WATSON SEEKS CAMARA

Time for the American Commissioner's Transcontinental Voyage.

HE DOES NOT WANT THE CANARIES.

The Embarkment of Spanish Crime—Rumoured Report Spanish Revenue Will Not Come Before October—Bizarre Lotteries.

Washington, July 22.—A correspondent asks me what is the attitude of the Spanish people in this country of the Spanish-American war. In answer to inquiries the writer says in substance the same as I have been saying for some time past. In reference to the Spanish people, in contradistinction to the Spanish government, it is well known that the Spanish people are not responsible for the Spanish government. In this country, for instance, the Spanish people are in no way responsible for the Spanish government. In Cuba, the Spanish people are in no way responsible for the Spanish government. In Spain, the Spanish people are in no way responsible for the Spanish government. In the Philippines, the Spanish people are in no way responsible for the Spanish government. In Porto Rico, the Spanish people are in no way responsible for the Spanish government. In the Canaries, the Spanish people are in no way responsible for the Spanish government. In the Spanish colonies
