POLITICAL GLEANING

Independents and Citizens Elect an Executive Committee.

DEMOCRATIC PRIMARIES TONIGHT

For the Purpose of Electing Delegates to the Council and Representative Convention.—Notes.

As foreshadowed in yesterday's NEWS, there was a joint meeting of the Independent and Citizens' campaign committees in the Hooper block last night. The meeting was an interesting and important one and matters that require prompt and effective attention were discussed at length and the utmost harmony prevailed.

The following executive committee, with D. C. Dinkar as chairman, was chosen:

First precinct—C. O. Wallbomore.
Second precinct—J. J. Grimes.
Third precinct—F. D. Kimball.
Fourth precinct—James Devine.
Fifth precinct—J. W. Whitehead Jr.

The committee will, from this time until the close of the coming battle, hold regular meetings and will make the campaign, so far as they are concerned, a most vigorous and thorough one and to that end they ask the cooperation and hearty aid of every lover of good government in this city.

DEMOCRATIC PRIMARIES TONIGHT.

Democratic primaries are called to be held in all of the county precincts at 8 o'clock tonight for the purpose of electing delegates to the council and representative convention. The Fifth representative district comprises Salt Lake City, which will nominate three candidates for the council and six for the house of representatives. The meeting places and number of delegates in each of the city precincts are as follows:

	Delegates.
First precinct at the Exposition building	[illegible]
Second precinct, [illegible]	[illegible]
Third precinct, [illegible]	[illegible]
Fourth precinct, [illegible]	[illegible]
Fifth precinct, [illegible]	[illegible]

POLITICAL PARAGRAPHS.

Provo's total registration amounts, this year, to 1,081; new names added, 142; stood 1891.

James Devine, the stalwart young Republican of the Fourth precinct, is spoken of by his friends as a candidate for legislative honors.

The Utah county Democratic convention to nominate candidates for county officers to be voted for at the November election, will be held at Springville on Tuesday, Oct. 10.

Not much has been heard from Councilman Moran of late. It is stated that the "little sentinel" is pulling his strings to be "interested" in the Territorial Legislature at the coming election. He, of course, looks to the coming element for votes.

A vigorous protest is being made by some of the city employes who have been assessed by the Liberal campaign fund for the reason that they are not allowed to pay the same in warrants. Of late they have been relieving not little cash and do not feel like handing that little over to the Ros to do as he sees fit with it.

The Anderson not turned sheet down and drawn curtains last night. What they did beyond arranging for getting in some fine work at the printers is not known. The meeting was well attended, a fact that strikes terror to the hearts of the Liberals who have not taken the oath of the "anti rule," as they gleefully call themselves.

The ubiquitous little labor champion J. L. Franks is much perturbed at the statement made in the political column of the NEWS a few days ago, to the effect that he has been a strong partisan Democrat in the past. Franks, he claims, had nearly sixteen things said of him in the past without rejoinder and he draws the line at being told that he looks like the other fellow.

Said Captain John J. Donovan of the city police force today: "Should Arthur Pratt be elected marshal and should Bowman Cannon be made the captain of his forces I would as soon sell my uniform and club to him as any man I know." Then Donovan laughed good naturedly and strode away. Five minutes later the reporter met Mr. Cannon and joked over what Donovan had said. Mr. Cannon smiled as he stated: "Brother Donovan is welcome to his old club. He will have them forever if we only take them off his hands before I do."

Liberal scouts are out in goodly numbers seeking the political prairie for a candidate for city marshal. Reports as to the material found so far are very unsatisfactory. As soon as a man is found who is thought to be eligible, the question is asked: "Is he an Anti-Mormon?" If the query is answered in the affirmative then comes the telling whispers: "Well, the Catholics won't vote for him and if they don't he can't be elected." On the other hand, should the name of a Catholic be suggested the statement is at once made, "he will be knifed by the Anti-Mormons." And thus it goes. The party is between the camp fires of his Satanic majesty and the deep blue sea and can do no better than to allow matters to adjust themselves.

PESTERED BY PETTY THIEVES.

Residents in the Vicinity of the Copper Plant the Victims of Organized Looters.

George W. Huntington, a resident of Center ward, had his chicken coop robbed by thieves last night who carried away with them a dozen of his best fowls. Two or three weeks ago a spanking heifer was stolen from his orchard together with the rope with which she was staked. Potato patches belonging to Walter Kirby, David Harmon and William Langford have been systematically visited, and it is estimated that not less than two hundred bushels of tubers have been dug up and carted away within the last few weeks. Besides this several sets of harness and a wagon and other property of value have been stolen during the last few months and the citizens of that district are getting tired of being mercilessly deprived of it is needless to say organized band of thieves, and they propose to defend themselves hereafter if they have to do so with a shot gun. A regular night patrol will accompany be instituted.

JUDGE ZANE'S COURT.

Charles Arney Will be Sentenced on Monday.

Who Shall Pay the Deputy Marshal's Bill for Furnishing a Witness From Wyoming?

Charles Arney, the youth whom the jury convicted in Judge Zane's court yesterday afternoon of assault in the second degree upon Editor of the NEWS—on a charge of voluntary manslaughter, is said to have passed a very uneasy night in the penitentiary and took sentence upon the verdict which the jury's verdict has placed him. In expectation that the defendant would be brought in or sentenced this morning, a number of his acquaintances were in court, but when Judge Zane had taken his seat Attorney Rooney, of counsel for Arney, asked that judgment be postponed to Saturday.

Judge Zane, however, said he would pass sentence on Monday morning next, at 10 o'clock.

WHO PAYS THE PIPER?

Assistant United States Attorney Rose presented a "bill" from Deputy Marshal Comstock for the sum of $[illegible], which he said the officer expended in the Territory of Utah, and expended in the recent arrangement of H. H. Linder, the bicycle thief, from Wyoming. Linder, it will be remembered, passed safely in the shadow during the present term of court and received a sentence of one year, supplemented in the penitentiary.

The items which made up the amount comprised the fee paid to the territorial secretary for requisitions and warrants, Commissioner Judd and most of, made up the pro rata mileage to Salt Lake, the pay for the deputy state for 27 months, and mileage paid to the sheriff of Carbonate for Linder's arrest, and officer Comstock's salary for four days, while away, at $2 per day.

Judge Zane asked—Where is the statute authorizing the allowance of this? Does the Territory pay it?

Judge Rose replied—Yes.

Judge Zane—What passage of the statute? You rely upon for the order of court?

Judge Howat—Well, I will pick it up and present the matter later.
