tions, by General Foster, representing the United States government, and Count Von Mann, charge d'affaire, representing the German government, and was approved by the President. The removal of the park restrictions has nothing to do with any question of reciprocity, but is based upon the assurance by the German government of the inspection of imported meats by this government under the law of the last Congress.

A Dead Body Found in a Field.

CLEVELAND, O., Sept. 4.—The dead body of a boy named Scott Moir, aged 14, was found today in a field near Fosloria. There was a bullet wound in the chin, another in the breast and the throat bore finger marks. Moir lived at Fifth, and had been attending the Fosloria fair.

Gould Looks Well.

COLUMBUS, O., Sept. 4.—Jay Gould passed through Columbus today. He was looking well. He said he had spent seven weeks in Colorado and Utah, and did not care to talk about railroad matters, but was anxious to go to New York.

Sun Chemical's Island.

WASHINGTON, Sept. 4.—Secretary Carter of the general land office announces he received an application to have San Clemente Island, located about thirty miles off the southwest coast of California, restored to the public domain. In view, however, of the possible future importance as a naval station, the commissioner has rejected the application.

Do Not Like the Chinese.

QUEBEC, Sept. 4.—At a meeting of the Trades and Labor Council of the Dominion of Canada a resolution was adopted asking for the prohibition of the Chinese.

The Wheat Crop in the Dakotas.

CHICAGO, Sept. 4.—General Freight Agent Stanley of the Great Northern road, who is in the city, says the reports that the wheat crop of North and South Dakota has been seriously damaged is entirely without foundation, and must have been concocted by parties having selfish interests to serve. He declares that the crop is out of danger, and that the railroads will have more business than they can handle.
