SALT LAKE HORTICULTURISTS.

Preparation for the Farmers' Convention—Fruit Raising Discussed, Etc.

The regular meeting of the Salt Lake Horticultural society was held on Saturday, January 5th, being called to order by Heber J. Hendrickson.

A committee was appointed to map out a circuit for a series of lectures to the farmers and fruit growers.

A letter was read by Secretary Green from one of the professors of the Agricultural College expressing the willingness of his associates to take an active part in the farmers' convention to be held on the 14th and 15th of the month in the Mill Creek ward house. There will also be a program arranged for the occasion.

Mr. O. W. Warner, from Moab, made some very interesting remarks on fruit raising for profit, and told of an orchard that he visited in Grand City, Colo., where there is a man employed to every acre of fruit, and the same owners paid the owner $1,000 an acre. He also told how he planted and cared for his trees, and now he picked and shipped the fruit, and found ready sale at $2.50 a bushel for his apples, while others sold theirs for $1 and even less.

The appointment of committees for the coming season was discussed, and some remarks as to cutting down the expenses. A committee was also appointed to facilitate Salt Lake county.

It was moved and carried that a vote of thanks be tendered the retiring county court of Salt Lake county; also that the association adjourn the February to meet the first Saturday in that month with the state board of horticulture in the Sec commissioner's house, at the new City and County building.

F. S. GREEN,
Secretary.

PLEASANT GROVE.

PLEASANT GROVE, JAN. 5, 1895.

Family Reunion.

The Thorne family held a reunion in the Central school house here yesterday. One hundred and seventy-five persons, relatives and invited guests of the family gathered. Tables laden with the good things of earth were partaken of with a relish, after which speeches, songs, recitations, games and dancing added up a very interesting program. The reunion was inaugurated 12 o'clock p.m.

David Thorne and family emigrated to Utah in the year 1851, settling in Pleasant Grove. They had six sons and two daughters all now living in the town, each of them have large families. Joseph C. Thorne being the present Bishop of the ward. The descendants of the family number eighty children, sixty-three grandchildren and eight great-grandchildren. All are living in Pleasant Grove with the exception of Father and Mother Thorne, deceased. Strange as it may appear, the family has kept intact, and all are in prosperous circumstances and pleasantly situated. D.
