ogdenites, Eakins (who made an error) and Hodgins, who made a sensation death without reaching the second base. The Ogdens scored three runs in the first inning, two in the second, one in the third, two in the fourth, one in the sixth and three in the seventh
