CITY JUSTICE RESIGNS.

Duties and Compensation Out of Proportion—District Court Business.

Special Correspondence.

Logan, Cache Co., June 17.—L. S. Cardon, city justice, and judge of the juvenile court, has tendered his resignation to take effect July 1. Mr. Cardon's reasons for resigning are that the demands made on his time are way out of proportion to the compensation received and he has been compelled to neglect his own business to such an extent that he feels that he cannot longer afford to continue in the office. Mr. Cardon has made an excellent officer, and his retirement will be regretted by all who do business in his court.

FORFEITS HIS BOND.

In the case of the State vs E. R. Davis in the district court Friday, Mr. Davis failed to appear for trial and his bond was declared forfeited. H. E. Hatch and W. G. Danielsen are sureties on the bond. It is understood that the bondsmen are secured by relatives of Davis.

Drs. Budge and Budge have recently added a fine ambulance to their hospital equipment.

Oliver Budge of Paris, Ida., was operated upon for appendicitis Thursday. He rallied and has since been doing nicely.

SPANISH FORK.

DESTRUCTIVE FIRE.

Two Business Houses Burned—Funeral of Peter P. Hansen.

Special Correspondence.

Spanish Fork, Utah Co., June 15.—Yesterday at 2 p. m. the funeral services of Peter P. Hanson were held with a large attendance at the Fourth ward chapel. The speakers were Moroni Stark, Jas. Anderson, August Swenson, Albert Swenson and Henry Gardner. Citizens generally deeply mourned the departure of so good a citizen and one held in so high esteem. Mr. Hanson leaves a wife and six children. Typhoid-pneumonia was the cause of his death.

Mr. and Mrs. P. J. Bradford have been called to part with their baby, which died of whoopingcough. The services were conducted at the residence at 4 p. m. yesterday by Bishop Argyle. Bishop Geo. D. Snell, Heber C. Jex and Ed. M. Rowe were the speakers.

DESTRUCTIVE FIRE.

This city was visited by fire last midnight and two business buildings were destroyed, with most of their contents. The millinery store of Mrs. Huish was a total loss—valuation about $3,000, partially insured.

The harness shop of Prior Bros. also burned, but some of the stock was saved. The loss will amount to several hundred dollars with no insurance.

THE FOURTH.

Mayor Creer has called a citizens' meeting for Saturday evening, to name a committee to have in charge the Fourth of July celebration.

The Provo ball team met the local team today and had an easy victory. It is said that most of the local players were up fighting the fire all night, which might have somewhat affected their playing.

CANNING FACTORY ABOUT READY.

Within a week or 10 days the canning factory will be turned over to the citizens in running order. The Hastings Industrial company of Chicago contracted to erect the buildings necessary and equip same with machinery.

Principal J. P. Creer and Jos. Hughes are attending U. of U. summer school.

LEHI.

ACCIDENT AT CLAY BEDS.

Three Men Caught in a Cave-in But Are Rescued.

Special Correspondence.

Lehi, Utah Co., June 16.—This morning an accident occurred at the Ellerbeck clay beds, west of Lehi, which might have resulted seriously. While George Whitman, Roy Fox and Lionel Hanson were working in the beds, a sidewall fell on them nearly covering them up. They were rescued and brought to Lehi this afternoon and their wounds dressed by Dr. R. E. Steele. While they were badly bruised and will have to remain home for some time, it is thought that no one was seriously hurt.

IMPRESSIVE OBSEQUIES

Special Correspondence.

Pleasant Grove, Utah Co., June 16.—The funeral over the remains of Mrs. Olivia Pratt Driggs was held in Clark's hall yesterday afternoon. A very large congregation was in attendance. Consoling words were given by Elders Wm. D. Roberts of Provo, Alexander Bullock of Pleasant Grove, Douglas Todd of Salt Lake, J. E. Booth of Provo, Wm. H. King, J. M. Tanner of Salt Lake and J. D. Dadley and E. D. Olpin of Pleasant Grove. The singing under the leadership of S. F. Humphries was beautiful. Elder M. D. Alwood made the opening prayer. Bishop S. L. Swenson pronounced the dedicatory prayer over the grave. The floral emblems were generous and very beautiful. Relatives and friends from far and near came to show their respects to one of the choicest spirits that ever dwelt in this community. Her children were all present. Mrs. Driggs will be greatly missed by her immediate family and a large circle of relatives and friends.

A Live Wire

Every nerve is a live wire connecting some part of the body with the brain. They are so numerous that if you penetrate the skin with the point of a needle you will touch a nerve and receive a shock—pain it is called. Aches and pains come from a pressure, strain or injury to a nerve; the more prominent the nerve the greater the pain. When the pain comes from a large nerve it is called

Neuralgia

whether it be the facial nerves, or the heart, stomach, sciatic or other prominent nerve branch. To stop pain, then, you must relieve the strain or pressure upon the nerves. Dr. Miles' Anti-Pain Pills do this.

"I suffered intense pain, caused by neuralgia. I doctored and used various medicines without getting relief until I began taking Dr. Miles' Anti-Pain Pills. They did me more good than all the medicines I ever used. They never fail to cure my headaches, and their use never leaves any bad after-effects."

MRS. WM. BECKMAN,
957 W. 4th St., Erie, Pa.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money. 25 doses, 25 cents. Never sold in bulk.

CAINEVILLE.

Hay Crop a Fair One—Other Crops Promising.

Special Correspondence.

Caineville, Wayne Co., June 16.—All the farmers are busy putting up their hay, which is a fair crop, as compared with other years, but a little earlier. Cherries are ripe. Grain crops look well. The late frosts did no damage to the fruit here.

Miss Nellie Hanks has returned home from school at Castle Dale academy.

Mrs. Thisbe Allen presented her husband with a fine boy baby.

There is an abundance of high water, which is a benefit, and from all appearances it will keep up for some time yet, as the mountains are full of snow.

BAD BOYS ARRESTED.

Broke Into Warehouse and Ruined Valuable Property.

Some time yesterday afternoon the warehouse and office of the Meline Plow company, situated on Sixth West between First and Second South, was broken into, apparently by a band of young hoodlums. Things in general were turned topsy-turvy. The contents of ink bottles were poured over books and papers, the leather bottom was cut out of a fine office chair, and in the warerooms the leather was cut from the dashboards of expensive buggies and carriages, and other damage done. The loss will be a considerable amount. The premises of the Walker Stone Cutting works, near by, were served in a like manner. Following a clue given, detectives went to work, and two boys have been apprehended as belonging to the gang that committed the depredations. The lads have given the names of a number more, and at a late hour this afternoon the boys were being rounded up. They range in age from 13 to 15 years.

AT THE RESORTS.

An oldtime Fourth of July celebration is scheduled for Calder's Park on the nation's holiday. Already arrangements are well under way to make it a vivid reminder of happy days gone by, and veterans who participated in those early day manifestations will be invited to take part in the festivities. Among the organizations expected to do something are the Mormon Battalion, the State Historical society, the Indian war veterans, members of the Nauvoo Legion and the Veteran Firemen. The Daughters of the Pioneers and G. A. R. veterans will also be asked to contribute to the day's amusements. The program will consist of oldtime orations, patriotic musical numbers, both vocal and instrumental, baseball, ancient and modern, early-day sports and a number of oldtime horse races.

At Lagoon today the German and Swiss missionaries are holding their annual reunion. The early afternoon trains took out a few pleasure seekers, but most of them will go out at 5 and 6 o'clock to enjoy the cool evening. A program which recalls the days of missionary work on the continent has been prepared. Dancing will be indulged in during the evening.

The Salt Lake stake Mutual Improvement associations will conduct an excursion to Saltair next Friday, June 22. Heretofore this day has been among the big events at the popular resort, and indications point to a large attendance.

The Ensign Stake Primary associations will go to Saltair Wednesday, July 11. There will be a fine program, consisting of drills, fancy dances, songs and other lines of attractions and amusements. The same associations will spend tomorrow at Liberty Park.

UNCONSCIOUS MAN STILL PLAYS BALL

Executes Wonderful Triple Play After Being Knocked Senseless.

EUREKA WINS LONG GAME.

Takes Two in Fourteenth Inning and Defeats Salt Lake Team After Fierce Contest.

HOW THEY STAND.

	W.	L.	P.C.
Salt Lake	9	5	.643
Ogden	5	5	.500
Eureka	7	8	.467
Park City	4	7	.364

Anxious to increase the lead on the state league, Salt Lake went into a game yesterday with Eureka, which proved that all is not spoils which belongs to the victor, and which lasted just 14 innings. At that time Eureka had won by a score of 7 to 5, pulling in with two in the fourteenth that decided matters in their favor.

The game was the most sensational ever witnessed in Utah, and its sensations kept a crowd of fans on keen edge for the entire time of play. The biggest sensation was in the twelfth, when the score was still a tie, and Salt Lake was determined not to lose out. Harry James, left fielder, and Eddie Hahn, middle fielder, started out for a long fly, and both came together at top speed, knocking themselves unconscious. Before he fell in a heap, however, James threw the ball, which he had caught, to Beck, and Beck rushed to second with it, touching the bag, and then putting it on Wall, who was coming down from first. Johnson, who had left second for the home plate, thinking the ball had been missed, was the third mourner, but as only two were needed, the play was not recorded as a triple. The crowd rushed over to the two fielders and found them both unconscious. Both were completely knocked out, and James so badly that he had to be sent home in a hack. Hahn, however, finally resumed play after being given a good drenching. Fans were profuse in their praise of James, for his wonderful display of baseball instinct after being knocked out.

Jensen, who pitched for Salt Lake, after the eighth, displayed another bit of form by sending back to the bench the first eight men up before him. Seare Salt Lake's catcher, retired at the eighth on account of his bad finger, which was broken three weeks ago.

Rush, who pitched for Eureka, did splendid work, allowing but 15 hits in 14 innings. He handed Margetts of Salt Lake six of these out of six times up. Both Margetts and Rush gained favor out of the exchange.

MOURNS HORSE'S DEATH.

James R. Keene Deeply Grieved Over Loss of Fine Animal.

New York, June 18.—James R. Keene, owner of Sysonby, which died yesterday was deeply grieved at the loss of this great race horse. He ordered a postmortem examination and the physicians settled conclusively that the horse did not die of the skin disease for which he had been treated for several months. The blood poisoning, which caused death, originated in a badly bruised frog of the right fore foot.

The skin affection had been the remote cause, it is surmised, for the horse had stamped in his stall to express his disgust for the itching of his skin. The frog had been terribly bruised. There is a mesh of small blood vessels there. An abscess formed and the entire coronet was found to be full of pus. The spleen and liver were found to be greatly enlarged, but the huge lungs and stout heart of the horse were unaffected.

When Sysonby first showed symptoms of the skin trouble soon after training began this spring, Mr. Keene was dissatisfied with the progress the thoroughbred was making toward recovery and had his own physician attend the horse. Everything possible was done. Sysonby's sufferings were pitiable and during part of the illness the horse was strapped up to prevent its injuring itself.

It was stated last night that Mr. Keene was recently offered over $200,000 for Sysonby by an Englishman. He carried $100,000 insurance on the thoroughbred.

The Story of the White Heart

We want every housekeeper in America to know the story of

Pillsbury's

BEST BREAKFAST CEREAL — VITOS

This story contains two vital points that will interest you.

1st **QUALITY** The name "Pillsbury" means always the best. Pillsbury's VITOS is simply the white heart of the wheat berry—It is the real food value of the wheat.

2nd **ECONOMY** A 20c package of Pillsbury's Best Breakfast Cereal contains the material for 12 lbs. of incomparable food—at a cost of 1⅔ cents a pound. The ordinary ready-to-eat cereals costing 15 cents contain usually less than one pound of prepared food.

Continue reading "The Story of the White Heart" and learn why VITOS is so economical—so good. It will appear in this paper twice a week, printed in the heart shape design. Look for it.
